

STRAIGHT TO THE MARK!

Service is that which most everybody claims to give but which you really have to hunt for to find.

But at our store you'll not need to hunt far--- we'll guarantee that. For the whole backbone of our business is s-e-r-v-i-c-e.

---giving the biggest values for your money.

---giving you the benefit of all our years of experience in making selections in men's wear.

If you're pleased, you'll come again.

And we'll wager a dollar to a doughnut YOU WILL!

May we not make your acquaintance TODAY?
