HOOVER IS NOT IN PRESIDENTIAL RACE

Portland, Or.—Herbert Hoover will not be a candidate for the office of president of the United States, either under the banner of the democratic or the republican parties. Announcement to this effect is contained in a telegram received in Portland by Elton Watkins, president of the Jackson club.

In the same telegram Mr. Hoover declined to speak at the annual Jackson club banquet here.

The telegram from Mr. Hoover is as follows:

"My engagements and connection with the industrial conference and with relief in Europe make it impossible for me to go to the northwest at present. Beyond this, please accept the sincerity of my statement that I am not a candidate for the presidency and a campaign to that end from any party would be entirely wrongly directed."

This is the first specific announcement made by Mr. Hoover concerning his attitude toward running for president.

The Second Week

"The first week of the NEW YEAR we made a number of good, new resolutions. We so far haven't slipped on any of them but one. We did forget ourself the other day and take a little nip on the old corn-cob pipe, but, By Heck, no livin' man can be absolutely perfect.

Our main resolutions, however, we're stickin' to like a houn pup to a bone. We're usin' nothin' but B-P lumber and by thunder, don't intend to use any other kind.

We find this B-P lumber so slick and nice that we have committed ourself to Martha for more improvements around this place than we will be able to make good on, but we are going to do our durndest "

Go to it, Bill. That's all anyone can do!
