## Church Slates Weekend Show

The Vernonia Evangelical Church is sponsoring two weekend showings of the outstanding motion picture "A Thief In The Night." Friday evening at 8:30 the film will be shown at the Legion Hall. Saturday evening a repeat showing is scheduled for 8:30 at the Evangelical Church.

"A Thief In The Night" is a mighty motion picture about Bible prophecy. It shows what can happen when Jesus Christ returns. This exciting story centers around Patty, an average girl caught up in living for the present, with little concern for the future. What happens when this thinking finally catches up with her provides an action-packed, unforgettable drama.

One does not merely view this film, he experiences it. Every thinking person will seriously consider its impact.

Each person in our community is warmly invited to experience "A Thief In The Night."

## Board of Commissioners

(Memorandum Minutes)

The Columbia County Board of Commissioners met in scheduled session July 17 with Chairman Fred Foshaug presiding, Commissioners Minkoff and Ahlborn, legal counsel John Hunnicutt, and secretary Gloria Salvey (deputy clerk) present.

Commissioner Minkoff moved and Commissioner Ahlborn seconded the minutes of the meeting of July 10 be approved. Motion carried.

Commissioner Minkoff moved and Commissioner Ahlborn seconded Orders No. 79-74 and No. 80-74 be signed, accepting deeds from John L. and Bernice E. Mickess, Robert W. and Patricia F. Pollard, Joseph B. and Doris E. Stevens, for street plugs in Scott Acres subdivision. Motion carried.

John Hunnicutt discussed a letter he has directed to the attorney for John McIntyre, regarding right of way acquisition for Ringier Road.

Messrs. Cameron and Skolcraft, of CH2M Company, presented a report of the Traffic Safety Grant regarding road and traffic conditions and patterns, and showed slides of some of the typical problem areas.

Sam Hollinger met with the board to discuss various road department matters. He questioned the amount of Revenue Sharing funds which were still available for road department use, not previously allocated. He also questioned the sums of available cash on hand in Road Districts 11, 18, and 20. Hollinger was advised that money would be received in November, when taxes were paid, and the amounts shown in the 1974-75 budget were estimates only, and not accurate amounts.

Hunnicutt reported a decision has been made by the Circuit Judge in the case of Starrett v. Columbia County, which found for plaintiff. He requested Hollinger to inspect the water problem to determine what corrective action could be taken.

Assessor Frank LeMont met with the board to discuss an invoice received from Computer Knowledge Corporation for services which he alleges were not requested, but rather were corrections of mistakes made by the computing firm originally. He was advised the invoice should not be paid until after a consultation could be arranged.

At the request of the board, Ron Eshelby met with them to discuss lack of acquisition of a building permit by the Fair Board for construction of a livestock barn, which had not approved. Eshelby also commented the other barns should be annually inspected to be sure the trusses remain firm.

Eshelby then discussed an increase in salary for himself, and was advised this was already accomplished through the labor agreement.

Commissioner Minkoff moved and Commissioner Ahlborn seconded to approve purchase order 3371, to Albina Fuel, for Coherex (dust emulsion) for \$2,211.82. Motion carried.

John Hunnicutt then discussed and reviewed briefly several matters which had been referred to him for action.

James Mason, District Judge, met with the Board to inquire whether the hospital facilities could be utilized for certain mental hearings because of problems encountered by having the hearings in the courtroom. It was suggested a meeting of Judge Mason, Judge Kalberer, Robert Brown, and the Board be set to discuss the matter to determine what conclusion could be reached.

Acting on behalf of the board, Chairman Foshaug signed contracts with the Mental Health Division for funding of the alcohol and drug specialist program.

Acting on behalf of the board, Chairman Foshaug signed contracts with the State of Oregon, Executive Department, for Comprehensive Planning Assistance Project.

After due consideration of CETA funds available to Columbia county, the board determined that while top priority for positions would be two deputy sheriffs, the apparent limitations excluded those, and would request one jailer position and one custodial worker 1 position, to be funded through CETA.

Commissioner Ahlborn moved and Commissioner Minkoff seconded Gloria Salvey be appointed as administrator of CETA funds for Columbia County. Motion carried.

Commissioner Ahlborn moved and Commissioner Minkoff seconded the monthly fee for disposal of dogs paid to R.G. Mickey be increased from \$75 to \$100.

Liquor license application was recommended for Leona V. Coghburn, who is purchasing the Ray-Mar Tavern.
