Oregon Over the Top in W. S. S. Campaign

Final computation of figures for Oregon's war savings stamp campaign for 1918 shows that the state, as in all other patriotic drives, exceeded its allotted quota. Says the Portland Oregonian. Purchases throughout the state amounted to \$16,489,972.83. This is one-half of 1 per cent in excess of the state quota, according to figures given out at state headquarters.

The figures show further that 18 of the 36 counties of Oregon exceeded their quotas, with Clatsop county taking the lead, both in oversubscriptions and in obtaining its quota first.

Oregon's quota, as originally fixed by the treasury department, was \$17,253,740. This was a \$20 per capita, giving the state an estimated population of 862,687. Later readjustments brought the quota down to \$16,414,325.

Malheur county made the poorest showing of any, the stamps sold equaling only 43.5 per cent of the quota. The quota was \$236,200 and the amount of stamps sold was \$102,731.72.

SOUPS

Black bean soup, split pea soup, cream of bean or pea, puree of beans and tomatoes—you can have all of these and many others. They are delicious, in expensive, and easy to make. Many of them are so hearty that they can form the chief dish of a meal.

Soak and cook a pint of peas or beans as usual, but take more water, about 2 quarts, and cook until very soft. Then put them through a sieve. These mashed beans and peas are ready to be made into all kinds of soups by adding the various seasonings, water and milk, or stock enough to make 2 quarts. These soups should all have a little flour added to them as a binder to prevent the thick part from settling to the bottom. Mix thoroughly 2 tablespoonsful fat with 2 tablespoonsful flour, add a little of the hot soup, and stir until it is smooth, and add to the remaining soup, stirring to prevent lumping, and cook for about 10 minutes.

Black bean soup or split pea soup—To the pulp from 1 pint beans or peas, add enough water or stock to make 2 quarts. Thicken with flour as directed. Season with salt and pepper. The juice of a lemon and one half teaspoon mustard adds to the flavor.

Cream of bean or pea soup—To the cooked and mashed pulp add enough milk to make 2 quarts of soup. Season and thicken with flour.

Puree or porridge of beans and tomatoes—Instead of milk tomatoes may be used. Add a cup of canned tomatoes which have been cooked for 10 minutes and put through a sieve. If the porridge is too thick, add water or stock. Season and add the flour as directed.

Bean or pea soup with meat—The peas or beans are soaked as usual and cooked with the meat in four quarts of water instead of two. Use a soup or ham bone, or one half pound of salt pork or any smoked meat, and cook until the beans are soft. Remove the meat and put the soup through a sieve. Season and thicken. The cooked meat cut in small pieces may be added to the soup. An onion, several stalks of celery or soup herbs are good cooked with the soup.

STEWES

All the different varieties of peas and beans can be used with or without meat and with rice, vegetables, etc. See Leaflet No. 5 for more suggestions and recipes. Kidney bean stew is especially good.

BOSTON BAKED BEANS

This is such an old favorite that it needs no recommendation. Soak one quart beans and cook until tender, but not so soft that they will fall apart. If desired, one-fourth pound of salt pork may be cooked with them. When tender, add one-half teaspoon mustard, one tablespoon sugar or two tablespoons molasses, and one tablespoon salt. Bake in a covered dish for one and one-half hours, leaving them uncovered for the last 15 minutes.

Any of the other beans are good cooked this way and so are dried peas. Omit the molasses if peas are used. Either beans or peas can be boiled and baked in a fireless cooker.

INSTEAD OF MEAT-LOAF

2c cooked peas or beans, 1c cooked rice, 1c bread crumbs, 1 egg, 1T fat, 1t salt or 1t if the rice is unsalted, 1t paprika. Put the peas or beans through a sieve or grind in a meat grinder. Mix all the ingredients well. Form into a loaf and bake until brown. Or croquettes may be formed, rolled in bread crumbs and browned in the oven. Baste frequently with small amounts of liquid containing a tablespoon of fat to a cup of hot water.

