VALE BANKER COMING TO NYSSA

J. P. Dunaway, Long at County Seat, Accepts Position as Cashier at Malheur County Bank.

J. P. Dunaway, present cashier of the United States National Bank at Vale, has accepted a similar position with the Malheur County Bank at Nyssa and take up his new duties as soon as a new cashier can be secured for the Vale bank.

The Malheur County Bank is fortunate in securing the services of Mr. Dunaway. He is one of the ablest and most widely known bankers in the county and will enter upon his new duties in the enjoyment of the full confidence of the public. He has been a resident of Malheur county 14 years, a large portion of which time he was cashier of the United States National Bank at Vale. Under his management that institution became one of the largest of its kind in the state.

Mr. Dunaway is interested with Judge Dalton Biggs in a large ranch on the Owyhee, and this was a factor which he considered when he decided to join the rapidly developing Nyssa community. Mr. Dunaway and his excellent family will receive a cordial welcome in Nyssa.

BROWN FAMILY HAS REUNION

Curtis Park, near Caldwell, was the scene of a delightful gathering one day last week, the occasion being the second annual reunion of the family of Mr. and Mrs. G. G. Brown, well known and popular pioneer residents of the Nyssa country. Including Mr. and Mrs. Brown, fifty persons spent the day most pleasantly. There were sisters and cousins and uncles and aunts, but all were children and grand children or near relatives of these worthy pioneers.

When fifty members of the family sat down to a big dinner it made an imposing showing, and Mr. and Mrs. Brown took no pains to conceal their pride as they looked over the happy gathering.

Mr. and Mrs. Brown came west by mule team in 1888 from Seneca, Mo., being 100 days on the road from Seneca to Boise. They were accompanied by John Ray, who is also a well known resident of the Nyssa country. They first settled in Long Valley, Idaho, but came to Nyssa in 1892, and have shared largely in developing it from a desert to its present productiveness.

Mr. Brown took the first scrap of dirt from the Owyhee canal after the organization of the company, a distinction of which he is justly proud, for the water supplied by the big Owyhee ditch made thousands of acres of barren land productive and made possible the existence as towns of both Nyssa and Ontario.

It is pleasing to know that Mr. and Mrs. Brown have shared in the prosperity they helped create and that their descendants are numerous and their friends a host.

Those who enjoyed the glad event were:

Mr. and Mrs. G. G. Brown, Mr. and Mrs. John Ray and family, Mr. and Mrs. Hank Teutsch, Mr. and Mrs. Ed Brown and family, Mr. and Mrs. Harry Goshert and family, Mrs. Chealey and children and Mr. and Mrs. Dwight Smith from Nyssa; Mr. and Mrs. Ira Rutledge and family, Mr. and Mrs. Newt Minton and family, Mr. and Mrs. Carl Rutledge and family, Mr. and Mrs. Walter Rutledge, Mr. and Mrs. Maurice Rutledge, Those unable to be present were: Mrs. Elmer Stradley, Mrs. Clifford Kiser, Clarence Minton and Mrs. Teutsch's children. The invited guests were: Ruth Shilps and Artie Robinson of Nyssa; Gardner Parson of Ontario, Mr. and Mrs. Will Robinson of Middleton and Mr. and Mrs. Manley of Boise.

History of Dental Decay Suggests Story of Horseshoe Nail

For want of the nail the shoe was lost
For want of the shoe the horse was lost
For want of the horse the rider was lost

All in consequence of a little care in readjusting the horseshoe nail.

Such is the history of those who neglect the necessary care in preventing the advance of dental decay.

BIG TREAT FOR NYSSA PEOPLE

Nyssa people will enjoy a rare treat when the Radcliffe Cannutauqua pitches its big tent on the school grounds next Monday and begins a series of entertainments that will last until late Wednesday night. Programs of intense interest will be given afternoons and evenings and the large number who will be in attendance will enjoy entertainments of unusual merit. Among the attractions are the Porter Concert Company and Soreff's Russian Quartette and a galaxy of readers, impersonators and humorists such as are seldom heard in a small town.

The local committees have been working effectively to have everything in readiness to move off smoothly and the advance sales of season tickets indicate that unusual interest is being taken in the big event.

