

Bride Chooses Yellow and Blue For Wedding Theme

In a double ring ceremony July 20, Deborah K. Pattison became the bride of Scott Davies son of Mr. and Mrs. Jim Davies, with the 1 p.m. services performed by Rev. Lyle Guenther of First Evangelical Church of Eugene; and Rev. Jack Carlson of the Vernonia Evangelical Church, in the Edgewood Evangelical Church.

The church was decorated in the bride's colors of blue and yellow with large bouquets of yellow gladioli, and blue and white carnations, and an arched candelabra behind the ministers. Blue and white bows trimmed each side of the church. Diana Bolobonoff performed a violin solo, "The Lord's Prayer" while Mr. and Mrs. Mark Purkey sang "My Friend and I," and Mrs. Diana Purkey sang "If That Isn't Love."

The bride, daughter of Mr. and Mrs. Walter E. Patterson, Sixes, Oregon, was given in marriage by her father and for her wed-

ding, chose a floor-length gown of white lace with a tiered skirt over a hoop. The gown featured a bodice styled with a high neckline and long lace sleeves. Her veil of illusion was also tiered and fell waist length. She carried a bouquet of yellow roses, blue and white carnations and baby's breath.

Matron of honor was Diana Purkey and bridesmaids were Julie Pattison, sister-in-law of the bride; Pam Lopez cousin of the bride; and Casey Havin. The attendants were attired in gowns of yellow dotted Swiss with long sleeves and high waist. The gowns were trimmed with ruffles along the bottom. They carried bouquets of yellow roses, blue and white carnations accented by ferns on white Bibles.

Flower girl was Bunny Pattison and ring bearer was Lynette Pattison. Both are sisters of the bride. They wore long blue gingham dresses with long sleeves and ruffled hemline.

Best man was Mark Purkey while Craig Davies, brother of the groom; Bill Lemons, and Albert Brauer served as ushers.

Following the rites a reception was given in the church hall with approximately 150 guests attending. The couple then left on a wedding trip to Cannon Beach.

Mr. and Mrs. Scott Davies are now at home in Vernonia.

The former Miss Pattison is a graduate of Northwest Christian College. Her husband attended the Univ. of Ore. and is presently serving in the U.S. Army.

Annual Sheep Sale Slated September 26

The annual sale of breeding sheep of the United States Sheep Experiment Station and Western Sheep Breeding Laboratory, in cooperation with the University of Idaho, will be held on Thursday, September 26, 1974 at the Experiment Station headquarters about six miles north of Dubois, Idaho, indicates Extension Agent Don Coin Walrod.

Offered at public auction will be approximately 230 stud and range rams, 5000 yearling and mature ewes and 250 ewe lambs of the Columbia, Targhee and Rambouillet breeds. Also, Finn-sheep crossbreds will be offered.

Sale lists, which include the individual records of the rams being offered are available by contacting the U.S. Sheep Experiment Station, Dubois, Idaho telephone 374-5306 or 374-5307 (area code 208).

Board of Commissioners

(Memorandum Minutes)

The Columbia County Board of Commissioners met in scheduled session September 11 with Chairman Fred Foshaug presiding, Commissioners Minkoff and Ahlborn, legal counsel John F. Hunnicutt and board secretary Gloria Salvey (deputy clerk) present.

Commissioner Minkoff moved and Commissioner Ahlborn seconded the minutes of the meeting of September 4 be approved. Motion carried.

Miscellaneous claims were approved.

Walter Vale met with the Board to inquire about an assessment for street lights against property he owns in Garden View Estates subdivision. It appeared there was some question about the assessment, and John Hunnicutt indicated that if Vale would get some further facts to substantiate his claim that the assessment was improper, he would assist in getting the assessment removed.

Sheriff Tennant met with the board to present a request for extra help for the tax office during the rush period. The board agreed to check into the proposed salaries to be paid for extra help and advise him further if it were approved.

Hunnicutt presented to the board a copy of a letter he had submitted to the U.S. Department of Labor requesting written opinion on two questions raised with regard to the Fair Labor Standards Act Amendments of 1974 which might concern certain employees.

Hunnicutt presented for signature an Agreement with Donald L. Hart and Ray E. Stuck for removal of the old steel bridge on Burn Road, commonly known as the Mist Bridge. Commissioner Minkoff moved and Com-

missioner Ahlborn seconded the Agreement be signed and forwarded to the contractors for their signature. Motion carried.

Commissioner Minkoff moved and Commissioner Ahlborn seconded an Agreement be signed with Oregon Bridge Engineering Company, same being a retainer for that firm to do such engineering as may be required by the county, on a contractual basis. Motion carried.

Hunnicutt then discussed with the board the Fair Board meeting held on September 10 and the recommendation that if at all possible, funds be made available to the Fair Board for the required engineering services for inspection and approval of the buildings at the Fairgrounds. After discussion, it was determined the work could be done by Oregon Bridge Engineering Company and that necessary funds could be made available from Revenue Sharing Funds, under Public Safety, to accomplish the necessary work.

