Spirited JV's Smear Pirates

The Vernonia JV Basketball Squad hosted the Dayton JVS Saturday, January 5, and beat them by 15 points with a final score of 58 to 43.

The first quarter opened up a four point lead for the Loggers, with Kris Crowston leading all scorers in the period with six points.

In the second period the scoring was more evenly distributed among the team members with Crowston still leading scorers with four field goals.

Tight defense and a blazing offense widened the half-time gap to 21 points in the third quarter. Crowston put in 8 more points for the Loggers, and Brad Bellingham hit four to add to the total.

The fourth quarter saw a scoring flurry by the Dayton team, but the Loggers hung in there to win by a 15 point margin.

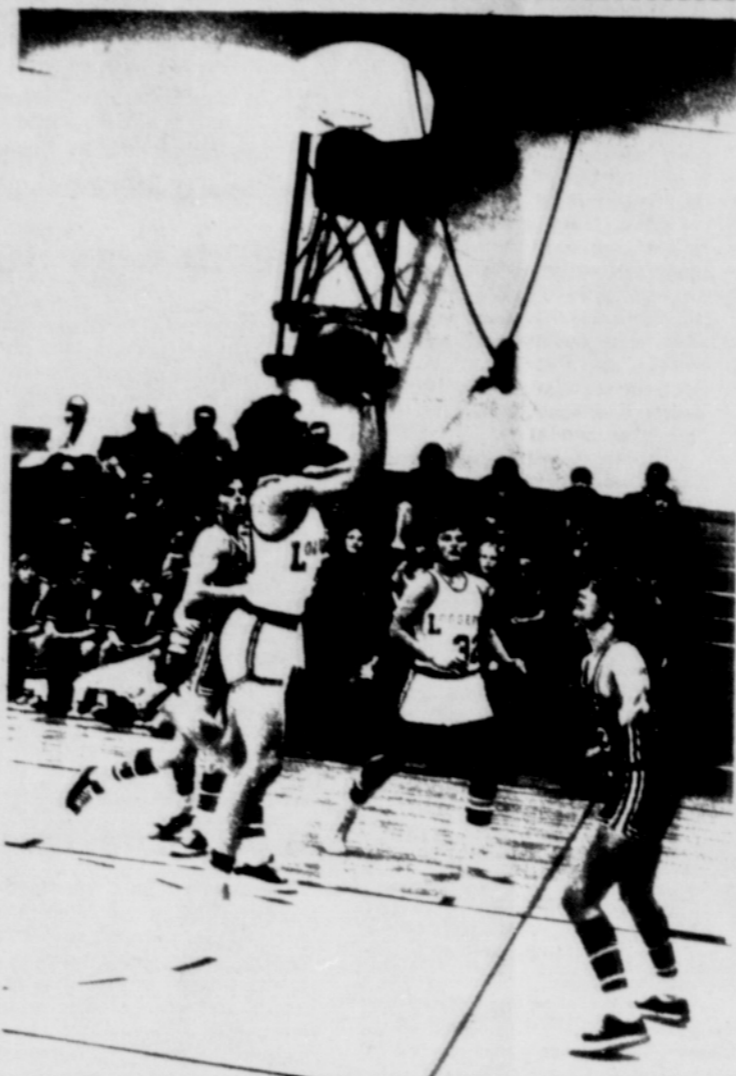

The Loggers hit 8 for 11 from the free throw line, while Dayton only went to the line 6 times to hit 3.

High scorer for the Loggers was Kris Crowston who hit 18 points.

Tigers Defeat Vernonia Five In Friday Fray

If Coach Gary Curtis made any New Year's resolutions pertaining to a winning basketball team, he is in trouble with that little kid that appears every year around January 1.

It was simply a case of the Vernonia Loggers suffering a second half let down against the Clatskanie Tigers Friday, January 4.

The first half started with a bang as the hosting Loggers ran up a 14 to 2 margin before the over-confident Tiger team finally caught on and started hitting some outside shots.

The second period was matched shot for shot at the end, but the locals saw a 12-point lead disappear as CHS gave Vernonia some of their own medicine by stealing the ball. Half-time came with the Loggers holding a 33 to 27 edge.

The Logger Waterloo came for the Vernonia five near the end of the third quarter because of a series of missed shots, most of which were either under the hoop, or in the open.

The Logger Waterloo found themselves with a two-point lead.

The locals had their job cut out for them as the taller and more experienced Tiger bunch boosted their lead from two to eight points.

The offensive honor for Clatskanie went to Steve Rusche who netted 16 of the Tigers final 64 points.

PC Sends Directions To Vernonia Fans

Portland Christian will play all home games except March 1 at Multnomah School of the Bible. The gym is reached from N.E. 87th Street, 2 blocks North off Glisan Street.

The playing surface is Tartan and seating capacity is 1200. The athletic staff wants everyone to know that the seats are wide, comfortable, and spacious and that there is room for everybody (not like PC's Gym).

All VHS students have been asked by the Portland Christian athletic staff to stay in the gym area and not to wander around the campus.

VHS Wrestlers Will Enjoy Good Season

A winning season is being enjoyed by the VHS wrestling team, who has a record of seven wins and four losses in addition to a trophy from the Concordia Tournament.

The Vernonia wrestling teams of recent years have not compared with this year's squad. Six persons have already earned their Varsity Letter. They are, Loy Moore, who has earned 39 points, Mike Sutherland with 33 points, Dan McLean, also 33 points, Gayle Slaughter, 30 points, Jim Thompson 54 points, and Bill Price who has 40 points.

