Some Rare Fruits.

Among the productions of the Philippines are two delicious fruits unknown to the civilized world. The durian, as large as a coconut, contains a creamy, pulplike delicious custard. Another rare fruit is the mangosteen, but the exquisitely flavored liquid it contains cannot be preserved.

Orion.

Pine Valley residents are making another effort to divide Baker county. Reports from the Long Creek and Muddy Creek districts in Baker county are to the effect that a second winter is being experienced, and hay is becoming so scarce that there is likely to be a severe loss of stock if the winter lasts much longer. Opinions of attorneys have extinguished hopes of members of the Hood River Anti-Asiatic league, who had proposed that an exclusive initiative law for Hood River county be invoked for preventing Asiatics from owning land in the case of failure of state or national legislation regulating the land tenure. While the initiative, as result of an enabling bill enacted by the last legislature, may be invoked for the regulation of officials' salaries, municipal or special legislation pertaining particularly to the counties, attorneys declare land tenure of a general nature.

Because Adler's-ka acts on BOTH upper and lower bowel it removes all food matter which poisoned stomach. Relieves ANY CASE sour stomach or gas on stomach. Often CURES constipation. Prevents appendicitis. S. F. Foster, druggist.

Maybe Right.

A Bon tamer who bought liquor from a bootlegger stated afterward that whisky was a necessity for one of his calling. At that there may be something to his argument. We can't imagine a stone-sober man deliberately walking into a cage of lions.

Nyssa Trading Co.

Nyssa, Ore.

IN these times of high butter prices and scarcity of labor, no housewife should bother with the old-fashioned gravity method of skimming milk. The De Laval Separator will recover one-fourth more cream and do it with less work and in shorter time.

Neither is there any excuse for struggling with a half-worn-out or inferior separator that wastes cream and is hard to turn and difficult to wash. The work can be done much better, quicker and easier with the De Laval—the world's standard separator.

We would like to show you the De Laval and how quickly it pays for itself
