PAY YOUR INCOME TAX.

Somebody is going to tell on you if you do not pay your income tax. Congress has fixed it so that somebody must tell, whether he wants to or not. One section of the War Income Tax Law, exhaustively comprehensive in scope, requires every person, without exception, and every corporation, partnership, association, and insurance company, in whatever capacity acting, who paid \$800 or more to another person, corporation, partnership, association, or insurance company, as interest, rent, salaries, wages, premiums, annuities, compensation, remuneration, emoluments, or fixed or determinable gains, profits, and income, to report the name and address of the person, corporation, etc., to whom the payment was made, together with the amount of the payment, to the Commissioner of Internal Revenue at Washington, using a form prescribed for the purpose, Form 1099, now to be had from all collectors' offices. The forms must be filled out and returned on or before March 1, 1918, accompanied by Form 1096, which is a letter of transmittal and affidavit certifying the accuracy of form 1099.

AWARDED ACHIEVEMENT PIN.

Adelbert Ross of Shaniko, Wasco county, is the first member of Oregon's "Junior Rainbow" regiment, reported to Portland headquarters. The Junior Rainbow regiment is the organization launched by J. A. Churchill, state superintendent of schools, to become a member of which it is necessary for a boy or girl to be one of the first 1000 boys and girls in the state to sell \$50 worth of government's War Savings Stamps.

Adelbert sold his allotment in three days, and was awarded an achievement pin which he is entitled to wear for the duration of the war. A similar pin will be given to each member of the regiment.