The Porter Concert Company will open the program Monday afternoon with a grand concert, which will be followed by a lecture by J. W. Terry, whose subject is "Benefits Forged." At the evening session Mr. Terry will again lecture, his subject being "The Government of the United States," followed by a concert. The programs for the other two days will be equally interesting.

Play Ball! Big Game Sunday

The Nyssa ball team will play Caldwell Sunday at the local grounds. This game will be a play-off, as the Nyssa boys have won one and the Caldwell team one. This will no doubt be a fast game, with Newbill and Clarence in the box.

A shower party for Miss Mattie Dennis was given by Mrs. Frank Stubbs and Miss Lucy Thompson on Wednesday evening of this week. The guests numbered twenty-five, the personnel being the same as that at the announcement party given a few days previously.

Another feature that caused much hilarity was the drawing by each guest of his or her ideal home and answering questions relating thereto. Refreshments consisting of ice cream and cake were served. EASTERN STAR INSTALLS OFFICERS

On Tuesday evening the local Eastern Star Chapter was constituted and its officers installed. Worthy Grand Matron Mrs. Ida Umbach acted as constituting officer, presenting the charter which the Grand Chapter O. E. S. granted as a result of satisfactory work since their institution last November. The Chapter can now proudly boast of a number and will henceforth be known as Golden Rule Chapter, No. 131. Mrs. Minnie Letson of Ontario, associate grand matron, acted as grand marshal, Mrs. Anna Homan of Ontario acted as grand secretary, Mrs. Lillian Clore as grand chaplain.

A song by Mrs. Harry Peterson of Ontario and a piano duet by Mrs. Mary Hunt and Mrs. Hilda Tensen added greatly to the ceremonies.

The following officers were installed as the first to serve the Chapter:

Mrs. Lena Lax, Worthy Matron; Mrs. John Kakebecke, Worthy Patron; Mrs. Harriet Boydell, Associate Matron; Mrs. Marie Martin, Conductress; Mrs. Anna Goshert, Associate Conductress; Mrs. Mary Hunt, Treasurer; Mrs. Georgia Walters, Secretary; Mrs. Lillian Clore, Chaplain; Mrs. Bertha Gibson, Marshal; Mrs. Gordon Hall, Adon; Mrs. Myrtle Young, Ruth; Mrs. Ethel Prettyman, Esther; Miss Eva Boydell, Martha; Mrs. Ethel Crawford, Electa; Mrs. Lillie Miller, Warden; Mrs. C. M. Beaumont, Sentinel.

Besides the local members, there were present members from Mount Olive Chapter, Parma, Golden Chain Chapter, Vale, and Star Chapter, Ontario. After the ceremonies pleasing refreshments were enjoyed by all. With such a splendid "send off" Golden Rule Chapter No. 131 sails successfully on.

BUSY MEETING OF BOOSTER CLUB

Progress Being Made to Secure Additional Rural Route Out of City—Next Meeting August 9.

The Nyssa Commercial Club is getting down to work and from present indications will soon be able to show beneficial results accomplished. A real live meeting was held Monday evening, with President E. M. Dean presiding and F. A. Gallegly acting secretary. The attendance was not as large as it should have been but this defect will be remedied as soon as the old time members realize that the club is alive again and is becoming a factor in the advancement of the city and country.

The committee on the establishment of a new rural route out of the city reported that satisfactory progress was being made. After a general discussion as to further steps to be taken to obtain the desired end, E. C. Wilson was appointed on the committee to act with F. A. Gallegly.

Action in regard to the State Chamber of Commerce was postponed until next meeting.

The chairman was authorized to appoint a hustler to assemble and manage an exhibit for this community at the Malheur County Fair. This is important work and the club members are anxious to secure the cooperation of all good citizens to the end that the majority of the blue ribbons awarded at the Fair will come to Nyssa as in days gone by.

A letter from County Agent L. R. Breithaupt was read, which stated that a tour of the Snake River Valley will be made by members of the Farm Bureau and others on July 30 for the purpose of inspecting farm crops, etc., and inviting Nyssa to co-operate with them. P. M. Warren was appointed to see how many Nyssa people will join this caravan on this tour. Several have already made known their intention to do so.

The next meeting will be held Monday evening, August 9, and all progressive citizens, whether members of the club or not, are urged to be present, as matters of importance will be considered.

NOTICE, GRAIN GROWERS

H. T. Francis will be our agent in the Nyssa section again this year and will buy all kinds of grain at the market price.
