INCREASED USE CAUSE OF SUGAR SHORTAGE

New York.—Heavily increased use of sugar in candy, soft drinks, ice cream and other luxuries in the United States during the first nine months of 1919, it was announced by the United States sugar equalization board, means that such over-indulgence in sweets "must now be curtailed in some sections of the east for the next three months."

George A. Zabriskie, president of the board, in a statement, declared that although the talk of "shortage" persists, it was a fact that from last January to September, inclusive, 500,000 tons, or 18 per cent more sugar had been delivered to American consumers than for the same period in 1918. The normal increase in consumption for the period named, he said, would have been 4 per cent.

FRENCH ASSAULT OFFICERS

Flags of Anarchy Are Waving in Brest and Marseilles.

Paris.—A serious situation exists at Brest, where disorderly demonstrations by strikers are taking place. Four thousand men employed at the arsenal are on strike and they paraded the streets carrying red and black flags.

Uniformed officers have been assaulted by the strikers, who have opened the hydrants in various streets, flooding areas in the lower parts of the town.

The general strike at Marseilles was renewed this morning. All the traffic of the port is at a standstill, but there is no disorder.

Baltic Fighting Continues.

London.—Fighting continues in the Baltic region, with the Lettish troops maintaining their defense against the Germans, according to the latest reports received here.

A dispatch from Stockholm quotes an Estonian communique as saying that the Lettish government has abandoned Riga and is located now at Rodenpolis. The Lettish troops blew up the bridges, the communique states, when they crossed the Dvina river. Armored trains replied to the German bombardment.

Dependability

A Very Popular Class Motto for High School Graduates in the Past Has Been: "Hitch Your Wagon To A Star."

Now, that is a good motto. It is a right good thing to hitch a wagon to in a pinch, but as a precautionary measure, how about taking along a good span of dependable Missouri mules for emergency?

Of course, we know that the idea to be conveyed in the motto is to set for yourself a high standard, and to everlastingly cling to that standard.

Our Motto of "Service" you will find emblazoned upon our chariot of progress, securely hitched to the star of business integrity and amply backed by the Missouri Mule of Dependability.

We also keep a "FORD" hanging around for emergency. From a two by four to intelligent and expert advice, you can depend upon getting at any BOISE PAYETTE YARD.
