THE OTHER SIDE

Portland, Or., Oct. 2, 1914.
Abigail Scott Duniway, President
Taxpayers and Wage Earners
League, P. O. Box 930, Port-
land, Oregon.

Madam:
In a paid advertisement in the
Oregonian of this morning, signed
by your organization, Lincoln's
picture is featured and he is
quoted as saying:

"Prohibition will work great in-
jury to the cause of temperance.
It is a species of intemperance
within itself, for it goes beyond
the bounds of reason in that it
attempts to control a man's appe-
tite by legislation, and in making
crimes out of things that are not
crimes.

"A prohibition law strikes a
blow at the very principles on
which our government was found-
ed. I have always been found
laboring to protect the weaker
classes from the stronger, and I
never can give my consent to
such a law as you propose to en-
act.

"Until my tongue shall be si-
lenced in death I will continue to
fight for the rights of man."

The above utterance is a pure
fabrication and a forgery. Abra-
ham Lincoln never made such a
statement, or anything similar to
it.

I will give one hundred dollars
in gold to any charity that you
may name, provided you will fur-
nish proof of the genuineness of
the above alleged utterance from
Lincoln that will satisfy the li-
brarian of any reputable library
in Portland of its genuineness as
an historical fact.

I now call upon you to produce
this proof and get this money, or
publicly acknowledge that you
have been made the victim of a
literary forgery by unscrupulous
plotters.

I invite your attention to the
fact your "League" of one mem-
ber is posting bills all over Port-
land representing Theodore Roose-
velt as being against the dry
statewide policy, when, within a
week, Mr. Roosevelt made a cam-
paign speech at Toledo, Ohio,
emphatically espousing the cause
of statewide prohibition in that
state, and denouncing the brewers,
your allies and backers, for their
efforts to defeat woman's suffrage.

I invite your attention to the
fact that your alleged "League"
of one member is placard-
ing the bill boards of Por-
tland, representing President W-
son as being against the
statewide policy when, in a le-
to E. W. Grogan of Byers, Te:
Mr. Wilson specifically recom-
mended statewide prohibition
the states that were ready
that step.

I invite your attention to
fact that your alleged "Leag-
of one member is placarding
bill boards of Portland with li-
ous statements against our ne-
bor, Oregon City, falsely re-
sented that city to be bank-
when the city officials themse-
declare that the city has pros-
ed under the dry policy as ne-
before.

I am addressing you in person
for the reason that, according to
the statement of Dr. Cora Tal-
bott, the retiring secretary of the
Taxpayers and Wage Earners
League, you are the only person
left in that organization, there
never having been but two mem-
bers.

I am addressing this letter to
you at the address given on your
official letter heads, "Box 930,
Portland, Oregon, which is also
the official address of A. M. Epp-
stein, the imported manager of
the eastern liquor corporations
conducting the liquor campaign
in this state against the dry
amendment initiated by the peo-
ple.

Respectfully,
(Signed) E. A. BAKER,
Superintendent of the Anti-Saloon
League of Oregon.
Local Committee of the Anti-
Saloon League. adv.

CORN COMMITTEE WORKING HARD

The Pomona Grange committee
who have the Corn Contest in
charge have decided to hold the
first Corn Carnival of Malheur
County in Ontario November 11
and 12.

The Ontario Commercial Club
are doing all they can to make
this carnival a success and when
it is known that E. B. Conklin
has charge of the entertainment
committee we know we will be en-
tertained and the Boulevard
Grange, with the assistance of
successful decorators of Ontario,
will make the hall "A thing of
beauty and a joy forever." The
real corn contest commenced last
spring and will close by the
awards made by a corn expert and
the measuring, gathering and
weighing will be in charge of the
Pomona Grange Corn Committee,
assisted by the Malheur county
farm director, Mr. G. R. Shinn.

For the benefit of those in this
contest will state that October 20
is the date set for commencing
measuring and weighing the corn
in contest in the Big Bend coun-
try and will continue until all is
finished in the county. Two
bushels of corn from each acre is
donated to the grange and will be
sold at the carnival on November
12 at 2 p. m. at auction. This will
be a splendid chance to get good
seed corn and help the cause.

Many supplementary premiums
are offered for the best ten ears
of both white and yellow corn
grown by boys or girls under 16
years of age, also for best single
ear of any color.

If sufficient tickets can be sold
a special train will start from
Adrian at 8:30 and leave Ontario
at 10 p. m. November 11, Wednes-
day.

A full list of extra premiums
will be furnished soon.
GRANGE COMMITTEE.
