

## Arlie Emmons Installed As Noble Grand

Mt. Heart Rebekah Lodge has launched its 1974 year under the leadership of Noble Grand Arlie Emmons. She and her staff of officers were seated February 10 at public installation conducted by District Deputy Gertrude Schalock, assisted by a staff of past noble grands.

At the first meeting of her term, February 14, the charter was draped in memory of Mrs. Vera Willard. The term of Irma Chance was ended January 24 with the same ceremony in memory of Florence Lane. Memorial contributions in honor of both these sisters are being sent to the IOOF Home endowment fund.

Among projects now underway is the raising of funds to send a girl to Girls State in June. This is in cooperation with the American Legion Auxiliary, the sponsors of the Girl State program.

Plans also are underway for holding a district meeting here this spring, and for the observance of the 50th anniversary of the institution of Mt. Heart Lodge in 1924.

The next regular meeting will be held March 14 at 8 p.m. at the IOOF hall.

## 1974 Spring Turkey Hunters Selected

Some 250 successful applicants were selected to participate in the 1974 controlled spring gobbler season which opens on April 27. The lucky turkey hunters were selected from among 1,042 applicants at a public drawing held at Oregon Wildlife Commission headquarters.

All applicants were sorted into groups and selected according to the last digit of the number printed on the application card. Sportsmen present at the drawing pulled the numbers from the hat to determine the sequence. The order drawn was 8, 5, 4, 7, 2, 6, 1, 0, 9, 3.

All applicants whose card number ended in 8 were successful. So were all those with a last digit of five. To complete the 250 authorized tags, 41 successful applicants were selected out of the hopper from the applications ending in 4.

These successful applicants will be notified by mail within the next few days and asked to submit a fee of \$2. In order to replace any of these applicants who don't respond, 20 alternate applicants were also selected from the remaining cards ending in 4.

The Oregon State Employment Service made 22,851 non-agricultural job placements in 1973 compared with 64,717 in 1972, the Oregon Employment Division reports.

## Safety Belts Save Lives

Oregon recorded a healthy decrease in traffic deaths in 1973, but the decrease could have been even greater if more people had used safety belts.

A report issued today by the Motor Vehicles Division notes that 285 drivers and passengers killed in traffic last year were in vehicles equipped with belts but according to police reports, the belts were not in use at the time of the fatal crash.

### Witnesses

"Brothers, take as a pattern of the suffering of Jesus and the exercising of patience the prophets, who spoke in the name of Jehovah. Look! We pronounce happy those who have endured. You have heard of the endurance of Job and have seen the outcome merciful." We Christians today should also be trying to follow that counsel found at James 5:10, 11. To aid us in doing that, Clyde Schutt will present this Sunday, the hour talk entitled "Maintaining Endurance as Job Did." Schutt will review the life account of Job from the scriptures and show how we can work every day to imitate Job's example.

Following the talk and a song, the congregation will discuss the subject "Finding Joy in Training Children", using the February 1st issue of the Watchtower as an outline.

All interested persons are welcome to attend this spiritual meal on Sunday, March 10 at 10 a.m., at the Kingdom Hall of Jehovah's Witnesses, 49 Texas Avenue. For further information, please contact Jim Milton, 429-6975.
