## A Big Community Night—Morris Entertainers and Male Quartet

Nyssa people will have a very unusual opportunity to listen to a male quartet on the night of Tuesday, June 13, at the local Methodist church.

The Morris Entertainers are known as the "Rocky Mountain Warblers," and have entertained throughout the West.

Nyssa is fortunate in securing this concert. The company carries the celebrated Organ Chimes, worth going miles to hear.

There will be no admission fee at the door, but a silver collection will be taken at the close of the entertainment to defray the expenses of the entertainers.

## Call for Mass Meeting.

The meeting will be held at the council room on Wednesday evening, June 7, and every citizen interested in an efficient water system for irrigation purposes is urged to be present.

## "Happiness" to Make Its First Appearance in the West

The Play "Happiness" Will Be Headline Entertainment Feature at the Coming Chautauqua

"Happiness," that much discussed and much admired play of Hartley Manchester which has been so remarkably successful in the East during the past two seasons, will make its first Western tour with the Chautauqua, appearing on the second night.

## Chautauqua Season Almost Here--July 4-8 Is the Date

The Chautauqua season of 1922 is an important one in the history of the Ellison-White Lyceum and Chautauqua association, as it is the tenth anniversary of the establishing of their Chautauqua business in the West.

The outstanding number in the entertainment field will be the production of "Happiness," which will be given by the Ellis Day Players of Chicago. Mr. Day is one of the best known actor-producers of the middle West, and the announcement of his name as producer is in itself a sufficient guarantee of a standard attraction in every sense of the word.

Among other entertainers on the highest class on the program are the Garner Jubilee Company and Male Quartet, the Loren Bates Company and the Patricia Trio.

The list of lecturers includes Dr. William E. Bohn, Judge George D. Allen and Virgil I. Shepherd. Mr. Shepherd is a gifted California writer and lecturer who is fast coming to the front in the Chautauqua world.

The Junior Chautauqua, as usual, will be a big feature, and already there is considerable interest manifested by the children of the city.

## Pilgrimage Play The Life of Christ

The Pilgrimage Play, Life of the Christ presented in the beautiful operatic theatre in the foothills of Los Angeles, less than half an hour by trolley from the heart of the city, is unique among the religious dramas of the world in that it offers a visualization of the entire Life of Christ so far as it is given in the Scriptures.

Since last season many improvements have been made to improve both the production and the theatre, 1200 comfortable, cushioned seats installed. All seats are reserved. New and appropriate music had been composed for the coming season. Many new lighting plans are being perfected, and electrical effects never before attempted in the outdoors will be possible.

The play will be in 12 episodes and special attention is being directed toward the perfecting of the production from an archaeological, as well as historical standpoint, so that the play may serve as an exact chronology of the Life of Christ.

The third annual season of the Pilgrimage Play Life of the Christ opens

Nyssa lost the benefit ball game Tuesday to the Vale team by a score of 9 to 8. The absence of Diven, who was unable to play on account of a badly injured hand, weakened the team which, together with a number of bad errors on the part of the Nyssa boys, caused them to go down to defeat.

## Nyssa Adds One More Scalp to Her Belt

Nyssa added one more scalp to her belt Sunday in the league game with the Ontario team, beating that aggregation of ball tossers by a score of 8 to 5. As Vale, the low team, defeated Huntington, it gives Nyssa a lead in the race for the pennant that will be hard for the opposing teams to overcome.
