New Crank Case Service for Motorists

YOU probably know that after a few weeks of driving your lubricating oil becomes dirty with carbon, road dust and fine particles of metal, which circulate through your engine and cause unnecessary wear on bearing surfaces. And gasoline escapes past the pistons and dilutes the oil. Granted. There's nothing new about that—but—

Here's an absolutely new way to get rid of this dirty, diluted oil and put your engine in line for better performance and longer life. It is called Modern Crankcase Cleaning Service.

Modern,—because we use Calol Flushing Oil, the new, scientific,

thorough flushing agent that does not contaminate the fresh oil.

Our skilled mechanics know how to clean out a crankcase with it correctly and quickly, at a nominal cost to you.

This service assures proper lubrication for your cleaned engine. We refill the crankcase with fresh Zerolene of the correct grade.

We recommend Modern Crankcase Cleaning Service as the latest word for better engine operation and longer life for your car.

TODAY: Bring in your car for Modern Crankcase Cleaning Service.

Will You Walk Into My Parlor?

Says the soldier to the fly, I've the slickest little suits at \$19 (worth \$30) that ever you did spy.

THAT'S about the tenor of all clothing ads (everywhere these days). Actually it makes a fellow feel as though all clothiers' spines had turned into clam chowder.

MERCHANTS are all mighty apt to forget the Big Profits of 1918 and 19 and are not smart enough to stand the gaff of readjustment prices without sobbing.

WE WANT to tell you that the SOB SISTERS do not dwell under THIS roof. There is no GLOOMY GUS feeling here because we have worked on a consistent policy of having our goods marked on a small fair margin at all times, and we are proud to say a constantly increasing business.

"Satisfied Customers" is our motto.

Scandalous.

A Virginia editor threatened to publish the name of a certain young man who was seen hugging and kissing a girl in the park unless his subscription to the paper was paid up in a week. Fifty-nine young men called and paid up the next day, while two even paid a year in advance.—Fourth Estate.