SALADS

Cook the beans and peas as usual until just tender. Let them get thoroughly cold. Add a little minced onion, celery, green pepper, or the same amount of shredded cabbage as there is beans or peas. Season with salt and paprika, and mix with the salad dressing. Serve on lettuce. A tomato stuffed with the mixture makes a delicious salad.

NOTICE OF HEARING OF PETITION TO FORM DRAINAGE DISTRICT.

In the County Court of the State of Oregon for the County of Malheur.

NOTICE IS HEREBY GIVEN that hearing on the following petition will be held at the Court House in the City of Vale, County of Malheur, and State of Oregon, on the 10th day of March, 1919, beginning at the hour of 11 o'clock a. m. for the purpose of determining whether the prayer of said petition shall be granted.

All persons owning or claiming any interest in lands described in said petition are hereby notified to appear at said place on the said date, and show cause, if any there be, why the prayer of said petition should not be granted.

A. M. MOODY,
Clerk of the County Court.

County Court (SEAL) Malheur County, State of Oregon.

PETITION.
In the County Court of the State of Oregon, for Malheur County.

In the Matter of the Organization of the "Owyhee Drainage District" for Drainage of Lands Situated in Malheur County, State of Oregon.

We, the undersigned petitioners, being land owners of lands within the proposed drainage district and for the purpose of organizing the same, represent and make the following statement:

I. The name proposed for such drainage district shall be

"OWYHEE DRAINAGE DISTRICT."

II. The boundary lines of the district shall be as follows, to-wit:

Beginning at the NE corner of the NW 1/4 Section 19, Township 20 South, Range 47 East, Willamette Meridian, thence West along the North Line of Section 19, Township 20 South, Range 47 East and Section 24, Township 20 South, Range 46 East, to the West line of the Right-of-way of the Owyhee Ditch Company, thence in a Southwesterly direction along said West line of said Ditch to a point where it intersects the North and South center line of Section 33, Township 20 South, Range 46 East, thence South along said center line of Section 33 to the North bank of the Owyhee River, thence down stream along said North bank of the Owyhee River to a point where it intersects the East line of Section 35, Township 20 South, Range 46 East, thence North along the section line to the SW corner of the NW 1/4 of Section 25, Township 20 South, Range 46 East, thence East to the SE corner of the SW 1/4 of the NW 1/4 of said Section 25, thence North to the NE corner of the SW 1/4 of the NW 1/4 of said Section 25, thence East to the North bank of the Owyhee River, thence down stream along said North bank of the Owyhee River to its intersection with the East line of Township 20 South, Range 46 East, thence North along said Township line to the SW corner of the NW 1/4 of the NW 1/4, Section 19, Township 20 South, Range 47 East, thence East to a point in the North and South Center line of said Section 19, thence North to the point of beginning.

That the lands included within the said boundary lines aforementioned constitute a contiguous body of swamp, wet or overflowed lands, or irrigated lands the waters from which contribute to the swamp, wet or overflowed condition of said lands and other lands within the said boundary lines aforementioned.

III. That the total acreage included within said boundary lines of said proposed drainage district is two thousand six hundred acres, more or less, and is all situated within Malheur County, Oregon.

IV. That the names of the owners of the lands within the proposed boundary lines of the proposed Owyhee Drainage District and the approximate acreage owned by each is as follows:

Name of Owner.	Age.	Sec.	Twp.	R.
J. B. Bigelow	30	24	20	46
R. W. Ward	40	24	20	46
J. A. Koopman	80	24	20	46

That the formation of a drainage district under the provisions of Chapter 340, Laws of Oregon, 1915, and the laws amendatory thereof is a proper and advantageous method of accomplishing the reclamation and protection of the lands included therein.

