The Owyhee Theater, a new institution, is forging to the front with a rapid stride and proving to be a very popular place of amusement and where a large number of citizens and ranchers spend two or three nights a week. The music furnished there is of the best and the musical ear is satisfied as well as the eye. It is a treat to spend a few hours a week in a place of this sort and where the cares and worries of the day are forgotten.

picnic at W. L. Gibson's last Friday night given by the Epworth League. The party was conveyed to the scene of enjoyment in hay racks. This jolly bunch arrived about eight o'clock and took possession of the place at once and invaded every nook on the place and made sure that everyone was having a good time. Games of all sorts were played until it became too dark to play any longer, when some very delicious ice cream, raspberry, and cakes of all kinds was served to the eager and waiting crowd. This was the first picnic of the season but we will certainly say that the parties getting up the next 'will have to go some' to equal it.

These are only an example of what the people are equal to and festivals of this sort is what has given Nyssa her reputation as the town to come to for good clean fun and enjoyment.
