MOTOR VEHICLE OWNERS SHOULD GET LICENSES NOW

Motor vehicle owners who have not applied for their 1921 licenses are urged by the Secretary of State to do so at once in order to avoid congestion in the department around the first of the coming year and also that they may avoid arrest by the peace officers for failure to carry 1921 license plates after January 1st. The law will be rigidly enforced by the inspectors of the department, so the Journal is informed by the Secretary of State. There are now over 103,000 licensed cars in Oregon. To this time about 9,000 applications for 1921 licenses have been received. The facilities of the department are limited and unless the work involved in issuing licenses is distributed over a reasonable period car owners cannot expect to receive their license plates promptly. By delay they are improving their chances for arrest for failure to have their 1921 licenses by January 1, 1921. About October 1st blanks were forwarded to all the owners of motor vehicles for applying for 1921 licenses. If any of them failed to receive blanks it has been by reason of change of residence not reported to the office or failure of the mails. Application blanks may be secured of Marshal Reberger, Recorder Gallegly, Sheriff Noe, County Clerk Moody and the licensed motor vehicle dealers in this locality, or by request of the Secretary of State, Salem, Oregon.

Asks for Divorce

The Vale Enterprise of last week contained the following concerning well known Nyssa people:

"Alleging that her husband struck her, accused her of infidelity and was otherwise cruel and inhuman in his treatment, Mrs. Geneva Ruth Chipman filed suit in the circuit court of Malheur county this week for a decree of divorce from Volney Ray Chipman. Mr. and Mrs. Chipman have been living at Nyssa for some time where the husband was at one time city marshal.

"The complaint further alleges the couple were married at Vale, May 14, 1917. The plaintiff wants attorney's fees, court costs and alimony of \$30 a month."

MANY IDLE MEN AT NAMPA

It is reported that Nampa at the present time has more idle men than it has had for years. The cause of this has not been definitely learned but the fact remains that many men with families are out of employment, reports the Nampa Record.

MISSOURI'S CENTENNIAL, 1921

A big feature of Missouri's centennial celebration, the 100th anniversary of the admission of the state into the Union, that will be held at and with the Missouri State Fair at Sedalia August 8-21, 1921, will be a "home-coming" of all living former Missourians from throughout America.

Many former Missourians are now citizens of this state—if any of them who read this is interested in that call by Mother Missouri to hearthstone gathering of her absent sons and daughters, they are requested to send their present address to W. Barclay VanDyke at Nyssa, Oregon, R. F. D. No. 1, and this information will be forwarded to the Missouri Centennial Committee, Sedalia, Adv. d34t
