News Notes of Nyssa School

The baseball season is coming on apace, and the High School has every chance of putting out a winning team.

The Flu has not as yet secured a threatening foothold in the schools. Although several pupils are absent from the lower grades, the number of High School pupils who are ill is very small.

Mr. Byers, Mr. Truesdale's successor, is winning the loyal regard of the students.

The School Board visited the school Monday in order to discuss several problems with the teachers and students.

The inter-class debates will soon be held, as the teams have been chosen and great preparations are being made for the coming contests. Ida Ray and Dwight McDonald form the Senior de-

F. L. Sheets, publisher of the Journal, is in Joseph, Wallowa county, where he went in response to a telegram announcing that his father, A. F. Sheets, was seriously ill. Word received from Mr. Sheets Thursday stated that his father was very low and could live only a few days.

The Library Book Shower.

The Library Book Shower held in the library last Saturday afternoon and evening, under the auspices of the Community Service Club, was a decided success in spite of mud and bad weather. One hundred books and forty dollars in cash was the result of the day's effort.

The cordial co-operation of everyone aided very materially in the success. Many of the gift books must have been a sacrifice on the part of the donor. All are in first class condition and could not be purchased for one hundred dollars.

The committee, Mrs. Hunt, Mrs. Lax and Mrs. Elliott, is deserving of great credit and the gratitude of the community in planning and carrying out the event. We are sure our boys and girls and our other readers, too, will greatly appreciate this addition to our library shelves.

Refreshments of cake and coffee were served and many pleasant visits enjoyed and new acquaintances formed during the Shower hours.

A Fine Display

The Book Display in the window of the Nyssa Hardware store the past week would have been a credit to a large city. Several rare and ancient books were displayed and many in binding and illustration. Among them were books in Hebrew, Greek, Latin and Esperanto.

This was arranged to draw attention to the Library Book Shower. All these books belong to Nyssa citizens and prove that we have many rare book lovers in our community.

Ladies Are Grateful.

The ladies of the Community Service Club express their gratitude to the public generally and especially to The Gate City Journal and Mr. McLellan for their aid in advertising; the Presbyterian church for dishes, tables, screens, etc.; Mr. Holmes for drayage; the Nyssa hardware store for dishes, coal and fire-making, and to those who so kindly aided as servers through the day—to each one is due some of the success of the Library Shower.

PRESEYTERIAN CHURCH
