Vernonia Eagle 6 THURSDAY, JAN. 17, 1974

## Organizations **Plan Futures**

GAA held a meeting Wednes day, January 9 and Youth Legislature had a meeting last Thursday

The GAA meeting was called to order by President Connie Kyser. The meeting was held to discuss the selling of the Logger T-shirts.

The T-shirts are blue and white striped with a drawing of a logger and the words Vernonia Loggers in yellow

They will fit almost anyone. The T-shirts come in small, medium and large and sell for \$3,25. If wanted they can be ordered in extra large

If anyone wants to buy one they may contact club adviser, Mrs. Juanita Arrant, Kay Batty, Karen Enneberg or the Vernonia High School. If anyone wants to see one of the T-shirts there is one on display in the display case in the front hall of the high school.

A youth legislature meeting was held to inform the students about the dead lines for their legislative bills and to pass out pre-legislature material for everyone to read.

There will be more meetings in the coming weeks to get the students bills into shape and to get ready to go to Salem

### **FTA Plans Taco Feed** For Friday, Jan. 18

On Tuesday, January 8, a FTA meeting was held in Room 3. The first item talked about was the annually held Taco Feed. It will be on January 18, from 5 to 7 p.m. Jill Beamish and Roxyne O'Neil were appointed to find out the approximate cost of the supplies needed. These will then determine the cost of tickets, which will be sold early as well as at the door. Roxyne O'Neil, Patty Cone, and Jodi Robertson are the advertising committee.

Next item of business was the planned trip to Benson High School. A reply from the school was received in December say ing FTA is welcome to visit Benson on January 15. It is very doubtful whether or not the club will be able to make the trip because of the gas shortage. They are not allowed to take a bus and separate cars are almost out of the question for fear of running out of gas and not being able to travel back home.

# Harlem Stars To Appear At VHS To Benefit Eye Fund

The Harlem Stars, an extremely dexterious basketball team, will appear at Vernonia High School as part of a fund raising program sponsered by the Paul Bunyon club.

The hilarious Harlem Stars, advertised as the greatest and funniest basketball team in the country, are a combination of Negro stars who tour the world making fans laugh. Fans will see a fancy exhibition of razzle dazzle hall handling, intricate pass patterns, and both planned and impromptu comedy acts.

The Stars are unique in the fact that they never run up a big score against opponents. It is their policy to keep the game devoting much time to close comedy

The Stars began their season in Alaska the last week in September and will hit between thirty-six or forty states and several foreign countries. Some of these are Canada, Mexico, Australia, Japan, and some parts of Europe

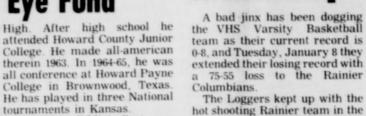

Most of the Harlem Stars are ex-high school and college standouts. One of these is Charles "Bullet" Hawkins. The name Bullet not only describes his flashy speed, but it also explains

his sharp bullet like passes A native of Texas, Charles Hawkins' name was respected through out the state during his high school days at Dunbar High in Lubbock. While in high school, he was an all-around athletic He earned honors at three times. all-tournament, all-state, and most valuable player. He then resumed his career in his hometown at Lubbock Christian College. While at Lubbock Christian, he was the teams leading scorer. He also set a school record of 59 points.

Hawkins joined the Stars in 1966. He used his jumping and shooting ability to earn honors as one of the Harlem Stars top players. Because of his fancy ball handling and his humorous style he was called upon to carry the load as the top showman. Another Star is Eddie "Hap-

py" Nelson. Eddie's ball playing career began at Big Springs

tournaments in Kansas. Last year, Eddie's first year with the Stars, he pulled down 500 rebounds and scored over 1,000 points. His ability to shoot and jump makes him famous the world over. This will be Eddie's second year with the Harlem Stars, and owner Boid Blue thinks it will be his best.

The Paul Bunyon Club is raising money for eye examinations and glasses for Vernonia students. The examinations and glasses, if needed, will cost about \$40 per student. It is planned to go through Pacific

University School of Optometry. Although the exact date for the show has not been set, the cost of admitance will be \$2 for adults, \$1 for high school students, and 50 cents for grade school pupils.

### **Hockey Freaks Take** Advantage of Ice

When the cold east wind comes up and the temperature starts to drop, then the lakes and rivers start to freeze up. Then out of comes the almost nowhere forgotten ice sport equipment.

This has been the case during the recent cold spell. There has been an accumulation of three to seven inches of ice on Lake Vernonia. There has also been a rare outbreaking of hockey and skating on the lake.

There is a group of high school boys who have been playing hockey on a section of the lake for most of the past cold spell. They mark out an area with a goal on each end and away they go for the next hour or so, killing each other for a stupid little black nuck. The average equip ment consists of a makeshift hockey stick and a pair of tennis shoes or boots, and a few pieces of warm clothing.

The first few times on the ice one is afraid it will break, but after a while he forgets about falling through because his main worry is being killed by another idiot playing hockey

### George Val George

Student Council Minutes - - -

The Student Council meeting was called to order by President Steve Johnston with Dick Brunsman leading the council in the flag salute.

Dewey Conroy reported on the league council meeting that was held Tuesday at Corbett in which Mr. Parrow, Mrs. Alvida Hearing, Steve Johnston, and Dewey attended.

Some of the things discussed there, was a student exchange; for example, a student from Concordia would come to Vernonia and on that sameday a student from Vernonia would go to Concordia.

There will be a League Speech Contest held April 17, 1974 and a League Band Concert held April 23, 1974, both at Vernonia.

