The Core of the Afternoon.

Little Marjorie, who is three, told her mother the other evening that while the mother was uptown shopping in the afternoon the little girl had been taken by a servant to call on her father in the latter's office.

"What time did you go?" asked the mother.

"Oh, in the core of the afternoon," replied the little girl.

"Mother doesn't understand what you mean by the 'core' of the afternoon," it was explained to Marjorie.

"Why, I mean the middle," she said simply, as if wondering at the ignorance of grown folks.

What He Needed.

Mr. Greenby decided to grow vegetables, and straightway paid a visit to the nearest store to buy the necessary seed.

The salesman showed him samples of the various kinds of potatoes as a start off, but Mr. Greenby could find none to suit.

"I am afraid these will not do," he remarked. Then in a confidential whisper, he added: "You see, I have only two teeth in my head, and unfortunately they are not opposite one another. Haven't you any mashed potato seed?"—Pearson's Weekly.

MASSACHUSETTS UNDER FIRE.

A western congressman was joking with a congressman from Massachusetts. "My congressional district," said he, "is several times as big as yours. In fact it's bigger than the whole state of Massachusetts."

"Well, well, that explains something I have never understood," replied the Bay State man.

"What is that?" asked the Westerner.

"It explains how you happened to be elected to congress," replied the politician from Massachusetts. "I suppose that most of your constituents have never even seen you!"

No Tonic Needed.

"Your hair is getting thin," said the barber as he ran his long fingers through the stray hairs of his victim.

"Now, we have the greatest tonic in the world, guaranteed to—"

"Oh, but I put something on it every morning!" said the customer.

"May I inquire what, sir?"

"My hat."

SALTS IF BACKACHE AND KIDNEYS HURT

Stop Eating Meat for a While If Your Bladder Is Troubling You.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Adv.

Both Overestimated.

"The roses of pleasure," didactically began Professor Pate, "seldom last long enough to adorn the brow of him who plucks them."

"Yes," replied J. Fuller Gloom, "and those who have attempted to rest on their laurels tell me they make a very poor bed."—Kansas City Star.

Important to all Women Readers of this Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer pain in the back, headache and loss of ambition.

Poor health makes you nervous, irritable and may be despondent; it makes any one so. But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine, will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores.—Adv.

RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and ¼ oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. It will gradually darken streaked, faded gray hair, and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.—Adv.
