A Brief Resume of the Daily Events in a Live Town
What Your Neighbors Are Doing.

Willard Davison and wife were Payette visitors Monday.

Miss Lucy Thompson and Miss Anna McDonald visited in Payette Monday.

Miss Lucy Thompson has been notified of her appointment to teach the Owyhee school this coming term.

The best Overalls, Work Shoes and Work Shirts you will always find at Spier's Man and Boys' Store.—Adv.

T. N. Nelson formerly with the Bank of Nyssa, now connected with the Cash Bazaar of Boise, is visiting with Cashier Frank Hall and wife for a few days this week. Both Mr. Nelson and Mr. Hall lived at Silver City during the past.

C. C. Hunt of Nyssa, one of the directors of the Malheur County fair, was in Ontario last evening attending a meeting of the fair board.—Democrat.

Work has been held up on the railroad bridge by the breaking of a cotterdam. Early Friday the river broke through the temporary structure flooding the works. It will take several days to mend and pump out the broken dam.

All kinds of sewing by the day or garment. Charges reasonable. Dressmaking a specialty.—Mrs. H. R. Morris, Nyssa, Phone 62F10.

T. O. Humphreys, D. D. S., drove over from Parma Thursday to learn what the needs of the community might be in the line of dental work. Through the columns of the Journal he invites the patronage of Nyssa people, have already been patients of Dr. Humphreys and they all recommend his work highly.

Those new Fall Suits for men at \$9.50, \$12.50 and \$15 at L. Spier's will save you time and money. They have just arrived.—Adv.

The Owyhee Star route will be discontinued September first according to advises received from Washington. It was a source of considerable surprise that this route was maintained at all after the regular route had been established. It is the belief of many this was due to some mixup at headquarters relative to this section. Mr. Galama who has been carrying the star route has been an efficient worker, and everyone regrets his losing the position.

The big furniture stock of the J. H. Farley store at Ontario is to be sold out at public auction Saturday afternoon and evening, August 29.—Adv.

The wedding last Monday at Vale of Mr. Geo. Glascock and Miss Annie Robertson both of Owyhee, came as a complete surprise to their many friends. When it was learned they had slipped quietly away without word nor warning, the young people of the vicinity made up a charivari party, and serenaded the couple at Mr. Glascock's home, where they will take up their future residence.

All furniture to be sold at public auction Saturday afternoon and evening. J. H. Farley, furniture. Ontario, Or.—Adv.

A meeting of the State Live Stock Sanitary Board will be held at Ontario September 9th, having been called by President Cleveland of Gresham, Oregon, is the announcement sent out by State Veterinarian W. H. Lytle who is also secretary of the Board. This will provide an opportunity for local dairy and stockmen to learn many points, in sanitary methods as applied to stock raising.

Earl B. Nedry of Newport, Ore., has been selected to teach the seventh and eighth grades of the Nyssa school. Mr. Nedry arrived this week preparatory to school opening. He is highly recommended as a good teacher and earnest worker. Professor Davis is largely responsible for his selection, he having taught in the same school at Newport with Mr. Nedry where he was in a position to observe results. Mr. Davis states Mr. Nedry last year passed all his pupils with good grades.

BEAUTY SPOT IN BUSINESS DISTRICT

There is a little touch of nature in the heart of Nyssa, in a spot most unexpected. It is the back yard of one of the principal business establishments. Through the store and out the back door, where one expects to find the usual array of boxes, drygoods cases and littered refuse, thrown hurriedly from a busy establishment, it is something of a shock, only a pleasant one, to discover a little paradise. A high fence screens the yard from the vulgar gaze on two sides and an adjoining building creates a wall on the third. Here, in back of Spier's clothing store, every inch of the ground is grown to close-cut green lawn. Sweet peas in profusion climb the fence and fill the air with their sweet perfume. Two or three trees are growing healthily, that will later make excellent shade. A hammock swinging beneath some vines gives just the proper touch of restfulness and ease to this cozy bower. The satisfaction and comfort that Mr. and Mrs. Spier and the children get from their little retreat has more than paid them for the trouble of creating it.

J. H. Farley's furniture stock is to be sold at public auction in Ontario Saturday afternoon and evening.—Adv.
