Board of Commissioners

(Memorandum Minutes)

The Columbia County Board of Commissioners met in scheduled session July 10 with Chairman Fred Foshaug presiding, Commissioners Minkoff and Ahlborn, and secretary Gloria Salvey (deputy clerk) present. John Hunnicutt, legal counsel, was also present.

Commissioner Minkoff moved and Commissioner Ahlborn seconded the minutes of the meeting of July 3 be approved. Motion carried.

Miscellaneous claims were approved.

Sam Hollinger met with the board and John Hunnicutt deputy DA. Hollinger advised that he had met with Messrs. Koning and Miles, regarding construction of the road in Panorama Terrace, and had given them information regarding specifications to be followed, as well as information on culvert placement.

Those present then discussed right of way acquisition for Ringier Road, and the improvement of the road. Hollinger indicated he felt it would be less expensive to construct the road on the airport property itself, than where the present roadway is located. However, he was advised as part of the terms of agreement for transfer of the airport property to the Port of St Helens, and that numerous other agencies would be involved if an attempt were made to change the location at this time. Therefore, the road would be constructed where it had been agreed.

Hollinger then asked several questions relating to copies of road specifications, inventory of sign materials on hand, and what is on order. He was advised this information would be relayed to him prior to Thompson's leaving at the end of the month.

Order No. 77-74 was signed, correcting Resolution No. 72-74 dated June 26, 1974, transferring appropriations within various funds of the 1973-74 Columbia County budget.

After discussion, it was the conclusion of the board to institute vacation proceedings on an undeveloped portion of Callahan Road. This matter was referred to Hunnicutt to prepare the necessary Resolution and Order.

Notice of acceptance of appointment to the Public Welfare Board was received from Mrs. Dorothy Eggleston.

Notice of rejection of appointment to the Public Welfare Board was received from Mrs. Edith Winkler.

Hunnicutt then discussed several matters which had been transferred to him for action by the District Attorney. Among these were the following: Case of Columbia County v DuHaime, scheduled for trial July 24; Gift - Wickwire request for Zone Change; Shelton - Leskinen - suit for recovery of dog indemnity claim; Dick Magrunder claim for damages done by dogs; Columbia County v Cavin, sanitation violation; Blome et al v CWAPA, severance and vacation pay.

Hunnicutt then requested board authorization for subscription to Oregon Advance Sheets, at a cost of \$35 per year. Commissioner Minkoff moved and Commissioner Ahlborn seconded he be allowed the subscription. Motion carried.

R.C. Warner, Chubb Pacific Indemnity Group, met with the board to discuss the county's liability insurance. Warner also suggested that all employees who drive vehicles, either county-owned or on a mileage basis, take a Driver Test, through the "Porto - Clinic" which he would set up at any time the board so desired. The test includes visual acuity test, depth perception test, color perception test, field vision test, reaction time test. The board agreed it would notify all departments and set up a date for the testing for all employees.

Warner then reviewed several claims for damages which had been submitted in the past months. He also advised that "hold - harmless agreements" should be obtained from all

concessionaires or other events at the county fair, and from those persons using Camp Wilkerson.

Roy Nelson, clerk, met with the board to request their reconsideration of denial of salary range adjustment for the Chief Elections Deputy, as recommended by the Civil Service Commission. The board indicated it did not feel the recommendation as submitted was justified, because of the 5-range increase, which is abnormal, and that it had requested the Civil Service Commission to reconsider the matter.

Mrs. Carolyn Mueller, 4C representative, met with the Board to advise that because of her statements at the last meeting of the Metro 4-C program, a re-allocation of funds had been made, and that Columbia County would now be receiving its proportionate share of 4-C monies. She also discussed a reduction in a portion of the funding, but indicated as yet, she did not know the exact amount of the reduction, and what effect this would have on the program. She stated the 4-C had contracted for referral service, since the funds had been reduced.

At the request of Robert Toll-shaug, Veteran Service Officer, Commissioner Minkoff moved and Commissioner Ahlborn seconded Mrs. Mae Tolleshaug be appointed as his assistant, to act in his absence. Motion carried.

Martin Lugar met with the board to present a statement for damages to a wheel on his pickup as a result of hitting a chuchhole on a road he alleged was not posted as closed. After discussion with Hunnicutt, the board agreed it would reimburse Mr. Lugar for replacement of the wheel.

