SUMMONS FOR PUBLICATION IN FORECLOSURE OF TAX LIEN.

In the Circuit Court of the State of Oregon, For Malheur County.

WM. E. LEES, Plaintiff,

vs.

JAMES CLORAN and THE ONTARIO LAND and TOWNSHIP COMPANY, A Corporation, Defendants.

To James Cloran and Ontario Land and Township Co., the above named defendant;

IN THE NAME OF THE STATE OF OREGON:

You are hereby notified that Wm. E. Lees the holder of Certificate of Delinquency numbered 2122 issued on the 1st day of May, 1917, by the Tax Collector of the County of Malheur, State of Oregon, for the amount of \$1.04, Four Dollars and Four Cents, the same being the amount then due and delinquent for taxes for the year 1915 together with penalty, interest and costs thereon upon the real property assessed to you, of which you are the owner as appears of record, situated in said County

Washington.—The government deficit from railroad operation during November will be approximately \$64,500,000, a low record for the year, according to figures made public by the bureau of railroad economics.

Gross revenues for the month were estimated at close to \$436,000,000. This figure is only slightly below the high mark of a year ago but the heavy expenses, due in part to the coal strike which also reduced the revenues, left as net little of the operating revenues. The government's net loss, the bureau estimated, on the basis of interstate commerce commission figures, as reached \$548,000,000 in the 23 months of railroad operation. The bureau placed the loss for the 11 months of 1919 at more than \$331,000,000.

AST TROOPS QUIT PARIS

General Connor and His Party Leave France January 9.

Paris.—The departure of Brigadier General William D. Connor from Paris on the evening of January 9 with 300 officers and men, marked the final withdrawal of the American forces from France.

General Connor and his party will sail from Antwerp January 11. By that date all the buildings occupied in Paris by the American army will have been given up with the exception of several small offices. General Connor leaves behind less than 100 American officers and men, mostly connected with the graves registration service.

Wilson May Issue Call for League.

Washington.—Study of the subject has convinced officials here that President Wilson may issue the call for the first meeting of the council of the league of nations, without committing the United States government to participation in the league. In accordance with that view necessary preliminary steps have been taken. It is understood, to permit President Wilson to comply with the requirement of the treaty that he issue the formal call.

Secretary Glass Defers Taking Seat.

Washington.—Carter Glass will not take his seat as senator from Virginia, having assented to the request of President Wilson that he remain secretary of the treasury at least until January 15, by which time it is expected his successor will be nominated and confirmed.

Engagement Announced

Mr "Grippe" and Miss "Flu" are busily engaged again, but—the minute you feel a cold coming on, begin to have fever or chills, dull aches or constipated, it may be the Flu or Grippe.

Before retiring, bathe your feet in hot salt water, take a good big cup of HOLLISTER'S ROCKY MOUNTAIN TEA (warm) and go to bed for the night—it's a 10 to 1 shot you'll feel great the next morning.

Without fail try this—but do it quick before the "Flu" or Grippe gets a start. Buy a package today, have it in the House and use it at the very first warning—then you're safe.—S. F. FOSTER. AdvJ5
