

# Only U.S. Bank has the Only Account.

## Only the Only Account gives you all this for only \$3.00 a month.

Now you can have almost all your banking services wrapped up into one account: The Only Account. You receive every banking service you're likely to need for only \$3.00 a month. And no minimum balance is required.

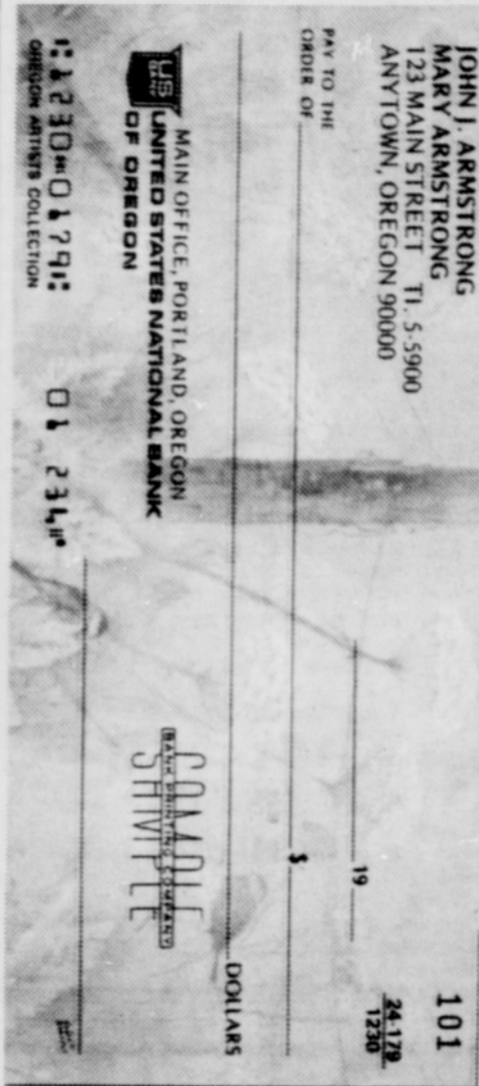

## A check cashing identification card.

Your Only Account card identifies you as a preferred customer of U.S. Bank. Simply present this card at any one of our branches. And we'll cash your checks up to \$100.00. Checks in excess of this amount may require a quick verification for your own protection.

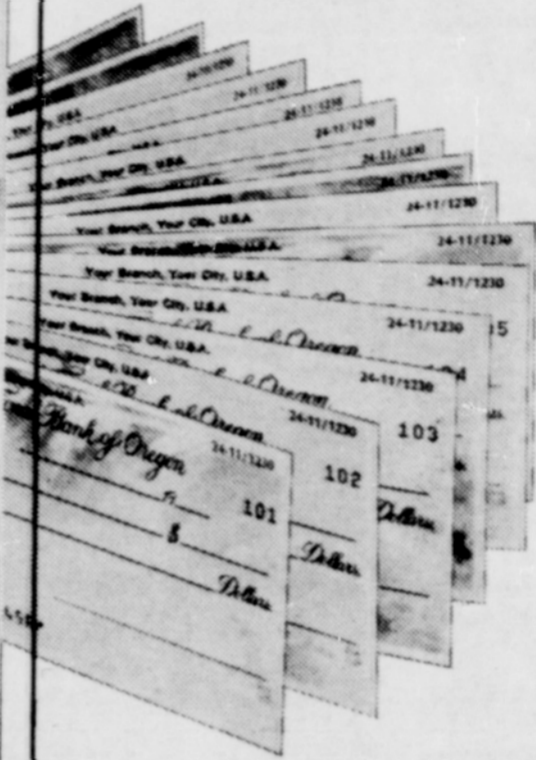

## Free personalized checks.

Choose from any of our "Oregon Artists" series. And we'll send them to you free of charge, imprinted with your name, address and phone number.

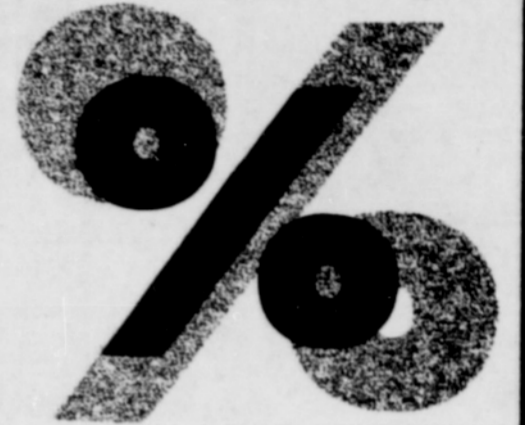

## Unlimited check writing with no service charge and no minimum balance required.

With your Only Account, you can write as many checks as you like as long as your balance covers the checks that you write. The single monthly fee of \$3.00, which is automatically charged to your checking account, covers all your check writing needs. There are no additional service charges.

## Reduced rates on personal loans.

When you qualify for a personal loan of \$500.00 or more, as an Only Account customer you'll receive specially reduced interest rates.

