Did you ever stop
to think

That a little carelessness in talking sometimes does much harm. That at times a convenient memory comes in handy, sometimes it gets you in wrong. That it doesn't pay to hunt grief, it finds you quick enough.

"That they give freely of their time and money toward the upbuilding of the community in which they live. That they do much toward making their city a better city and advancing their city and county, so that additional industries, residents and

According to reports from members of the Oregon Clay Workers' Association, 1,698,500 feet of tile was laid in 1921 for farm drainage purposes.

used in farm drainage was offset by clay tile used for road and base-ent drainage. The Oregon experiment station has tried on experimental work which shows the most economic method of drainage for various soil types.

ent, or if none in the county where assistance is desired, to the O. A. C. Extension service.

Scene 1
The little Christmas pageant is intended to be sufficiently so that the teacher may use and table with ragged cover on it in front of black curtain. Two small packages on table. Back of curtain and not visible to the audience is the Piv Tree decorated with tinsel and candles and presents. Door open.

Tree: Oh, I'm so lonesome—
it is almost night and Christmas
is that, and no one has come
yet, so that I could be their
children: Merry Christmas, Ma-
ma, Merry Christmas. Kiss us both,
such a nice motherkin! (Children
exit.)

Lucy: Why Mummy, where did that come from, why—
Joe: I think up and say softly) (Joe looks up and say softly)
Joe: I look the fairies must have brought it in. Lucy look, there they are now! (Snow fairies steal in very quietly and group around the tree)
Lucy: Would you like to be the first and Lucy? They just love it!
Joe: I will like to be the tree for every one I picked out. Do you like it? Here it is, Dad, here it is, (Joe for winter comes running in) brought a scart around her neck and quickly away a little girl and shows Christmas tree.
