**MORE PEOPLE MORE LIFE
—IN NYSSA—**

When we stroll down the streets of a little town—either of business or pleasure—it makes a lot of difference to us if the street is empty or if it is crowded. And most of us enjoy the crowded street the most.

What is it that causes the streets of a town to be empty? The answer is easy—It's no inducements to be found in our business houses. On the other hand, a crowded street is an indication of bargains. How often do we have bargain offers in the town of Nyssa to bring the farmer, or even the residents within the city limits out. A few bargain offers made now and then, either by circular or by an advertisement sent out through the mails will, not only live up our town, but will multiply the business within our stores, and bring home the business which other towns are pulling away—for the reason they do offer some kind of inducement—something else besides graft—people of the twentieth century want amusements, as well as bargains and those two things are the life of any town.

WHAT'S THE MATTER WITH NYSSA?

What has happened to the Commercial club of Nyssa? The secretary seems to be the only member. Only three meetings in the past fourteen months—and the secretary was the only one out to the last meeting. The only towns that get on the map are towns where business men do a few things besides attend to their own personal affairs. What is the matter with Nyssa? Vale business men have a good system—they meet for lunch every Tuesday and discuss problems vital to the interests of the community—It has been the making of that town—and it would do the same for Nyssa.

GET UNDER YOUR OWN ROOF

A revival of home-owning and old fashioned home life is needed in our country. Farm renters and families living in apartments where children are not wanted are not a good foundation for this nation. We can get along without war memorials and Ouija-board factories but we cannot get along without home owners. More than any other drive we need a great national campaign for home owning and home-building. A real estate mortgage is a sign of thrift and progress, but a chattel mortgage on a motor car is not. Young men and families who live in rented houses should be encouraged to go in debt for a home.

OREGON PLAYGROUND FOR TOURISTS AIM OF STATE CHAMBER

Switzerland used to be the poorest country, per capita, in the world. Now it is the richest. Tourist travel did it. Main and Colorado each receive \$50,000,000 per year from their tourists; Florida gets \$250,000,000; California, half a billion a year. Oregon gets \$5,000,000. A three year's advertising campaign by the Oregon State Chamber of Commerce may be expected to bring in at least one-half of what Main and Colorado get, or \$25,000,000, which should increase on a rising scale.

"All things are for a purpose, and all should be enjoyed; but all should be rightly used, that they may be enjoyed."

SEASONABLE SALADS.

A most pleasing salad combination is the following: Arrange leaves of lettuce on a salad plate, then place ripe pears cut in eighths. After peeling and coring, add a tablespoonful or less of finely shredded celery, two dates cut in quarters, and one small banana sliced. Cover with a dressing, using three teaspoonfuls of boiled dressing and half a cupful of whipped cream. Add more seasoning if need, especially salt, and pour the dressing over the salad just as it goes to the table. Mayonnaise may be used with cream in the same proportion.

Japanese Salad.—Cook one cupful of rice in boiling water until tender. Add one small chopped onion, a teaspoonful of salt, a few dashes of cayenne pepper. Serve garnished with sardines and sweet red pepper cut in strips.

Date and Nut Salad.—Prepare dates cut in eighths and arrange them on lettuce with walnut meats. Serve with French dressing. Stewed prunes may be used in place of the dates and are equally as dainty.

Shredded Cabbage With Cream.—Shred a firm head of cabbage, or if large, a portion of the head. Sprinkle with salt after letting the finely shredded cabbage become crisp in cold water. Add a dash of cayenne and the salt after draining very dry, two tablespoonfuls of sugar and two tablespoonfuls of vinegar with half a cupful of thick sweet cream. Sour cream may be used with a very little vinegar.

Orange and Water Cress Salad.—To serve with duck, there is no more appetizing salad than this: Arrange a nice bed of well-washed water cress on salad plate, place overlapping slices of orange which has been carefully peeled. Serve with a highly seasoned French dressing.

Tomato Salad.—Cut small peeled tomatoes in halves or large ones in thick slices. On each slice or half, heap a teaspoonful each of chopped onion, celery and cucumber and top with a spoonful of thick mayonnaise. Dash over the dressing a sprinkling of paprika just before serving.

"Hope and courage and sympathy and trust are great producers, and they are great factors in a man's doing his duty, as well as his having the joy of achievement."

FOOD FOR THE FAMILY.

In these days of high-priced eggs the following cake will be most happily received:

Eggless Chocolate Cake.—Grate two squares of chocolate and melt it in half cupful of milk; in another half cupful of milk dissolve one teaspoonful of soda. Mix together one cupful of sugar and a tablespoonful of softened shortening; add a teaspoonful of vanilla and one-third of a teaspoonful of salt, mix all together and add 1 1/2 cupfuls of flour, then beat in the hot milk in which the chocolate has been dissolved and bake in a loaf pan fifty minutes in a moderate oven.

Maple Rolls.—Make a baking powder biscuit mixture as usual; roll in an oblong one-half inch thick. Brush with melted butter and spread with maple sugar grated. Dampen the outer edges and roll up firmly. Cut in slices one-half inch thick, place in a well-greased pan and bake in a hot oven twenty to twenty-five minutes. Chopped nuts may be added with the sugar if desired.

Graham Griddle Cakes.—Take two cupfuls of Graham flour, half a cupful of white flour, two tablespoonfuls of

corn meal, two teaspoonfuls of sugar, three-fourths of a teaspoonful of soda, one teaspoonful of cream of tartar, one-half teaspoonful of salt, half a teaspoonful of melted fat and 2 1/4 cupfuls of milk. Mix the dry ingredients then stir in the melted fat and the milk. Beat well and fry on a hot griddle.

Cabbage With Milk.—Cook cabbage as usual in boiling water, drain and add a few crackers finely crumbed and milk with a little butter for richness. Season with salt and pepper and serve after the milk has become thoroughly heated.

Raisin Gruel.—Take a dozen large, choice raisins, seed them and place in a double boiler with a pint of boiling water and cook for an hour. Strain the water and return it to the boiler, thicken with a teaspoonful of corn-starch mixed in a tablespoonful of cold milk, stir while adding and cook ten minutes. Add salt and sugar. When cool add a half cupful of milk and serve.

CHICAGO IS SECOND CITY

Population is Reported as 2,701,212 By Census Report. Washington.—Chicago, second city in the United States, whose 1920 census was announced by the census bureau as 2,701,212, had during the last decade the second largest growth numerically in its history with an increase of more than half a million. Chicago's rate of growth was 23.6 per cent, which was 5.1 per cent less than the previous ten years and exceeded New York city's rate by 5.6 per cent, New York's 1920 rate having been 17.9 per cent.

Harding's Home Town Goes Wild. Marion, Ohio.—"This old home town" of Senator Harding plunged head over heels into joyous celebration when word came that her son had been nominated for the presidency at Chicago.
