MAN KOLONY

plans for its progress have commenced.

Mr. Brethaupt, the county agriculturist, and Prof. Fitz from O. A. C. will hold a meeting for the farmers at the Conrad Martin farm for the purpose of judging dairy cattle on Monday, October 24.

On Monday, October 18, Mr. Everett had the pupils in his room divide into two societies. Florence Bach and Carl Schweizer were chosen leaders. Florence's division held a meeting Tuesday, Oct. 18, and decided to call themselves the "Populists." They also elected a secretary and treasurer.

During our recent vacation, the school house floors were scrubbed and oiled which adds much to the appearance of our school rooms.

The Kingman Kolony school has received an allotment of books from the Malheur county library. Anyone can receive books who is a member of the association.

The Basketball teams have been organized and are just waiting for the goals to be fixed.

The "Populists" are planning a Halloween party to entertain the other society on Sat. Oct. 23.

Friday morning, October 21, Prof. Everett is going to start vocal training in the schools.

The upper room has started penmanship for the benefit of the book-keeping class.

Mrs. Everett will demonstrate the making of cheddar cheese. Any interested in cheese making will do well to come.

Mr. Jesse Conrath has purchased his old home from Alvin McGinnis and will make their future home there. Mr. and Mrs. McGinnis will continue to reside there until spring.

Two Beauties

Could not be kept by their owners.

One nice, almost new piano and one Victrola, like new with a good many records.

These instruments are about half paid for and I will sell them for their balance due and terms if desired. Write FRANK POPMA, adv. Boise, Idaho.

SCHOOL NOTES

Malheur County Teachers' Annual Institute held in Vale, Oregon, October 12, 13, 14, 1921.

WHEREAS: the City of Vale has shown us a hearty welcome during our stay,

BE IT RESOLVED, that we extend our thanks to the Mayor of the city for his welcome to us, and to the local Parent-Teachers Association, to the ladies of the Methodist church, to the Commercial Club, and to all others who contributed to our entertainment.

WHEREAS: the Institute has been a rare treat of good things due to the efforts of our State Superintendent, and instructors,

BE IT RESOLVED, that we hereby express our very sincere appreciation to them.

WHEREAS: we realize the importance of the instruction in fundamental subjects,

BE IT RESOLVED, that we pledge ourselves to earnest efforts in effecting Oregon's objectives in education as outlined by Superintendent Church.

WHEREAS: stress has been placed by Professor Dubach and others on the importance of character building in training for future citizenship,

BE IT RESOLVED, that we, the teachers of Malheur county, believe in laying greater stress on such virtues as honesty, integrity, courage, purity, honor and cleanliness.

WHEREAS: we realize that the future efficiency of our citizens depends much on their physical condition and that the Oregon Tuberculosis Association is doing a work of inestimable value to our state at large,

BE IT RESOLVED, that we pledge ourselves to support their efforts in every possible way.

WHEREAS: it has been estimated that the Parent-Teachers Association is the greatest agency for progress in education at present,

BE IT RESOLVED, that we endorse the work of the Parent-Teachers Association.

WHEREAS: the county system of administration and taxation means a larger educational opportunity to all the children of Malheur county,

BE IT RESOLVED, that we will actively take advantage of the offer of the county agent to promote better teaching of agriculture in our schools.

WHEREAS: the success of the schools of Malheur county depends largely on the cooperation of the teachers of Malheur county with the county superintendent,

BE IT RESOLVED, that we will accord our county superintendent all the help and support within our power to make this the greatest school year in Malheur county.

WHEREAS: this Institute is rapidly drawing to a close, be it resolved that we carry to our respective committees the inspiration of this Institute.

Nyssa and Vicinity

A Brief Resume of the Daily Events in a Live Town—What Your Neighbors Are Doing.

Arcadia

Floyd Linder made a business trip to Homedale Tuesday.

Leland, Stanley and Carl Fenn left last week for Twin Falls.

Mrs. Elmore McLellan and Miss Georgia Dennis were Ontario visitors Monday.

Mrs. W. F. Wade, of La Grande, visited with Mrs. Zina Rambaud a few days of last week.

Mrs. Esther Cobb has rented her residence on the East Side and will move to Homedale for the winter.

M. Peterson, who purchased the Lund sheep recently is bringing them in from the range north of Boise.

Mrs. D. W. Gibson and daughters returned Monday from Nampa where they spent the week end with relatives.

Born to Mr. and Mrs. Ray Shoemaker at the home of the latter's parents, Rev. and Mrs. Wharton, a son on Saturday, Oct. 15.

Mr. and Mrs. Wm West, who have been occupying the Wm Ward house on the East Side, are moving this week to their ranch near Nyssa.

H. I. Hansen, formerly pastor of the M. E. church of Nyssa, passed through here Monday on his way to Gooding. Mr. Hansen is now pastor of the M. E. church of Cambridge Idaho.

The Ladies of St Paul's Guild will meet at the Parish Hall Wednesday, October 26. A bazaar is being planned for November, and any help or contribution given the guild at this time would be greatly appreciated.

Mrs. W. H. Beem, Mrs. M. A. Tomlinson and Mr. and Mrs. J. B. Smith motored from Nyssa Wednesday and attended the P. T. A. Council meeting. Mrs. J. B. Smith is the county president of the society.

Captain F. B. Ebbert, General Counsel of the Pacific Coast department of the Anti-Saloon League of America, will speak at the Methodist church on the theme, "The Unfinished Bottle." Admission free. Everybody welcome.