IX. The proposed plan of reclamation contemplates the lowering of the ground water table by intercepting the injurious seepage water, collecting excess surface water and providing adequate outlets therefor. The correct location, size and extent of the necessary ditches and drains to accomplish the reclamation of the lands in the most effective and economical manner will be determined through surveys, testborings and other investigations by the engineer. There will be three principal ditches or drains following in general the natural drainage courses; the first will commence in the SE 1/4 of Section 25, T. 20 S., Range 46 E., and extend in a Northeasterly direction to the point of discharge into the Owyhee River near the NE corner of the NW 1/4 of Section 19, T. 20 S., R. 47 E.; the second will commence in the SE 1/4 of Section 34, T. 20 S., R. 46 E., and extend in a Northeasterly direction across the North 1/2 of Section 35, T. 20 S., R. 46 E., and the East 1/2 of Section 26, T. 20 S., R. 46 E., thence in an Easterly direction across the North 1/2 of Section 25, T. 20 S., R. 46 E. to the

That the public highways, roads and other right-of-ways situated within the proposed boundary lines are the county roads, telephone lines of the Malheur Home Telephone Company, power lines of the Idaho Power Company, the Oregon Short Line Railroad Company's Homedale Branch, and the Owyhee Ditch Company's canal.

V. That the proposed reclamation or protection is for sanitary purposes and for agricultural purposes, and the reclamation proposed will be conducive to the public health and welfare, and will be of public utility and benefit.

VI. That all of the lands included within the said boundary lines aforementioned fall within the same watershed and are properly included within the said boundary lines of the proposed district; and all of said lands will be beneficially affected by the proposed works of the proposed district.

VII. That the proposed district plans to construct a system of drainage and waste ditches to drain the swamp lands included in said district, and to provide a waste system for the surplus and waste waters from the irrigated lands in said district. That the benefits of such proposed reclamation will exceed the damage to be done and the costs of such works, and the best interests of the lands included within said proposed district and of the owners of such lands as a whole, and of the public at large, will be promoted by the formation and proposed operations of the proposed district.

VIII. That the formation of a drainage district under the provisions of Chapter 340, Laws of Oregon, 1915, and the laws amendatory thereof is a proper and advantageous method of accomplishing the reclamation and protection of the lands included therein.

IX. The proposed plan of reclamation contemplates the lowering of the ground water table by intercepting the injurious seepage water, collecting excess surface water and providing adequate outlets therefor. The correct location, size and extent of the necessary ditches and drains to accomplish the reclamation of the lands in the most effective and economical manner will be determined through surveys, testborings and other investigations by the engineer. point of discharge into the Owyhee River near the NE corner of said Section 25; the third will begin in the W 1/2 of Section 33, T. 20 S., R. 46 E., and extend in a Southeasterly direction across the SW 1/4 of Section 34, T. 20 S., R. 46 E., and discharge into the Owyhee River in the Northeast 1/4 of Section 3, T. 21 S., R. 46 E. In addition to the above there may be a secondary ditch or drain commencing near the center of Section 34, T. 20 S., R. 46 E., and extending in a Southeasterly and Easterly direction to augment the drainage of the SE 1/4 of Section 34, T. 20 S., R. 46 E., the South 1/2 of Section 35, T. 20 S., R. 46 E., and the North 1/2 of Sections 3 and 2; the places where it will appear upon investigation that they best serve the purpose of reclamation.

X. The signers of this petition hereby agree that they will pay the expenses incurred and any tax or taxes that may be levied against their lands, for the purpose of paying the expense of organizing or attempting to organize the proposed district, and any engineering expense incurred in connection with such organization or attempted organization, in the event that said district is not organized by Order and Decree of the above entitled Court.

WHEREFORE, your petitioners pray that this Court will make and enter an order and decree declaring the proposed drainage district organized; and that the lands described in this petition, or such of them as shall be found by the Court to be properly included, shall be within said district as organized, until investigation and surveys are made that shall permit elimination of lands not properly included; and that said district shall be known as the "OWYHEE DRAINAGE DISTRICT," STATE OF OREGON,) ss.

County of Malheur.)
I, Wm. Peutz, being first duly sworn, depose and say: That I am one of the signers of the foregoing petition to organize the Owyhee Drainage District; that I have read the allegations therein contained and verily believe the same to be true.

WM. PEUTZ,
Subscribed and sworn to before me this 10th day of May, 1918.
