

A Round Roof Barn for Your Farm

IT WILL PAY YOU TO INVESTIGATE THE BOISE PAYETTE Round Roof Barn before you build your new barn this fall. You will find that it suits the needs of your farm exactly. And you will also find that we can save you considerable money in building.

The Round Roof construction does away with the necessity for heavy timbers and braces. This lowers the cost of building and at the same time gives you more storage space for hay or other crops.

PLANNED ESPECIALLY TO FIT YOUR NEEDS

We are prepared to furnish you plans and specifications for a Round Roof Barn specially fitted to your needs—any size you want. We have drawn these plans with the idea of giving you a staunch, permanent structure, with the greatest economy of material.

Come in and look these plans over. This service costs you nothing.