Dr. E. A. Nixon, Nyssa's dentist has received some fine new equipment and is getting his offices fixed up in nifty style. With the arrival of the Weber Universal Unit which the doctor is expecting daily, his offices will be furnished with tools and supplies second to none in this part of the country. He is spending time and money getting ready to take care of the dental needs of the people of this community in an up to date and professional manner, and says that he wants the people to feel that he is the "Nyssa dentist," and is here to stay.

Firemen Hold Meeting

Amesing of the Nyssa Volunteer Fire Department was held at the city council room Monday evening and officers were elected as follows: Sid Eurbidge, President; Arthur Cook, Chief; J. N. Hunter, Secretary; Marlin Wilson, Treasurer.

Several new members were signed up, and Mayor Warren and two members of the council who were present promised their cooperation.

Arthur Cook was appointed to confer with the council regarding supplies, repairs, etc.

The next regular meeting of the Fire Department will be held the second Monday in November.

MON-EDWARDS

Ted Hon and Miss Irene Edwards of Nyssa were quietly married at the Methodist Parsonage by R. V. J. A. Meltor Wednesday forenoon. A number of relatives were present at the ceremony.

Ted Hon has lived near Vale with his parents the last two years. The Hon family formerly resided in Nyssa. The bride is a daughter of Mr. and Mrs. Frank Edwards, who live in Arcadia at present, near Nyssa. They have lived in that community for a number of years, where the bride is very well known. The announcement of the marriage of the young couple will be a great surprise to their many friends in that community, as it was kept secret until after the ceremony.

Mr. and Mrs. Hon left with the founder's parents for Harper on Wednesday afternoon, where they will make their home.—Malheur Enterprise.

Wilson Bros. Store Again Burglarized

Wilson Brothers' department store was again burglarized Thursday night, and goods to the value of around five hundred dollars, consisting of clothing, blankets, etc., taken. Entrance was gained through one of the rear windows with the aid of the regulation yegg's jimmy—the brake shoe key from a box car. Two of these implements were left on the premises. The goods were evidently carried to a car stationed a block or so from the store. The car used was apparently a Ford equipped with four Goodyear "All weather" treads.

Sheff Lee Noe was on the scene early Friday morning looking for clues and getting descriptions of the merchandise taken.

PASTOR RESIGNS

Rev. W. F. Shields has resigned as pastor of the First Presbyterian church of Nyssa to accept calls from Wallawa and Lostine of Wallawa County, Oregon. Mr. Shields' relations with his people and the community have been most friendly and harmonious and his reason for going to another field is the largeness of this field and the difficulty of working it in the winter months. He has preached regularly in Nyssa and in six other places. His parish is about 26 miles long, and has included all in reach with a Ford car on the Oregon side of the Snake river. The people will regret his departure, but all will wish him and Mrs. Shields health, happiness and success in their new field. His work closes here early in November.

SCHOOL NOTES

A Girls Athletic Association was organized Monday, Oct. 17, for the purpose of starting different athletics among the High School girls. We hope that by next week the girls will be organized and playing games outdoors. The following were elected officers: Lillie May Hunt, President; Ruth Barrett, Secretary; Geneva Vaughan, Treasurer.

School lunches being served now. A meal ticket is 35c a week.

THE HALLOWEEN MASQUERADE

A party held Friday evening October 14, was given by the seventh and eighth grade girls in honor of the 7th and 8th grade boys. They also invited the 6th grade. Games were played, music and singing was enjoyed by all, after which delicious refreshments were served.

Under the supervision of Mrs. Reynolds the 3rd and 4th grades girls are organized in teams for ball. Norma Snelder being captain of one team and Margaret Hunt captain of the other.

On account of the tuition fee which is to be paid for those living in districts other than this, the 7th and 8th grades have lost several students, thus decreasing the enrollments immensely.

Duel Clement left the Nyssa school. He will attend the school at Arcadia.

Rex Walter stopped school this week.

The Fourth and Fifth grades are getting collections of flowers for their rooms. The collections now consist of geraniums, lilies and cacti.

The enrollment of the school now stands:

High school	65
Eighth grade	20
Seventh grade	13
Sixth grade	24
Fifth grade	23
Fourth grade	28
Third grade	20
Second grade	29
First grade	22
Total	243

Friday the 14th, the Nyssa football team enjoyed a practice game with Ontario first and second teams. Coach Duncan, of Nyssa, was on the field trying out new plays and lining up our defense.

On Tuesday Nyssa H. S. beat Ontario H. S. second team, the score being 16 to 6. The line-up of the Nyssa team was:

Captain Clyde Beam	Quarter back
James Dunes	Full back
Ed Griffin	Left half
Frank Reberger	Right half
Bruce Walters	Center
Chas. Schaffer	Left guard
John Koopman	Right guard
S. McMurren	Right tackle
Bert Shelton	Left tackle
Lloyd Hoxie	Tackle
Warren Blodgett	Right end
Laurence Blodgett	Left end

The next game will be played with Roswell H. S. Friday, October 21, at Roswell.

The big Fall invitation sale at Wilson Bros. store closed Saturday after a week of strenuous work for the large number of clerks employed. It was undoubtedly one of the most successful selling events in Nyssa's history. The big cut in prices was irresistible for the bargain hunters.

The attention of the buying public is called to the advertisement of the Hub Store of Ontario, where some attractive prices are offered. The Hub is one of the up to date business houses of Ontario and has just moved into new and commodious quarters in order to take care of their rapidly increasing business.

Bank With Us

This is a little simple invitation in itself, but it means to the firm, merchant, corporation or individual who accepts, substantial assistance in business, security for funds, and all the conveniences a well organized banking system can extend.
