**COACH'S CORNER**  
by MELVIN NICE  
Football Coach

"The game against Salem Academy?" said coach Melvin Nice. "How did I feel? Well," he paused, "I remember one summer when I was 17 and working on a farm. There was a cute girl also working there and I wanted to ask her for a date but my shyness kept me from asking until after many weeks I finally found my nerve, and to my surprise she accepted. All that week I was excited and worried about my clothes; my car; money etc. But finally Friday evening arrived, my clothes cleaned and pressed; my car waxed and vacuumed. I even bought a perfumed skunk to put inside. I was sure I had left nothing to chance for a perfect evening.

"At last it was time to go and full of anticipation, I arrived at her house, all the while rehearsing what I would say. I rang the doorbell and her father answered me that she was sick and wouldn't be able to go out after all. Last Friday night I was also disappointed."

Nice went on to say, "I know the Vernonia Loggers are a much better team than the 22-0 score would indicate. The statistics also back my reasoning," he continued. "We had 11 first downs to Salem Academy's ten. We had 270 yards offense and they had only 242 yards and we had only three plays that lost yardage while they had eight. Vernonia never had to punt while Salem punted three times but although we averaged 3.6 yards per rush to their 3.1 yards, we lost."

After a moment Nice said, "Nearly every statistic was in our favor except the one that counts—the score. The 22-0 score would convey that it was a rout but the statistics tell a different story, one of a much closer game. Six fumbles added much to our undoing and so did a couple of dropped passes that would have been touchdowns."

The head mentor added, "Even though the score was bad I am not disappointed to the degree that I think I overrated the Loggers. I saw good material with a few first game mistakes. It was Salem Academy's second game and that added to the difference."

Friday night Vernonia Loggers will meet Scio on the Scio home field. According to Nice, Scio played McKenzie last week and lost 51-19. "They have been a strong team the past two years and they have a quarterback that is six-foot three inches tall and weighs about 250 pounds," Nice said. "He also happens to be the state discus champion in track and field. In my scouting report, Scio was listed as somewhat slow on team speed with only average size. McKenzie was able to run wide at will. I know they will make some changes but we hope to run wide too."

This week in practice the team will be practicing the sweep 15 minutes each night on the sled and working on their total passing game. They will also make some changes in the defensive set.

"We plan to start with a 5-3 against Scio and I feel with our lack of big defensive linemen and adequate supply of secondary men, this defense will meet our needs better," said the coach.

Nice singled out Kris Crowston for outstanding offensive player of the week with Brad Bellingham named for outstanding defensive player.

"Our hardest hit of the week was between Brian Traylor and Brad Bellingham," the grid coach said. "I was unable to determine a winner so congratulations to both of them."

## Vernonia Harriers Take First Invitational

The Vernonia Cross Country team started off in the right direction this season by winning the first invitational in school history last Saturday September 14 at Monroe.

Twelve of the top 15 teams from last year showed up at the invitational to run the long course which took its toll on a number of runners. It was the Vernonia Cross Country team that went to the invitational with a bitter taste of defeat from the State Cross Country Championships of a year ago. What was well in their minds was revenge and how sweet it is.

It was VHS winning going away in both JV and varsity races with no one coming close. The varsity won by 24 points over Pacific, the team that took second place at state last year. Pat Curl beat Bill Sharp, the Pacific runner who beat him by 15 seconds at the State Track Championships last spring. Pat beat Sharp by 36 seconds taking first place with a time of 15:54 out of a field of 60 runners. Jeff Curl came in fourth place with a time of 17:33 followed by John Rhoody who came in eighth place with a time of 18:27.

Jeff and John have started the season off real good and should be in the top ranks come the state championships. Dale Webb and Dave Clason are the most improved runners on the team this year.

Dale finished the race in 10th place with a time of 18:37 and Dave got 16th place with a time of 19:14. Dale started the season off slow with a blistered heel and in just one week he has gone from ninth man on the team to fourth man and still improving. Dave started the season about 1 1/2 weeks late and has moved from 11th man to 5th man on the team.

Stuart Munroe and Brian Wilson finished out the varsity team getting 18th and 21st respectively. Stuart's time was 19:19 and Brian's time was 19:36. The final score was Vernonia 39, Pacific 63, Monroe 86, Salem Academy 126, Lowell 131, Port Christ 163, North Douglas 197, Waldport 226, Harrisburg, Silex, Crow and Eddville had incomplete teams.

The JV race was the most exciting race of the day with the Vernonians completely demolishing the other teams. Lane Daughtery, Bob Rhoades, and D.J. Cole were the first three runners in making it a very fine showing. Lane won the race with a time of 19:19 after he passed Bob with a quarter of a mile to go. Bob ran a strong race but the heat caught up with him a quarter mile too soon when he became exhausted. Bob also is improving very rapidly and should be tough competition throughout the year.

D.J. Cole, who is in his first year of running since 8th grade, is doing quite well. D.J. finished third in the JV race with a time of 19:56. George O'Neil was the big surprise of the day as he walked away with a fifth place ribbon. George ran the course in a time of 20:42. Roy Robertson, Brad Gardner, and Gaylan Weigand were the last three runners on the team as they finished 7th, 9th and 12th respectively. All three of these runners are doing quite well and are improving. Vernonia was the only JV team that was complete.

Ann Munroe the first girl cross country runner in school's history finished 11th out of 20 girls.

**Open Registration Scheduled At PCC**  
Open registration at Portland Community College will take place from September 23 through October 4, in the College Center Mall at Sylvania and in the Auditorium at Cascade. Students may register for credit classes to be held at any PCC center at either of these locations.

Registration hours on Monday through Thursday of both weeks will be from 9 a.m. to 5 p.m. and from 6 to 8 p.m. On Fridays the hours are from 9 a.m. to 4 p.m.

Advisors and counselors will be on hand to aid students in class selection and to answer questions concerning procedures. Students requiring career counseling or financial aid should call 244-6111.
