FLIER IS MADE CHEVALIER

Guymer's Friend and Pupil Has
Seven Victories to His
Credit.

Paris.—Sous-Lieutenant Bozon-Verdun, recently made a chevalier of the Legion of Honor, following his seventh officially recorded aerial victory, was the intimate friend and pupil of Guymer.

He accompanied Guymer September 11, 1917, when the latter met his fate. His one thought since, it is asserted, has been to avenge the great ace. "One of the new chevalier's feats was to shoot down three planes in four hours. He was a cavalryman until transferred to the air service.

Journalistic Quaintness

"What's the matter with the city editor? Two members of the staff are holding him and he looks as if he were about to have a fit."

"It's the fault of that wealthy 'cub' reporter hired last week. The c. e. told him to cover a Red Cross meeting this afternoon and he said it would interfere with his game of golf."—Birmingham Age-Herald.

The trouble with a lady socialist's contention for the right of the last word is that she never gets through saying it.

An Eastern woman says that fat men make the best husbands. Somebody ought to get even by announcing that fat women make the best wives.

Poultry men are predicting an egg famine next winter when it is hardly time yet to spring the prediction about the ice famine next summer.