Hunnicutt also advised that at the present time, the Fair Board was in need of funds to pay outstanding bills, and that before the end of the fiscal year, could repay a loan from parimutual funds anticipated. The board agreed it would discuss the matter further with Mrs. Johnson to determine how much funding was needed, and would then make a loan to the Fair Board.

Ron Eshelby, building inspector, met with the board and Hunnicutt to report on the work that was done by High-C Construction Company to meet the requirements established for the new building at the Fairgrounds. Mr. Eshelby advised that only minimal repairs had been made which still did not meet the engineering standards, and he would still not give his approval.

Commissioner Foshaug discussed with Eshelby a complaint received from Fred Avant regarding requirements for a building permit, and requested Eshelby to contact Avant to clarify the matter.

Hunnicutt advised Sam Hollinger he needed a legal de-

scription prior to proceeding with an easement agreement with E.E. Gross for diversion of water across Gross' property.

Commissioner Minkoff moved and Commissioner Ahlborn seconded the following purchase orders be approved: 3517, Precision Engine Specialties, rebuilt motor, estimated \$800.; 3509, B&B Tires, for chains and cross links, \$1,099.14; 3510, Duddy's of California, tires and tubes, \$958.95; 2865, Oregon Culvert, pipe and bands, \$1,941.44; 3347, Chevron Asphalt, Bitumuls, \$39,862.16. Motion carried.

Commissioner Minkoff moved and Commissioner Ahlborn seconded Order No. 12 be signed directing the sale of certain mineral rights, as requested by Rainier School District No. 13. Motion carried.

M.E. Melick, Department of Transportation, right of way division, met with the board to discuss the necessary appraisals and easements for repair of the slides on the Scappoose-Vernonia Road and on Fern Hill Road. Hunnicutt was requested to investigate further and advise.

The board approved the appointment of Kenneth Smith, as Deputy Sheriff.

Commissioner Ahlborn moved and Commissioner Minkoff seconded the quotation received from Melvin Harper, Building, of \$12,635 for necessary painting, removal and replacement of gutters and downspouts, pointing of mortar joints, of the old courthouse building, be accepted. Motion carried.

Calligraphy Class

Portland Community College will be offering a calligraphy class, taught by Terry Towne, at the St. Helens Jr. High School this fall. The class, scheduled to start Tuesday October 1, will be a weekly session from 7 until 10 p.m. According to Towne, materials will cost new students about \$6 and reservations for the class can be made by calling him at 543-2658.

Sauvie Island Litter Down

While debates rage concerning the effectiveness of the Oregon Bottle Deposit Law in reducing the state's litter problem, there is at least one man who is convinced it has done a job for him.

Frank Newton, manager of the Oregon Wildlife Commission's Sauvie Island Management Area says the bottle and can litter problem in his bailiwick has been reduced by at least 60 percent since the law went into effect.

The 12,000-acre area only 10 miles from Portland provides more than 325,000 man-days of recreation a year, a lot of it by hunters and fishermen but at least 45 percent by picnickers, boaters, swimmers, sunbathers, and others pursuing nonwildlife related activities.

NEW ARRIVALS

The new arrival at the home of Mr. and Mrs. Stanley Wilkerson Jr. is Heather Renee, born September 12 at the St. Vincent Hospital in Portland. She weighed in at 8 pounds 4 ounces and has a brother Paul. Grandparents are Mr. and Mrs. S.H. Wilkerson of Tillamook and Mr. and Mrs. A.F. Weissenbuehler of Portland.

4-H Activities

The first meeting of the 4-H Grease Monkeys will be held Monday, September 23 at 7:30 p.m. in the home of Henry Turner. Members are requested to bring work books.

Senior Citizen News - - -

Instead of potluck Friday September 20, a trip is planned for Mt. Hood and back through Hood River.

The van will leave Sr. Citizens Center at 9 a.m. Every one is asked to take a sack lunch and thermos of coffee. The van will stop for a hot lunch on the way home. Hope everyone has a pleasant day, and please try and call if you wish to go along.

Another load of papers were taken to Portland today. Our members really work hard at rolling to make up the loads to be delivered. Thanks folks for bringing papers and recycling items to the center.

Some of our men folks are busy with cone picking and hunting season will be here before we know it, so many are planning hunting trips.

Transportation trips were filled last week and many scheduled ahead.

Lots of school clothes, such as shoes, warm sweaters and slacks have been donated so come in and browse through our flea market.

