

3D. LIBERTY LOAN

ARE YOU BEHIND THE U.S. OR THE HUN

If you are standing idly by---If you are withholding your dollars from Uncle Sam, you are standing behind the Hun. If you are sacrificing something, if necessary, to invest in

LIBERTY BONDS

you are standing behind your boy over there who is handling the bayonet for you. If you want to share the victory there is but one place for you to stand---in the line of Liberty Bond Buyers. It is in line with every other true American through whose veins runs the same red blood that was shed for freedom in 1776 and 1865. Regarding the purchase of Liberty Bonds there should be no question for you to consider. You know what Uncle Sam is going to do with every cent of the money. You know the security is the best in the world. There is no chance of loss.

Do your duty fully and do it today

Any bank will help you make any necessary sacrifice easy for you. There is, therefore, no excuse for you not to
