Nyssa and Vicinity

A Brief Resume of the Daily Events in a Live Town—What Your Neighbors Are Doing.

R. H. McNea made a business trip to Vale Monday.

D. W. Gibson attended the ball game at Huntington Sunday.

Mr. and Mrs. Charles Crawford motored to Ontario Saturday.

A Mothers' Day Program was also given at the M. E. church Sunday, May 15.

Mrs. Albert Cook and daughter, Dona, were at Ontario Friday, having dental work done.

A large crowd attended the Mothers' Day Program given at the Latter Day Saints church Sunday.

Mrs. Dolly Nelson, also of Big Bend, and the Clarence Zink family also visited at the Ashcraft home.

Al Horn, who is well known in Nyssa, was headed in the direction of Weiser Sunday, leading his race horse.

Frank Newell left Monday for Albany to attend the Grand Lodge of I. O. O. F. as a delegate of the local I. O. O. F.

Floyd Hand, a former resident of Nyssa, is now at Huntington. He is employed at concrete work, making side walks.

Union Service at the Presbyterian church next Sunday, May 22, at 11 A. M. for the graduating class of the High school. All the people are invited.

Albert Cook's grandmother, Mrs. Leech, received a bad fall Monday and injured her knee. She has been confined to her bed since, and Dr. N. C. McLafferty called to attend her at the Albert Cook home.

J. S. Pinkston has been confined to his bed for several weeks with an attack of Neuritis. Dr. Sarazin is attending him, and his many friends will be sorry to hear that he may not be able to walk for some time.

Joe Meyers has a contract cleaning drainage ditch at Arcadia. Mr. Meyers has invented a dredge which makes ditch cleaning a more desirable job. He has been assisted by E. B. Nedry and Dave Hawkins.

In a recent letter from Adolph Schmeiter, who has been shearing sheep at Rock Springs, Wyoming, he states that snow fell there recently to the depth of two feet. They were obliged to postpone the shearing at that place.

The Stoke Cafe and Rainwater Jones cleaned up the dirtiest place in Ontario one day last week—the old Chinese laundry. It has now been perfectly renovated and leased for three years to the popular Stoke Cafe, which needed more room to care for its growing patronage.

Manager J. A. Lakness, of the Malheur Home Telephone Company, was in Nyssa yesterday overseeing the work of remodeling the local central office, which is being renovated and modernized in a manner that meets with the approval of the patrons.

A Silver tea will be given at the home of Mrs. J. P. Dunaway next Wednesday afternoon from 2 to 6 by the ladies of the M. E. church. A good attendance is expected as the ladies are anticipating another of those pleasant social events which make Nyssa different from the average small town.

The power wire that supplies the Kingman Colony irrigation project burned in two recent fires and killed seven head of cattle. Six of them were owned by F. J. Long, and one by Mr. Moses, of the Colony. These cattle were the famous Pete Tensen herd of Holsteins. All of them were talk cows with young calves. J. S. Pinkston purchased them from W. Hillman, and sold them to Mr. Long. The case has not been settled and it is not known what the Power Company will allow Mr. Long.

The Oregon Apiary Company, local manufacturers of a delicious table syrup which is meeting with the favor of the public, have decided on "Dulcose" as a permanent name for their product. This is a most appropriate name meaning according to Webster, the natural sweet of the flowers and plants, and as the syrup is composed of corn syrup and honey, flavored with maple, the name expresses the combination to a nicety. The demand for the syrup has surprised even its manufacturers, and it seems to fill a long felt want.

C. W. DeBoer and family were Ontario visitors Sunday.

Mrs. Pearl Bingham was a guest at the P. M. Warren home Wednesday.

Mrs. W. T. Ashcraft of Big Bend visited at the home of her son, C. F. Ashcraft, Sunday.

George Green took 18 Nyssa fans to Huntington Sunday to the ball game in Cathey's truck.

William Fuller, of Seattle, spent Sunday and Sunday night visiting at the Henry McNea home.

Roy Warren, who has been visiting his uncle, John Halley, of Union, Ore., returned last Saturday.

Mr. J. S. Pinkston returned home from a two weeks visit with relatives on the Owyhee, Saturday.

Mrs. P. M. Warren and son, Roy, motored to the Warren district Monday to visit her daughter, Mrs. Pearl Bingham.

Mrs. Albert Cook left Saturday for Albany to attend the meeting of the Grand Lodge as a delegate of the local Rebekahs.

Rev. Henry Young left Monday to attend the meeting of the Grand Lodge of I. O. O. F., as Grand Chaplain of the state of Oregon.

Speaking of fish: according to a story told by a trainman, while eating his dinner at the Silver Grill Monday, one of the largest bass ever caught in the Northwest was taken recently from the Buttermilk Slough near Weiser, and sent to an Idaho taxidermist.

Mr. and Mrs. Marvin Warren and Mrs. P. M. Warren and daughter, Miss Grace, spent Sunday with the Roy Huley family at Big Bend.

Frank McKnight, of Twin Springs, was a Nyssa visitor Monday. He reports that he finished lambing. Sheep are doing fine; plenty of feed; and they had a heavy rain in his vicinity.

EASTERN STAR KENSINGTON

Thirty five ladies enjoyed the Eastern Star Kensington at the home of Mrs. J. Boydell on last Monday.

Wives, mothers and daughters of Masons were invited guests of the club. Music and unique games furnished entertainment for the afternoon. Dainty refreshments were served at small tables, the Eastern Star colors being carried out, in the flowers at each table.

REBEKAH DISTRICT CONVENTION

The 8th annual convention of District No. 26 convened in I. O. O. F. hall at Nyssa, Tuesday, May 10.

The convention was called to order by the chairman, Mrs. Emma Duncan, of Yellow Rose Rebekah Lodge No. 202. Miss Ethel Pletcher, President of the Rebekah Assembly of Oregon, was absent on account of the death of her father. Beatrice Lodge No. 82 was represented by 8 sisters; Yellow Rose by 16 sisters.

The session was devoted to instruction in the varied work of the order. A short program was rendered.