Commissioner Minkoff moved and Commissioner Ahlborn seconded that since only one quotation was received for purchase of a new pickup for the dog control officer, Commissioner Ahlborn be authorized to purchase the pickup quoted from Jordan Motor Company at a cost of \$3,031.77, subject to its availability, and then if the pickup is not available, he be authorized to negotiate for purchase of a pickup where he is able to locate a satisfactory unit. Motion carried.

Commissioner Minkoff moved and Commissioner Ahlborn seconded the following purchase orders be approved: 3300 PERS, monthly retirement fund, for road department employees; \$22,380 (est.); 3299 AOC, Blue Cross Insurance monthly premiums, road department, \$21,600 (est.); 3296 City Linen & Industrial Supply Monthly laundry service; \$2,220 (est.); 3295 St. Helens Water Department, water; \$840.00 (est.); 3293 Liberty Tire Shop, monthly tire repairs and recaps, \$4,800 (est.); 3291 Portland General Electric Co., electric service; \$3,636 (est.); 3289 Northwest Natural Gas Co., heat, St. Helens and Rainier, \$2,400 (est.); 3288 State Accident Insurance Fund, insurance payments, \$24,000 (est.); 3287 Pacific Northwest Bell, telephone service, \$2,320 (est.); 3286 Public Employees Retirement System, social security; \$23,400 (est.); 3373 Scappoose Sand & Gravel, rock, \$1,659.34; 3302 Columbia Body & Equipment, 2 dump bodies, \$4,320.00; 3329 Homelite, suction pump, \$533.40; 3368 Columbia West, pre-mix, crushed rock and pit run, \$25,804.70; 3356 Feenaughty Machinery Co., Brush Chipper, \$5,250.00.

Motion carried.

At 1:30 p.m. a show cause hearing was held on complaint of solid waste on the property of Milton G. Russell. Tax Lot 3552-14. Present was Terry Rahe, administrator of the Solid Waste Ordinance. Commissioner Minkoff moved and Commissioner Ahlborn seconded the recommendation of the administrator to be followed, declaring a solid waste nuisance to exist, and to allow fifteen days for removal, and if not accomplished by that time, submit legal counsel for abatement suit. Motion carried.

At 2 p.m. a show cause hearing was scheduled on complaint of solid waste on the property of Orin Chamberlain, Tax Lot 475-001. Rahe advised he had been contacted by Mr. Chamberlain to report that the solid waste is being removed, as the property is being sold. Commissioner Minkoff moved and Commissioner Ahlborn seconded that in view of the contact having been made and the circumstances, a nuisance declared to exist, and Mr. Chamberlain be allowed thirty days to remove the waste, and if not accomplished in that time, the matter referred to legal counsel for nuisance abatement suit. Motion carried.

Rahe then discussed a letter sent from Santosh Disposal Inc. to Department of Environmental Quality, relating to dike construction for the Santosh Landfill proposing construction standards. Rahe submitted his recommendations with regard to the dike requirements, which included a recommendation of a 2:1 dike slope and a 3-foot top width, as opposed to the 1.5:1 side slope and two to three foot top width as proposed. The board indicated its concurrence with Rahe's recommendation to increase the slope ratio.

John DeFrance met with the board to present a copy of a grant application for Columbia County Burglary Prevention and Education, under the provisions of Part C of Title I of the Omnibus Crime Control and Safe Streets Act of 1968, and requested the board to write a letter of intent that it would

THURSDAY, JULY 18, 1974 5

Nelson was advised that as a result of a discussion with Vagt, it was their intent to request a special meeting of the civil service Commission which would be on August 6, and that they would take no action whatever until after that meeting. The board also indicated to Nelson that subsequent to the meeting, all action taken by the board would be retroactive to July 1st, therefore, if Mrs. Brooks were to receive any salary range adjustment, it would be effective July 1. It was noted that this would not present any problems with regard to quarterly reports necessary for the accounting department.

Nelson again requested the board not to wait for the August 6 meeting, but to act immediately on the Chief Elections Deputy position, basing his request on a letter from Robert Lucas, district attorney, in which he expressed the opinion that recommendations of the Civil Service Commission with regard to salary, be followed explicitly, regardless of the fact that ORS provides the board of Commissioners with the power of establishing salaries.

Nelson was told by the board that no further action would be taken, nor any adjustments whatever made, until after the scheduled Civil Service Commission meeting on August 6.

Phil Dewey, surveyor, met with the board to inquire about the transfer of duties from district attorney to county legal counsel, as outlined in a letter directed to him by Robert Lucas. He questioned who would be handling pending matters, and was told that Lucas had stated he would complete pending matters himself, but all future matters would be
