

OWYHEE

(BY OUR REGULAR CORRESPONDENT)

Mr. and Mrs. Ray Cantrell went to Emmett Saturday for a few days visit.

Mrs. Ben Logan gave a birthday dinner in honor of Mr. Logan on Sunday evening.

Miss Maude Clark has been very ill with lagrippe for several days.

Mr. and Mrs. Chas. Fisher and son Paul and Mr. Geo. Skinner were guests of grandma Bradley's Sunday evening.

Mr. and Mrs. Sinclair and family who have been living in Nyssa since August, are moving back to their homestead in the Owyhee.

Claude Smith, who has been very ill with la grippe is now sufficiently recovered to be around again.

Miss Fay Miller, of Emmett, is visiting her aunt, Mrs. Ray Cantrell.

The ice went out of the Owyhee river with arush Friday evening, the break up occurring very suddenly. Over twelve hundred sheep belonging to Aleck Ballentine, of Caldwell which were being fed on the river bar at the W. W. Smith ranch were overwhelmed and drowned. Several hundred sheep belonging to J. Gordon and Mr. Sewell were drowned also. A crew of eight men finished skinning the dead sheep Wednesday. Mrs. Ballentine came over from Caldwell to take a picture of the heap of dead sheep.

Mr. and Mrs. Gea. Smith recently sold their ranch to Mr. Kerr of Ontario, who brought out a load of farm implements Wednesday. The Smiths are not obliged to give possession until the first of March.

The sudden high water in the river Friday caused a big ice jam at the railroad bridge near Kingman station. Several attempts have been made to blast the ice out but the bridge was considerably damaged and has been condemned for use until repairs can be made.

Census taker Davis made his headquarters at the Klingback home while canvassing up the river beyond Mitchell Butte.

Mr. and Mrs. Chas. Fisher recently became the owners of a new Overland automobile.

Word received from Miss Marian Lowe of Walla Walla by her parents stated that she had unexpectedly met Mrs. F. Klingback, of Nyssa, who is there for a short visit, on the streets of Walla Walla, and that they enjoyed a pleasant visit together at the home of Mrs. Klingback's parents.

Mrs. T. M. Lowe has consented to give a demonstration in the making of home made hominy at the Logan home in the near future, date as yet not stated. The opportunity to gain this useful knowledge should not be neglected by Owyhee housewives and all interested are invited to be present.

Mr. Otto Schweizer of Caldwell visited at the home ranch this week. The Parent-Teachers association will have a meeting at the school house Friday afternoon.

The road on the Owyhee ditch bank is unusually slippery lately. On Tuesday evening while driving home from school the Huffman children narrowly escaped a slide into the river.

Wm. Peutz returned Monday from Portland, where he had taken a car load of cattle. While there he saw General Pershing in a parade, says he is a younger looking man than

THE KITCHEN CABINET

Never give up! There are chances and changes. Helping the hopeful, a hundred to one. And through the chaos, high wisdom arranges. Ever success, if you'll only hold on.

FOOD FOR TODAY.

The onion is one of the most valuable vegetables, and should be eaten freely throughout the year. A little sprig of parsley eaten after eating onions will remove the objectionable odor.

Onions Stuffed With Nuts.—Boil even sized onions until tender, remove the centers, chop and mix these with butter, chopped nuts, salt, pepper and bread crumbs. Fill the onions and pour around them a little thin cream or rich milk, or any broth with which to baste them while baking. Serve as a garnish to a platter of pork chops or they may take the place of meat.

Baked Ham.—Soak a ham overnight. In the morning put in a kettle one onion, one carrot, six cloves, six peppercorns, one bay leaf and water to cover. Simmer for two hours. When tender remove the skin, place on a rack in a baking pan and bake two to three hours, basting with cider and a cupful of water from the ham liquor. When done stir in a tablespoonful of brown sugar into the elder sauce and cover the ham and brown. Serve hot with the liquor from the pan poured around it, or served in a gravy boat.

String beans are delicious cooked for several hours with a piece of sweet, firm salt pork. They are good cooked with olive oil or with bacon. Season them sometimes with cheese or chopped parsley or chives.

Hot Potato Salad.—Boil half a dozen potatoes and slice while hot. Cut thin slices of bacon and cut them into small bits, using half a cupful. Pour off the fat, leaving two tablespoonfuls, stir into this one tablespoonful of flour, a pinch of mustard, a dash of cayenne and salt to taste. Stir until smooth, adding gradually one-half cupful of mild vinegar. Let the dressing boil, add the bacon and a small onion finely chopped, then the potatoes. Serve very hot.

Nippon Salad.—To one cupful of crab meat add one dozen stuffed olives chopped, two cupfuls of celery and French dressing well seasoned to marinate. Serve with mayonnaise dressing garnished with capers and pickles.

Chiropractic for Rheumatism

Chiropractors locate and adjust the cause of rheumatism by using CHIROPRACTIC VERTEBRAL ADJUSTMENTS with the bare hands only. The cause will be found in the pressure on the nerves, thru the vertebrae (small bones of the spine) being displaced. The vital force is thus prevented from flowing thru the nerves to the various organs and abnormal metabolism is thus produced, with the resultant formation of Uric acid. These vertebrae are put into proper alignment by the Chiropractor. The result is HEALTH.
