**DO YOU OWN A FARM
Or Other Property Around Nyssa**

If you do, we can help each other, as there is nothing like a good strong bank to build up a community; and there is nothing like a good community of depositors to build up a strong bank.

The keyword is co-operation, we help; you help us. If Nyssa grows and makes a city, you get the benefit in the increased value of your property. If you support Nyssa, do your trading there and deposit your money in the Nyssa banks where it can be used to build up the different enterprises here, than Nyssa will grow and make a city.

If you had a pig in a pin and you would send all your pig feed to Ontario and Vale to fatten their pigs and did not give any to your own, you wouldn't expect your pig to grow and make money for you would you?

You have a bank in Nyssa and if you send all your money to Ontario and Vale to build those towns, you can not expect your bank in Nyssa to grow and make money for you by building up your town can you?

Think it over and deposit your money in The Bank Of Nyssa and get the benefit yourself.