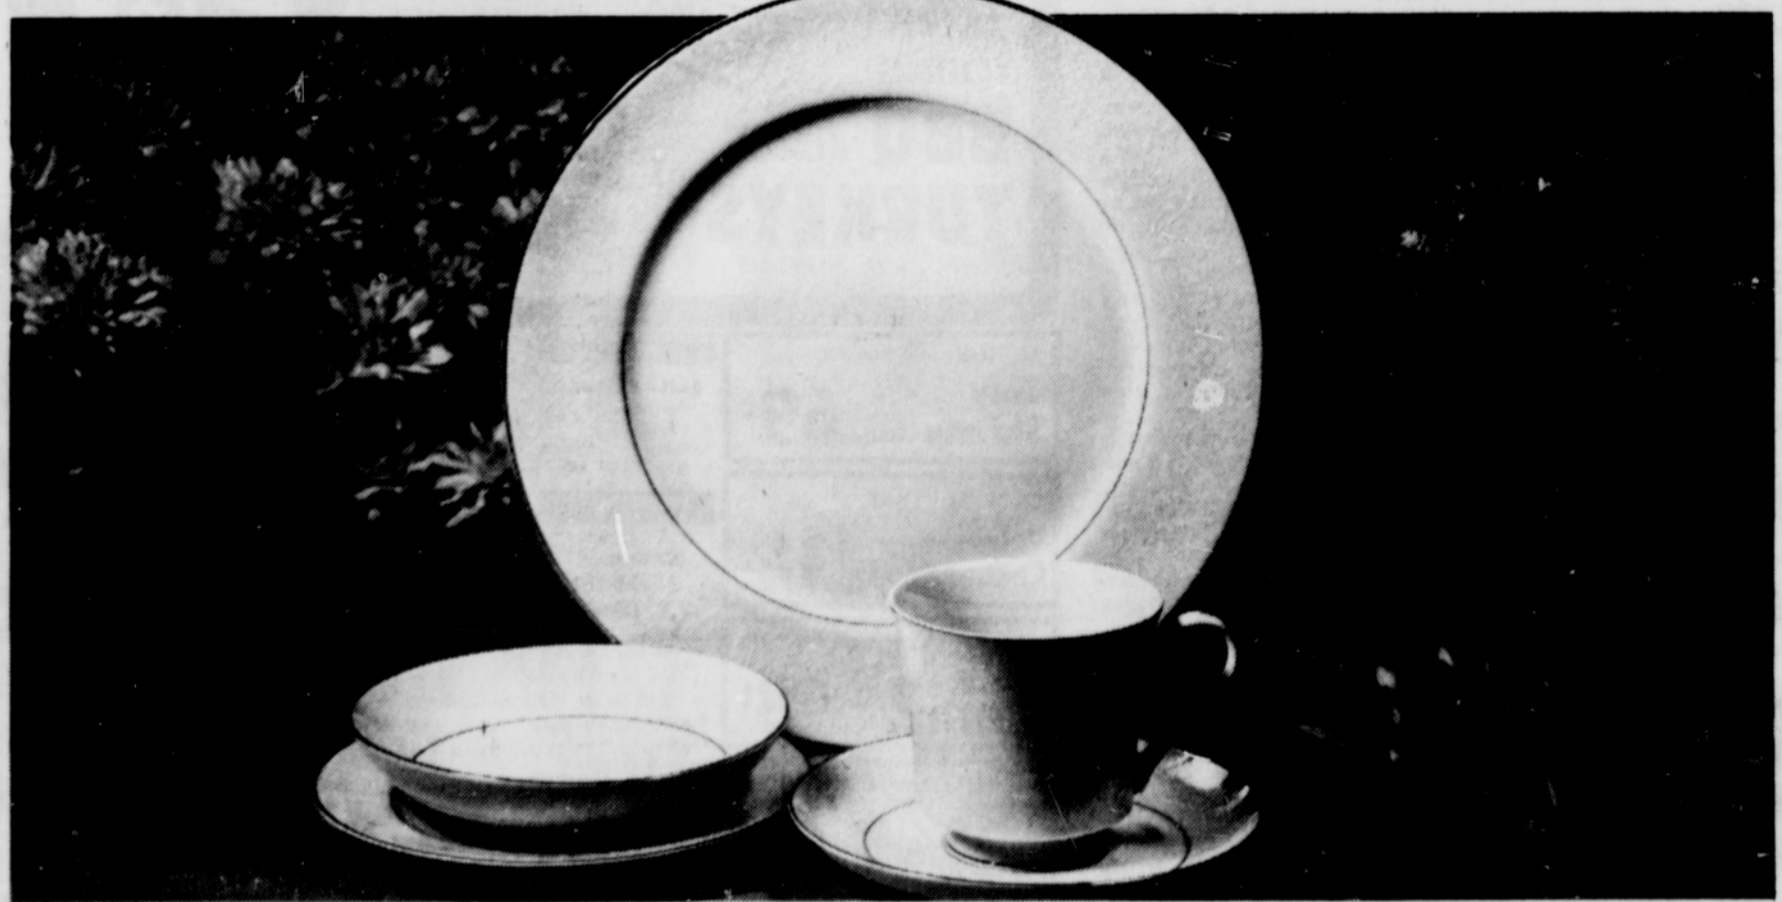

Our next business meeting and potluck will be held at the Center on Friday October the 4th. All are welcome to attend.