The second quarter was a nightmare for VHS as Rainier Steve added that he is to write to Jack McKay and ask him if he pulled away and gained comwill come and speak to the

### **Teachers Display Pep** At Assembly Friday

Last Friday, January 11, VHS held a pep assembly for the wrestlers and for the game Saturday which was cancelled due to weather conditions.

Since the student body enjoyed sitting on the other side of the gym at the last assembly, it was again tried.

The assembly started with the "Fight Song." The wrestling cheerleaders did a yell which was followed by the JV and Varsity cheerleaders doing a yell also. Gordon Crowston gave a speech instead of Gary Curtis. Since the faculty doesn't have

a chance to join in with the student body on the yells, they were asked to sit in the bleechers and show there spirit by velling

### Will Appear Monday Testing

Is it all a hoax, or does George Val George possess a magnificent gift? Yes, that is the question

Val George has traveled the four corners of the earth lecturing and entertaining countless thousands with his baffling demonstrations of E.S.P.

A compelling and dynamic showman he SKILLFULLY and TASTEFULLY guides his audience through amazing and fascinating possibilities of the mind. The audience is kept spell bound and on the edge of their seats

While others have sought to solve the mystery of the Universe, Val George has spent a lifetime attempting to discover the enigma of the human mind No one will believe what he can do! Watch him at the Washington Grade School on Monday January 21, at 2:50 in the afternoon.

### Freezing Weather **Slows Down Fishing**

Steelheaders this year have caught just enough Ironheads to just get them excited for the big runs to start.

As we all know the recent cold snap froze parts of the rivers over and put large pieces of ice floating down the stream. Fishing from boats was almost impossible because of the ice banging into the boats and snagging fishing lines.

There have been scattered reports from the local fishermen of success, but cool weather was hampering many anglers severely

The largest fish taken in the local area have been a 17 pounder and a 15 pounder, both taken in the same hole and by newcomers to the sport.

### **School Menu** \*\*\*\*\*

Mon., Jan. 21 - Tomato Soup, Tuna Sandwich, Cheese and Crackers, Pears, Milk

Tue., Jan. 22-Lima Beans. Corn Bread, Salad, Jello, Milk Wed., Jan. 23-Hamburgers, Pickles, Potato Chips, Peaches, Milk

Thurs., Jan. 24-Mashed Potatoes and Turkey Gravy, Carrot and Celery Sticks, Peanut Butter and honey Sandwiches, Apple Crisps, and Milk

Fri., Jan. 25-Wiener Wraps, Corn, Cookies, Fruit, Milk.

31 because of Sen

Last Saturday's wrestling match with Neah-Kan-Nie. Nestucca, and Sheridan, at Neahed Kah-Nie, was cancelled due to bad road conditions.

VHS has three new students. Two Juniors, Jeff Olson and Jessie Stafford, and one Freshman, Paul Mares.

The Freshman Basketball games with Clatskanie and Banks, were not put in the paper because the scorebook was not available. The Freshmen Loggers beat Clatskanie and lost to Banks

### Wrestlers Take On Warrenton Tonight

The Vernonia grapplers are in the middle of a winning season. Right now their record stands at 5-1, which is the best record

for any Vernonia wrestlers so far. The cancellation of last Saturday's match left them preparing for tonight's match with Warrenton. The Warriors are said to be the Loggers' toughest league competition.

High school wrestling is very competitive and is not like the wrestling seen on television. Tonights match starts at 6:30 in VHS gym. Everyone is the invited to attend.

### **Girls Still Wanted** For Volleyhall Team

Females of any age are still wanted by Mrs. Juanita Arrant to start a USVBA girls volleyball B team.

Females of any age are welcome. No experience is needed, but it would help. If interested contact Mrs. Arrant at 237 A Street or phone 429-6963.-

Letters have been sent to Banks, Forest Grove, Clatskanie and other towns. Two girls are coming from Forest Grove to join the group.

### Willamette Performs For VHS Students

Last Tuesday, the VHS student body and faculty were pleased to have the Willamette University Band here to present a concert. Ward Nelson, the VHS music director, introduced the conductor and band. The band played several numbers then their Jazz and Stage Band played several selections, after which the main band entertained again.

The visitors were invited to eat at the Washington Grade School Cafeteria.

with everyone else.

The assembly ended in the usual way with the "Fight Song" and everyone was then dismiss-

## **Door Frozen Shut** By Freezing Weather

Students in classes that take up in the VHS drafting room are not glad that it has three entrance doors.

With the weather being so cold lately one of the doors froze shut sometime over the weekend of the 4th

The new drafting room was finished in 1970. It was built with two doors leading outside, and one door connecting the new room with the shop.

While most school rooms have many windows and one door, the drafting room has only sky lights and many doors, with one of them frozen shut.

### **VHS Members Attend Corbett Meetings**

Last Wednesday four of the VHS members went to Corbett for some meetings to try to promote more contact with various other schools in the NW League in other areas than sports.

Steve Johnston and Dewey Conroy went to a student council meeting. Arthur Parrow, VHS Principal, attended a principal's meeting, and Mrs. Alvida Hearing met with other speech teachers for a conference.

The three groups met during the last half hour to put their ideas together and the speech teachers organized a Speech Festival at Vernonia on April 17. The group said that Corbett was much colder than Vernonia and that the wind was unbelieveable

## Senior Candy Bars **Delayed In Transit**

The Senior class has not had any candy bars to sell since before Christmas. The last order went to Hillsboro instead of being shipped to Vernonia. When the order was to be picked up it was discovered that only half of the order had arrived and so the partial shipment was refused. Mrs. Alvilda Hearing, the Senior class advisor, sent an airmail letter to the company telling them that VHS would not accept any orders that didn't come directly to Vernonia. The candy was shipped by REA.
