THE DEMON HUN AT THE DOOR!

(BY FRED T. HYSKELL.)

He is at the door "over there."

Do you want him at your door over here—to ravage, murder and take possession?

Uncle Sam---the boys on the firing line---the Spirit of American Liberty---stand between you and immediate danger.

What are you doing to help keep them there?

Will you fight in the trenches at close range, or fight at long range behind the lines by lending your money to Uncle Sam to hold up the hands of those who can actually wield a bayonet for you?

The issue is squarely before you. A choice between the two is necessary. Will you evade, dodge, wiggle and twist--or, will you assert your backbone and

STAND UP LIKE A MAN

How pitiable paltry dollars appear in the balance between American Freedom and German Bondage.

You are not asked to give. You are simply asked to

INVEST AT A GUARANTEED PROFIT

What if it does mean the insignificant sacrifice of giving up the glitter of a passing pleasure? Hundreds of thousands of others are voluntarily sacrificing their lives.

If you haven't the necessary cash for at least one little \$50 Liberty Bond (on easy payment), sign up anyway, take it to your bank and it will be accepted as security while you are making your payments.

Thus, it is easy. Thus, it costs you nothing, except the difference between the interest the bank charges you for loaning to you on the Bond and the interest your bond draws from Uncle Sam. This difference is a trifle so small, in fact, that the widow's mite covers it.

The fateful hour for you--for your country--the time to submit or conquer--is here.

No American has ever yet been conquered. No American ever will be conquered unless it is he who fails in this supreme hour to