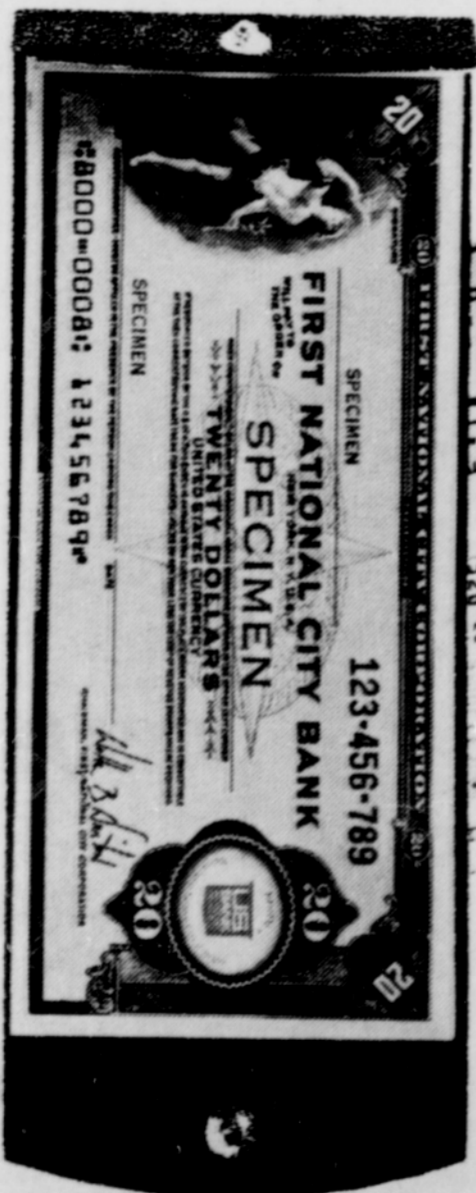

## A free safe deposit box.

You can have a safe deposit box (up to \$6.00 size) reserved for you at your U.S. Bank branch. Or, you can apply the \$6.00 credit toward a larger size. (Availabilities may vary from branch to branch.)

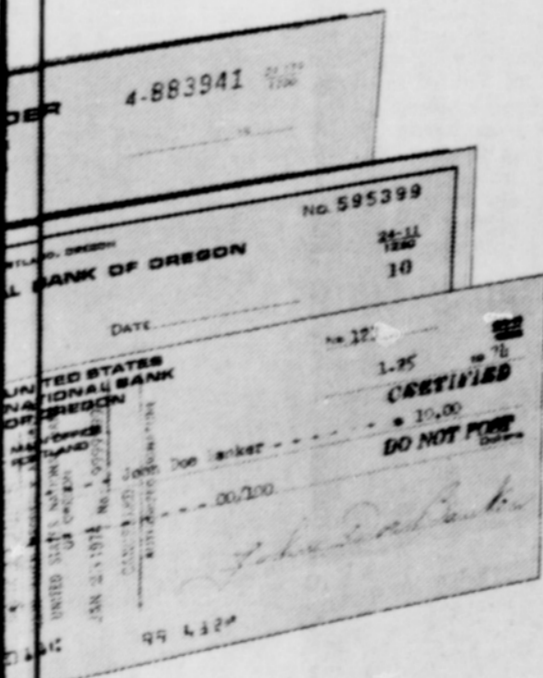

## Free traveler's checks.

Just present your Only Account card at any U.S. Bank branch and we'll convert your cash into traveler's checks without charging you a service fee.

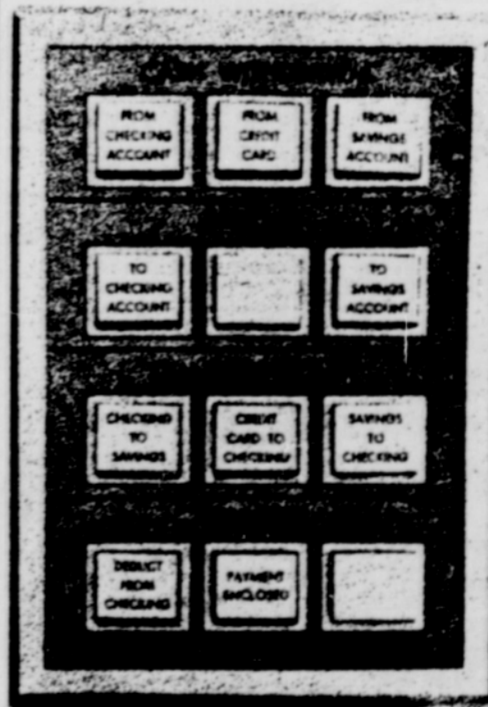

## Free certified checks, cashier's checks and personal money orders.

You can guarantee payment from U.S. Bank with free certified checks drawn on your own account or you can guarantee payment with free cashier's checks. And free personal money orders are also available.

## 24-hour banking.

You can bank 24 hours a day, 7 days a week at 30 U-Banks\* around Oregon with your Only Account identification card.

## A monthly statement of your banking activities.

You automatically get our Money Master service with your Only Account. It combines your checking, savings, BankAmericard®, and installment loans into one monthly statement.

## Check overdraft protection, if you'd like.

With your Only Account, you can apply for our Automatic Cash Transfer. Once you're approved, we'll automatically advance funds from your BankAmericard® account up to your approved credit limit when you need to write a check for more than the balance in your account.

And remember, you can also use a BankAmericard to charge everything from appliances to airline tickets. And you can get immediate cash advances from participating banks all over the country.

So if you don't have a BankAmericard, simply ask for it when you apply for your Only Account. Applications are available from our personal service representative at any U.S. Bank branch.
