(BY OUR REGULAR CORRESPONDENT)

A pie social was given by the P. T. A. at the school house Saturday to raise funds for the little French orphan, Pierre Bardin, whom the school is supporting. Owing to bad roads and fear of the "flu" the attendance was light, but those who did attend arose nobly to the occasion, \$27.50 being the amount taken in. Carl Schweizer and Fern Clark served as auctioneers and did so well their services are apt to be in demand on future occasions. After the sale of the pies an informal good time with games and music was enjoyed.

Mr. and Mrs. Ben Smith and family have recently moved out from Nyssa to the John Reece ranch, which Mr. Smith has rented and will run this year.

D. P. Pullen and children went to Nyssa Saturday.

Mrs. W. B. Napton, principal of Owyhee school, announces that a thrift campaign is soon to be inaugurated in the school and that a program will be given in the near future.

George Smith is on the sick list this week but, so far, has been unable to decide whether it's "flu" or "la grippe" he is enjoying (?)

**"Before and After" in the Near East**

"BEFORE."

"AFTER."

From misery to comfort and self-respect in five days' time, simply through the magic of an American ten dollar bill, is a transformation that is being wrought daily in Western Asia by the Near East Relief of 1 Madison Avenue, New York City. The group of five Armenian children shown in two pictures here have reason to bless the American donor of that ten dollar bill. With this money, the expert workers of Near East Relief in Armenia were able to rid the poor children of their loathsome rags and to clothe them with new garments of alaba cloth, woven in a Near East Relief Industrial plant and sewed into garments by the mother of the children. The mother was also paid a small fee for her services in making the garments.

This was a lucky family. There are thousands of others not so lucky in the Near East, simply because of a lack of other ten dollar bills. Near East Relief is asking the American people to contribute funds to save the starving in the Bible lands. It is estimated that over 1,250,000 adults are in desperate need, and 250,000 children are orphans and must be cared for. For the sum of \$180 a year Near East Relief can not only feed and clothe and shelter an orphan child, but can also give a course in education towards ultimate self-support and independence. Many of these orphans are being "adopted" by Americans, who are providing funds for the support of one or more over a given period.

**ARCADIA**

BY OUR REGULAR CORRESPONDENT

School will be closed for another week, as there are several cases of flu yet.

Charley Boulard's family have all been down with the flu, except him. They have had a nurse to help care for them.

Mrs. J. T. Long and son Virgil are sick and Mildred Long and John Zitarkole, who have been quite sick with flu, are convalescent.

Mrs. W. J. Roberts and Miss Grace Marsh are both improving.

Jack and Ruth Barrett took dinner Monday at E. B. Butler's, Jr.

Emmett Steel and family and Miss Hattie Withers spent Sunday with Frank Edwards and family.

Quite a number of people visited the Hunt lambing sheds Sunday. It will pay any one who is interested in progression to visit Mr. Hunt's sheds. He has every hing up-to-date—electric lights in sheds and drop pens; electric warming system for the chilled lambs and water piped from a reservoir to the cook house and all the sheds and pens.

It's a big boy at Mr. Whitney's, and the first born, so that is the why of the happy smile that won't come off.

Jack Barrett was a guest at the Moore hotel in Ontario Friday night.

**TREATY AGAIN IS BEFORE SENATE**

Peace Pact Brought up For Consideration Monday; Bitter Fight Forecast.

Washington. — The peace treaty, which has lain in a parliamentary pigeonhole since November 19, while a basis for its ratification was unsuccessfully sought in private negotiations, was brought formally before the senate again Monday.

Although prompt agreement is expected generally on many of the minor points at issue, a long and bitter contest is forecast over article 10 and perhaps a few other treaty provisions. The leaders on both sides profess to see some hope of ratification, but other senators believe the deadlock certain to continue until the controversy has been fought out in the presidential campaign.

Besides the outstanding issues of the treaty fight the most prominent subject of discussion among senators was the letter of President Wilson laid before the democratic conference and made public by Senator Hitchcock. The president's renewed declaration of opposition to some of the language of the republican reservations were interpreted in different ways.

Some declared the letter an uncompromising reiteration of the stand taken by the president on the eve of the November ratification vote and asserted that its publication had widened the breach between the democratic and republican forces. Others, professing to see new evidences of concession in the president's words, predicted an opposite effect.

Although the president's letter was written before publication of the statement of Viscount Grey regarding reservations, in some quarters it was suggested that the letter would not have been permitted to become public if the British statesman's views had resulted in any change in the president's position.

**The KITCHEN CABINET**

It is scarcely an exaggeration to say that many matters which agitate the public mind are not worth a thought in comparison with dietary questions to which a thought is seldom given.

**GOOD THINGS TO EAT.**

The early green apples make delicious spiced apples to use throughout the year. Prepare a moderately sweet sirup with a few cloves and twice as much cinnamon. Wash, but do not peel the apples, as green apple skin cooks well and adds to the flavor. Drop in the sliced apples a few at a time and cook until tender, when all are cooked let the sirup cook down until quite thick and pour over them. Seal in small glasses or jars.

**Cheese Salad.**—Dissolve a tablespoonful of gelatin in four tablespoonfuls of hot water; add half a pound of grated cheese and a pint of whipped cream, season well with salt and paprika with a few dashes of cayenne. Pour into a wet mold and allow it to become firm. Turn out and cut in slices, serve on lettuce with mayonnaise dressing or with any desired boiled dressing.

**Savory Rice and Vegetables.**—Peel and slice six large tomatoes and chop two sweet peppers fine, butter a baking dish and put in a layer of tomatoes, cover with half a cupful of cooked rice and chopped peppers, repeat with another layer, season each layer with two tablespoonfuls of butter, a sprinkling of sugar and salt. Bake covered for three-quarters of an hour, then uncover for 15 minutes.

**Date, Nut and Pineapple Salad.**—Chop a cupful of dates and three good-sized apples, add a cupful of chopped celery, a cupful of broken nutmeats and a half pound of seeded and skinned grapes. Mix all together and heap on a slice of pineapple arranged on a lettuce leaf. Serve with mayonnaise dressing. A few marshmallows may be added or substituted for the nut meats if desired.

**Rocks.**—Beat together a half cupful each of lard and other shortening, add a cupful and a half of sugar, two eggs well beaten, a cupful of sour milk, two cupfuls of oatmeal and three cupfuls of flour, sifted with a teaspoonful of soda and one of cinnamon. Add a half cupful each of raisins and walnuts chopped. Mix and drop on a buttered pan and bake in a moderate oven.

**KOREANS ATTACK JAP POST**

Movement Said to Be Initiation of a Big Rebellion.

Washington.—Official dispatches received here said a force of 2000 Koreans, armed principally with equipment furnished by the bolsheviks, crossed into northern Korea from Kirin, Manchuria, and attacked a Japanese post of 700 men at night, killed 300 of them and routed the remainder.

According to these dispatches the attack was the initiation of an active rebellion in Korea. It was described as the "beginning of a tremendous affair."