Thirty points are required to get a letter, and other than the six already mentioned there are four others who are very close to getting theirs.

The Grapplers are half-way through their season, and have competed at eleven meets, including two triple A schools, and three double A teams.

They were the first team in VHS wrestling history to bring home a trophy, when they tied for first with Concordia at the Concordia Tournament, December 8.

December 30, four Vernonia wrestlers won Championship cards at the Colton Tournament. The wrestlers were Rob Hanson, Jim Thompson, Mike Sutherland, and Loy Moore.

In total statistics the team has scored 535 points against their opponents, to only 331 points being scored against them.

Vince Parker wrestling in the 98-pound weight class, has a five and six personal win-loss record, and has earned 21 points toward his Varsity letter.

Wrestling in the 106-pound, weight class, Rob Hanson has a 6-3 record and has earned 25 points. Rob went to state last year and placed 6th in the 98 pound class.

Carl Holsey, a freshman filling the 123-pound class has a 4-7 record and has 11 points toward his letter.

Junior, Marty Schwab taking the 130-pound weight class has a 7-4 record, and has earned 27 points toward his Varsity letter.

Mike Sutherland, a sophomore in the 141 pound weight class, shows a 8 and 3 record, and is one of the six to have already earned his letter with 33 points.

Wrestling in the 148 pound class is Gayle Slaughter, another Junior with a 7 and 4 record, and has earned his letter with 30 points.

Jim Thompson owns the best record on the team which is 10-1 and leads scorers with 54 points. Jim is a junior and did well his freshman year, but didn't wrestle last year, because of a shoulder injury.

At 168 Loy Moore one of the three seniors on the team has an 8-0 record and 39 points. Loy missed the first three matches because of illness.

Bill Price, and Dan McLean are the other two seniors on the team. Both have an 8-2 record. Bill wrestles in the 178 pound class, and has his letter with 40 points and Dan has his letter with 33 points, and wrestles in the 191 pound weight class.

The big heavy weight for the team is sophomore Don Knight who has a 5-6 record and has earned 24 points toward his Varsity letter.

Coach Taylor believes there's possibility for several of the team members to attend the State Wrestling Tournament this year.

Paul Naudain Takes Orders From Classes

Even before the end of the first term the Seniors of VHS are already making plans for graduation and like all big events, plans must be made far in advance.

The class has chosen and ordered their announcements which are blue with a gold school crest. They have also chosen their class colors, and ordered their diplomas. Some students are ordering "extras" like class keys, memory books, appreciation books, and rings.

Paul Naudain was at VHS, January 3 from the noon break on. He has helped the Seniors order their announcements and rings at the activity before lunch.

The sophomores have also ordered their rings from him. This was done after lunch. The sophomores chose four rings then broke it down to three rings to order from. This was done different than the years before it.

PCC Class Still Has Openings Available

The Portland Community College sewing classes, Women's Pants and Knit Casuals, will be combined with one mini-class beginning January 21, and continuing for four weeks.

The class will be held Monday evening from 7 to 10 p.m. in room 8 at the high school. Cost is \$6. There are openings still available. Anyone interested please call Mrs. Melvin Nice at 429-8783.

Dance Features The "Reflections" Group

After Saturday nights game with Dayton the Memolog class sponsored a dance as a money making project.

The group was "Reflections". The band was somewhat different from others that have come to VHS because they were not quite as loud, which "gets" to some people and they also weren't as long haired as most of the others, but still were enjoyed by the high school students.

To chaperone the dance were Mr. and Mrs. Lee Enneberg and also the advisor and his wife, Mr. and Mrs. Gary Giest.

The Memolog in past years was sponsored by a club, but this year a new addition was added to the school, when Memolog became a regular class.

The class has a very hard time trying to sponsor the Memolog and not go in the hole at the same time. By selling advertisements, subscriptions, and other money making projects the students make enough or hope to make enough to pay for the 1973-74 edition.

Bruce Louzador Here To Take Photographs

Last Friday, Bruce Louzador was at VHS to take pictures of sports and organizations for the Memolog.

Louzador was here from noon to the end of school. A number of girls from the Memolog staff were excused to help him.

He had one complaint: He said that when he was trying to take candid pictures, a few people noticed him and turned away instead of just acting like they normally would.

He suggested that as a favor to him and the Memolog staff, the next time he appears at VHS to take pictures, he would like for everyone "to act normal."

Scouting Shows Big Membership Increase

Guy P. Miller, Scout Executive, announces recently that the Columbia Pacific Council, Boy Scouts of America reached an all-time high membership during 1973. The total youth membership reached 36,500 in the 15 county area served by the Columbia Pacific Council.

Cub Scouting, Scouting and Exploring all showed an increase. 1,148 Cub packs, Scout troops and Explorers posts were in operation at the end of 1973 to serve this record membership.

Miller said over 12,000 adult volunteers were registered

At the Basketball games Friday and Saturday night the Junior class held a bake sale during half time of the Varsity game and made \$11.95 for their class.

Francis Walters, VHS shop teacher, was late to school last Wednesday because of road conditions on his vacation trip.

The Student Council minutes were not available at press time.

Tricycle Race Is Very Interesting

Friday, January 4, VHS had a pep assembly which was a little different than any other pep assembly because the student body was asked to sit on the opposite side of the gym. The assembly started with the JV cheerleaders doing the Fight Song by themselves for the first time this year.

The skit was next and consisted of two Clatskanie Tigers and two Vernonia Loggers. The two teams were having a race on tricycles and the result was that Vernonia was the winner.

The cheerleaders then had Gary Geist and Gary Curtis talk to the student body.
