IN THE COUNTY COURT OF THE STATE OF OREGON, FOR THE COUNTY OF MALHEUR.

NOTICE IS HEREBY GIVEN, that hearing on the following petition will be held at the Court house in the City of Vale, Oregon, on the 30th day of July, 1923, at the hour of 11:00 o'clock in the forenoon of said day, for the purpose of determining whether the prayer of said petition shall be granted.

All persons owning or claiming interest in lands described in said petition are hereby notified to appear at said place and on said date and show cause if any there be, why the prayer of said petition should not be granted.

H. S. SACKETT, Clerk of Malheur County Court. By Roy Daley, Deputy.

TO THE HONORABLE COUNTY COURT OF MALHEUR COUNTY, STATE OF OREGON:

The undersigned, being owners of more than fifty per cent of the acreage of the contiguous body of alkali, wet and overflow land in Malheur County, State of Oregon, hereinafter described, do hereby petition your honorable body to cause to be organized a drainage district for the purpose of having lands reclaimed and protected from the effects of water, for sanitary and agricultural purposes and for the convenience and welfare of the public utility and benefit; and for the purpose of this petition we state the following matters as required by Chapter 340 of the General Laws of Oregon, for the year 1915:

1. The name proposed for such District is Owyhee Drainage District.

2. The boundary lines of the proposed District are as follows: Beginning at the corner of sections 25, 26, 35 and 36, T 20 S., R 46 E.; thence east to the west bank of Owyhee river; thence south and west along west bank of Owyhee river to a point where said bank intersects south boundary of section 35; thence west to southwest corner section 35; thence north one mile; thence east to place of beginning. All being in Malheur County, State of Oregon.

3. The total acreage included in the said proposed district is 600.2 acres.

4. The names of the owners of the land in said proposed District, as shown by the records of Malheur County, Oregon, and the acreage owned by each of said owners is as follows:

NAMES	ACREAGE
J. F. Reece	158.4
Wm. McEwen	120.0
Wm. Peutz	118.0
C. L. Fischer	38.0
S. M. Stewart	166.0
Malheur County	12.2

5. The proposed reclamation and protection of said lands is for sanitary and agricultural purposes; and such reclamation and protection will be conducive to the public health and welfare, and of public utility and benefit.

6. All of the lands included in said proposed District are properly included therein, and will be beneficially affected by the operations of the proposed District.

7. The benefits of such proposed reclamation and protection will exceed the damage to be done; and the best interest of the land included, and of the owners of such land as a whole and of the public at large, will be promoted by the formation and proposed operation of said District.

8. The formation of the Drainage District, under the provisions of Chapter 340 of the General Laws of Oregon for 1915 under the provisions of which this petition is proposed, is a proper and advantageous method of accomplishing the reclamation and protection of the land in said proposed Drainage District.

9. The proposed plan for the reclamation and protection of the property in the proposed District is by system of tile drains properly designed and located to carry off drainage water.

The land included in the proposed district is so situated that without ditches being constructed and water is not drained off the land remains cold and sour.

10. The signers of this petition agree that they will pay any and all expenses incurred, and any tax or taxes that may be levied against their respective lands for the purpose of paying the expense of organizing or attempting to organize the proposed district, such expense to be taxed against the lands of the signers in proportion to the number of acres owned by them and affected by the proposed drainage.

11. WHEREFORE, your petitioners pray that the lands described herein, or such of them as may be found by the court to be properly included in the proposed drainage district, either permanently or until further investigation and surveys may permit elimination shall be declared organized into a drainage district under the provisions of Chapter 340 of the General Laws of Oregon for the year 1915.

Signed, WM. PEUTZ
