

### RUSSIA WOULD RECALL CITIZENS

New York.—Ludwig C. A. K. Martens, self-styled "ambassador of the Russian soviet government to the United States," has offered to provide transportation from the United States to Russia for all Russian citizens who desire to leave America, or whose presence in the United States is undesirable to the federal government. This offer was made in a letter written by Martens to Secretary of State Lansing.

In his letter Martens protested against the "unwarranted and cruel treatment" to which many Russian citizens in the United States are subjected "by the federal and state officials, as well as by mobs acting without authority." He proposes that the soviet government be permitted to return the citizens to soviet Russia and declares that he has received thousands of applications from such citizens who are anxious to return to their homes.

Martens was arrested for contempt Saturday and released on \$1000 bail after he had refused to appear and bring certain documents before the Luak legislative committee investigating radical activities in New York.

## OWYHEE

(BY OUR REGULAR CORRESPONDENT)

J. N. Clark returned Friday from a visit to Dufur Valley where he went to file on a mining claim on a reservation which was just recently thrown open to miners. His son Fernie came with him for a visit with his grandparents, Mr and Mrs F. Bradley, his sister Maure and other relatives whom he had not seen for 13 years. Mr. Clark said that during the trip he passed thru some cold stormy weather with snow knee deep.

A number of men, among them John Hibb, Andy Hansen, Wm. Glenn George Smith and Oec and Charles Schweizer are working on the Owyhee dam. J. D. Bigelow oversaw the work. Some rip rapping and deepening of the ditch is being done near the Pullen ranch also.

Mr. and Mrs. George Glascock and family were Ontario visitors Sunday.

Mr. and Mrs. Wm. Baldwin and family who have been living in the Warren district have moved up to Owyhee again and are living in the house formerly occupied by the Hatfields.

Mrs. Della Robinson and children, Frances Winona and Juanita are visiting Mrs. Robinson's brothers, J. S. and Geo. Glascock.

C. DeBoer, of the Nyssa Meat market was in Owyhee the first of the week buying hogs.

Mr. and Mrs. E. F. Pratt and son Louis came down from their homestead near Ironside Monday, bringing with them their cattle which they will pasture on a while on their ranch on the Owyhee.

Mr. and Mrs. S. D. Bigelow and family were guests to dinner at the Klingback home Sunday evening.

The Parent-Teachers association held a business meeting at the school house Tuesday afternoon relative to starting up the serving of hot lunch to the school children during the winter months. It was decided to give a Shadow social on Tuesday evening November 25th to raise funds for the purpose. Each lady or girl is to bring a box with lunch for two. The shadows of the ladies are to be auctioned off to the highest bidder, the lunch to be thrown in. It will not be necessary to trim the boxes. A short program will be given and a nice warm quilt made by the ladies of the Red Cross will also be auctioned off. All are cordially invited to attend—the ladies are especially requested to bring their shadows with them—prepared

to get rid of them for the highest sum possible.

The W. W. Smith and B. F. Logan families attended a business meeting of the M. E. Church at Nyssa Sunday evening. It was decided to discontinue the regular M. E. preaching services in the Owyhee—the M. E. Minister taking on instead the Apple Valley M. E. Church which is now without a pastor.

Mrs. Vicenti Mendola who was ill a short time ago at the Holy Rosary hospital is home again and able to be about.

Mrs. Julien Hurley, County superintendent of schools is expected to visit the Owyhee and Kingman school Friday. She will be entertained over night at the S. D. Bigelow home.

Mr. and Mrs. Wm. Washington, are now immune from the troubles incident to owning a Ford car, having traded their Ford in on a Dodge.

Mrs. Walter Pinkston who has been visiting her parents and other relatives in Caldwell for the past two weeks, returned home Tuesday.

Mr. and Mrs. Frank Zimdars and family of Parma were guests Sunday at the Pullen home.

Messrs Holden Clement and Harry Stover of Ontario took dinner at Pullen's Monday. While in Owyhee they purchased eleven head of beef cattle from A. E. Rust, who delivered them to Nyssa Monday.

Louis C. DeBort, who recently returned from Siberia, is doing some fishing on the Overstreet ranch.

While walking about Tuesday inspecting the ranch, after several months' absence E. F. Pratt was taken suddenly ill with an attack of heart trouble which lasted several minutes rendering him unconscious for a time, after effects causing loss of memory for several days.
