He got within 19 miles of Atlanta and encountered 10 feet of snow and more falling and was compelled to turn back. He was not at all encouraged by reports coming from the camp of a scarcity of food. Klondike prices were said to prevail, \$1 being the lowest price charged for a meal. He warns the people to look out for high water if the weather should turn warm suddenly, as there is more snow in the mountains than ever known before at this time of year.

## Sunday School Class Enjoys Outing

Rev. T. P. Graham's Sunday school class and a few invited guests enjoyed an outing Wednesday afternoon at Mitchell butte. The trip was made in Will's auto truck, which was loaded to overflowing with a hilarious crowd of young people, also two autos were pressed into service to accommodate those who were unable to find space in Old Reliable, as the auto truck is familiarly known. The trip was made without mishap, although a little nervousness was manifested by the feminine portion of the party as the autos traveled along the Owyhee ditch bank with the ditch on one side and the Owyhee river on the other, with only a few inches of space to spare on either side of the auto.

## Arrived at their destination

The entire party organized an expedition to climb to the summit, towering some 2000 feet above their heads. A start was made and for a while all went merrily as a marriage bell, but but soon the exertion began to tell and small groups began to drop by the wayside and give up the struggle. Less than half of those who started succeeded in reaching the goal. Don Davis and Elsie Ray arrived first, making the distance in 55 minutes, while last—but not least—were Harry Brown and Crete Childers, who arrived back at the camp just in time to help partake of a bounteous repast which the other members of the party were enjoying. ## ANNUAL ALUMNI BANQUET HELD FRIDAY EVENING

### Was Most Enjoyable Affair and Marked Close Commencement Exercises—New Graduates Initiated and Officers Elected.

The annual banquet given by the high school alumni association was held Friday evening, May 19, in the Parish Hall. It was the close of a series of enjoyable social events incident to the high school commencement, and like the governors of the feast at the marriage in Cana, the managers of the commencement program had saved the best of the wine until the last and it was a most brilliant and happy event. A four-course dinner was served, covers being laid for seventy. The hall was beautifully decorated in blue and white, the colors of the class of 1916, with flowers and streamers.

## The program was opened

with invocation by Rev. T. P. Graham and the feasting and merriment began and joy was unconfined until the wee sma' hours. During the first course Miss Elsie Gibson of the class of 1912 and Miss Martha Overstreet of the class of 1914 gave a piano duet, followed by a piano solo by Miss Evelyn Cheeley. Bruce Duncan of the class of 1911, in a most eloquent and impassioned speech, delivered the address of welcome, contrasting in glowing terms our present magnificent school building with the humble frame structure which served as a school house when he first embarked upon the sea of learning.

## P. P. Brainard

superintendent of schools, followed with an address on the duties and opportunities of the alumni to promote the community welfare. Blaine Gibson, of the class of 1916, gave an affecting address on commencement day and the breaking of home ties. It was very pathetic and full of truth and caused moist eyes among his hearers. Rev. Harper followed with a short talk of encouragement to the school and alumni association, congratulating them upon maintaining such a live and effective organization. Miss Ethelwyn Boydell acted as toastmistress and introduced the speakers with appropriate and witty remarks.

## Before the banquet

the graduating class were escorted to the home of J. Boydell, where they were provided with dance caps with the numeral 16 on them and were then required to march in single file down Main street to the fountain corner, where they favored the assembled crowd with a few choice musical numbers. They were then taken to the school house and given the tree degrees that entitled them to membership in the alumni association, after which they were escorted to the banquet, which was given in their honor. Immediately after the banquet election of officers for the association took place, resulting as follows: Audrey Ward, class of '13, president; Lulu Megorden, class of '15, vice president; Anna McDonald, class of '14, Sec.-Treas.
