**OREGON NEWS NOTES
 OF GENERAL INTEREST**

**Principal Events of the Week
 Briefly Sketched for Informa-
 tion of Our Readers.**

Auto tourist travel through the Willamette valley is under way already. The Union Livestock association will hold its twelfth annual show at Union, June 2-4.

The ninth annual conference of the Deschutes Baptist association was held at Redmond.

It is reported that hop vines in the Independence district are making a healthy growth.

A large cougar last week killed a calf on the farm of George Leedy, four miles north of Toledo.

A dairy and sheep extension school was held at the North Craft farm in Douglas county Friday.

McMinnville Elks to the number of 600 will attend the state convention to be held at Salem in July.

A gain of \$1,015,885.26 in deposits in the three banks of Eugene has been made during the past year.

The high price of sugar has caused a slump in the demand at Hood River for strawberries and cherries.

Under the auspices of the Jackson county farm bureau a two-day dairy school was held in Medford.

Merlin Gold was instantly killed at Hammond Lumber company, Camp No. 16, near Clatskanie, by a flying log.

Union high school district of Madras has voted to issue \$50,000 in bonds for immediate construction of a building.

Both bonds and special tax for a new high school gymnasium carried in the special election held at Minworth.

Three airplanes will be sent to Eugene from Mather Field, Sacramento, for the air circus to be staged there May 26.

In order to conserve fuel for spray rigs the Hood River Apple Growers' association is urging conservation of gasoline.

Because of lack of patronage, service of the Portland Navigation company between Salem and Portland has been discontinued.

The Alaska River Lumber company has shipped a carload of fir logs to New York to test their adaptability for veneering purposes.

Scores of small fires in the hills around Eugene have raised a pall of smoke. The fires are caused by farmers burning brush.

The Corvallis Commercial club has on record against the specific gravity test for gasoline and in favor of suspending the law.

The laying of the six miles of submarine telephone cable to connect the Tillamook rock lighthouse with the shore, has been completed.

A tract of 16 acres partially within the city limits of Albany was purchased by the Linn county fair association for permanent fair grounds.

The Astoria board of school directors is calling for bids for a new gymnasium for the high school to cost about \$50,000.

The twenty-ninth annual session of the Southern Oregon Medical association was held at Roseburg. It was decided to hold the convention at Grants Pass next year.

The state land board has received a total of \$964 in royalties from three Portland sand and gravel companies for sand and gravel taken from the bed of the Willamette.

Albert Meaders and W. J. Jenkins, who escaped from the prison work camp last Saturday night, were captured at Mill City by Cherry James, a guard at the penitentiary.

More than 100 plumbers and their wives, from all sections of the state, gathered in Salem for the nineteenth annual convention of the Oregon State association of master plumbers.

Will E. King of Ontario, former democratic national committeeman for Oregon, has resigned as chief counsel for the United States reclamation service. It became effective June 15.

Shortage of gasoline is becoming acute at Klamath Falls and may result in the closing down of all sawmills which are supplied with logs direct from the woods by motor truck.

A movement has been started among Marion county taxpayers to introduce a bill in the legislature to limit the prohibition of the catching of mountain trout during the spawning season.

The state board of land has asked congress to extend the contract between the state and federal governments relative to the Walker Basin reclamation project in Deschutes country for a period of 25 years.

Statistics show, according to the war department statement, that Oregon's enlisted strength for its national guard is 2152 men, of which 15-6 have been enlisted. During the month ending May 2 there were enlisted in Oregon two companies of infantry, two companies of coast artillery, one company of engineers with 127 men and four officers, and one quartermaster detachment of 24 men, composed mostly of
