

The Quickest Way to Become Wealthy

Is to Buy Real Estate in a Growing Western Town.

MONEY

INVESTED IN NYSSA REAL ESTATE, under present conditions, will show better returns in a shorter period of time than at any other point in the West. The volume of business transacted at this point has more than doubled within the past 90 days.

The

Reason

Money

GROWS

IN NYSSA PROPERTY, faster than elsewhere, is a simple matter of cause and effect.

Where money is being spent in large volume, times are good, money easy and property advances in value in proportion to the amount of money spent, and the number of people there is to handle it.

IN

NYSSA, there is a population of only 600, yet in this immediate vicinity there is being expended upon various construction enterprises, more than a Million Dollars, the greater part of which being expended for labor. Work is starting now on our Thirty Thousand Dollar Bridge across Snake river at the east end of Main street; work is starting now on the \$80,000 pumping plant for the Kingman lands; work will start soon on the Shoestring canal and pumping plant costing \$200,000. The rails are being laid on the Nyssa-Buhl extension of the Short Line, the labor bill on which is \$650,000 for grading the first 31 miles out of Nyssa. For quickest returns on Real Estate and City Property Investments, there is no place better than—
