IN MEMORIAM

Mrs. Margaret Schweizer died at her home in Caldwell Wednesday, July 25, 1923, at the age of 65 years, following a lingering illness of several years. Margaret Sinclair was born in Detroit, Mich., July 2, 1858. She was married to Otto Schweizer in 1877. Ten children were born to this union, six of whom are still living. She moved to Canada and lived there a year and then moved to Denver, Colo., lived there three years and then came to Oregon. In 1885 she took up a homestead on the Owyhee, where she lived until five years ago, when she moved to Caldwell and has since made her home with her daughter, Mrs. Ruth Share. The following children are living: Gertrude Ramsey and Ruth Share of Caldwell, Idaho; Mrs. Emma Householder of Payette, Ida.; George, Charles and Otto Schweizer of Nyssa, Or., who with 12 grandchildren and husband of deceased, were all at her bedside. Interment was in the Owyhee cemetery.

She is gone. Another name is stricken from the ever lessening roll of our old settlers and many aching hearts attest how sadly she is missed. It must be so. These tender human ties cannot be severed without a pang. Yet in such a death there is no cause for grief. Her life work was done and well done, and wearied with life's duties and cares, weary of suffering and waiting, she lay down to rest. Her life was gentle, but like the still waters, it was deep. In her heart of hearts she carried those she loved and her hand was never weary in ministering to those dependent upon her. And her children shall rise up and call her blessed.

Card of Thanks

Our most heartfelt thanks are extended to the many friends who so kindly gave us their sympathy and assistance during our recent bereavement, and for the many beautiful floral offerings.

Otto Schweizer and Family.

Victory for the Nons

The tide of battle turned against the Girls Reserve Wednesday evening in the return game with the Non-reservists, when the latter defeated them 10 to 9 in six and seven innings. The lineup and batting order were practically the same as the week and the playing match was the same, but the "breaks" seemed to favor the winning team and enabled them to gain the victory. This makes one game each and another one will have to be played in order to break the tie. The receipts of the game amounted to \$7 which, with the \$6 received at the game last week, will be used to help finance the trip of the Girls Reserve to an institute at Smith's Ferry next week.

Expressions of Sympathy.

The members of Yellow Rose Rebekah lodge 202 extend their heartfelt sympathy to Sister Dennis and family in their recent bereavement. May the great Sovereign Grand Master of the universe grant them the strength to bear the loss of their loved one, and you the darkness, but the "breaks" seemed to favor the winning team and enabled them to gain the victory. This makes one game each and another one will have to be played in order to break the tie. The receipts of the game amounted to \$7 which, with the \$6 received at the game last week, will be used to help finance the trip of the Girls Reserve to an institute at Smith's Ferry next week.
