School Meeting.
The annual school meeting for the Nyssa district was held at the high school building Monday afternoon. D. R. Ehrgood was elected director to succeed C. C. Hunt, whose term had expired. H. R. Sherwood was elected to succeed himself as clerk.

The directors asked for a general discussion by taxpayers present regarding the installation of a new heating plant for the school building. Upon a rising vote it was decided not to do so, only three of those present rising to the occasion.

The directors were instructed to get the opinion of a competent engineer regarding a ventilating system for the school.

It was decided to charge tuition in the future for children attending school who live outside the district. The directors were allowed the right to exempt such cases as in their opinion a proper reason could be shown for not paying.

The following additional committees have been appointed for the big 4th of July celebration:
Reception—E. J. Burrough, J. Boydell, C. H. Davison, R. J. Davis, Dance—Harry Goshert, W. W. Smith, Harry Sharp.
