

Ghost of White Lady Grows at Opera House

"The Ghost of the White Lady" as projected at the opera house Thursday evening, was one of the cleanest, lifelike pictures ever shown in Nyssa. It is a Great Northern four part subject, still in delightful comedy.

A young man who is in love, the comfort-loving father, his arrogant sister who dominates the poor man's existence and proposes to attend to his love affairs of her nephew according to her own plans, the lady of her choice, and a few minor but necessary characters, in the Great Northern's escape for one of the most delightful, romantic comedies it has been our lot to observe on the screen in many a day.

The part of Lady Vane is played with infinite charm by Miss Rita Sackett. In her we see the successful, boyish young lady of our own times, ready for any prank that will furnish wholesome amusement for her friends. She plainly puts her whole heart in her play and her portrayal becomes a living thing, pulsating with the real blood of youth.

The scenes and settings throughout are above criticism and the excellent photography puts the finishing touches upon a work of cinematographic art.

The feature for next Thursday is "The Burning Train," a spectacular and intensely interesting drama in four big parts. These pictures are beautiful high-class works of art and should receive the patronage and encouragement of all lovers of this class of entertainment.

Mr. Blodgett has booked the following features for future Saturday night shows: "Paul J. Casey's African Hunt," a natural wild animal picture taken in the jungles of Africa; "Soldier's of Fortune," with Dustin Farnum in the leading role, a reproduction of this successful drama produced upon the stage for several years in the leading cities in this and other countries in its early; "Paid in Full," a five part motion presentation with members of the original Broadway cast and Tully Marshall.

Business at Cheese Factory Increasing

Manager Smith of the cheese factory submits the following report of the business done for the month of April:

Pounds of milk received, 148,000.

Pounds of butter fat, 5900.

Pounds of cheese manufactured, 15,500.

This report shows about a 50 per cent increase in the amount of milk received over the month of March, and the increase for May over April promises to be equally heavy. On Wednesday, May 6, 9900 pounds of milk were received, which would bring the total amount for the month to considerably over 200,000 pounds.

Arrangements are rapidly being made for the new factory building and it is thought work will commence in a few days. A building site 210 feet long and 75 feet wide has been donated to the company.

New Business House Soon to Open in Nyssa

The Misses Blodgett have opened an ice cream parlor and confectionery store in the Pounds building recently vacated by the Nyssa Meat Market and are now prepared to serve their many friends with all kinds of ices and sweets. They will do business under the name of the Nyssa Confectionery and invite the public to call and give them a trial in another column. They are installing a soda fountain today and expect to be ready for business next Saturday afternoon.

Happily Surprised.

George Halley went to Boise and Glenn's Ferry last week. Near the latter town he owns 43 acres of land, which has been in his possession the past 23 years, and which he had almost forgotten about. Having a chance to sell it, he concluded it would be good business to look at the property and see if it is worth anything. He found the land to be all under ditches and that adjoining land owners had much of it in cultivation. Mr. Halley decided to keep the property and will improve it.

Returned From Hospital.

Wm. Van Laar, who was seriously hurt New Year's morning while working on the railroad bridge, has returned to Nyssa and will resume his duties Monday. Mr. Van Laar suffered a broken leg and and was otherwise injured. He spent two months in a hospital at Salt Lake, later taking a trip to Omaha. Recently he has been visiting his daughter at Glenn's Ferry.

Death Claims Victim.

William Balderston, register of the United States Land office at Boise, succumbed to an attack of heart disease Tuesday evening at his home in that city. The fatal attack came suddenly, as Mr. Balderston was apparently in his usual health, having attended to his duties at the land office during the day. He was stricken shortly after quitting work and died within a short time.

Will Box at Boise.

Brownie Martin, the former Frisco lightweight, now of Nyssa, will box Jock Gans' six rounds at Boise Friday of this week. Gans is more experienced than the local boxer, but Martin thinks he will stay six rounds without any trouble. Martin is tough and has confidence in himself, which means a great deal in the boxing game.

REPUBLICAN VOTERS

SHOULD BEWARE

Party Should Be Represented on National Committee by a Republican

The Republicans of Oregon are entitled to have a Republican named on the National Republican Committee from this State. C. W. Ackerson, who claims to be a Republican, is a candidate. He registered as a Progressive January 8, 1904. Then signed petition of H. W. Cox to be Progressive National Committeeman. Then cancelled his registration as a Progressive and registered as a Republican and immediately filed his candidacy for membership on Republican National Committee. Has been an intimate and convenient understudy of the Progressive National Committeeman and seems now to be in combination with him in an attempt to strangle the Republican organization. His candidacy is being actively backed by parties hostile to the Republican party and having personal interests and private personal grudges to serve. His erratic and exorbitant temperament has frequently led him to flood the columns of the press with violent attacks upon the Republican party and vicious personal abuse of prominent Republicans and leading residents of the State.

It is a grave abuse for parties who are not Republican to register as such. It is a grave abuse for candidates to attempt the capture of a political party to gratify a personal grudge and to promote party discord. It is an abuse against which far-sighted men of all parties will rise in protest. We can never have a reunited party by pushing to the front political horseheads and men who are political reformers simply for the sake of office. Having been a Republican only twenty-four hours when he announced his candidacy for the highest honorary position in the gift of the party, is some indication of what Mr. Ackerson's motive was in registering as a Republican. As Hon. Ralph E. Williams is the only Republican who is a candidate for Republican National Committeeman, we feel warranted in urging all loyal Republicans in the state to give him their earnest and enthusiastic support.

Lewis Orrell moved his barber shop this week to the west room of the new LaFrenz building. The room was constructed according to Mr. Orrell's ideas of what a barber shop should be and is modern and sanitary in every way, with equipment second to no shop in the Snake valley. With a fine bath room and a presary in connection Mr. Orrell is prepared to do business to beat the band.

Return From Jordan Valley

R. H. McNee, Nyssa's candidate for sheriff, and Win Brown returned Saturday from a four days' trip to Jordan Valley and way points. The hospitable people of that thriving and cultured inland city showed them the time of their lives and "Hank's" prospects for securing the big end of the republican vote there are flattering. Mr. McNee is now in the west end of the county.
