CLUB NEWS NOTES

ITEMS OF INTEREST ABOUT THE BOYS AND GIRLS.

Boys and Girls Have Joint Meeting and Picnic.

The boys and girls of Brogan Sewing and Live Stock clubs held a joint meeting August 29th at Mrs. Thomson's.

The boys made the ice cream for the party and each one brought something to eat with them so we surely had some spread.

After the luncheon was over we held the meeting where several things were discussed as to the fair and as to each one's particular project. Pictures were taken of each of the clubs, after which we adjourned.

The girls finished their sewing and we brought it with us. These girls are the first in the county to have finished and hand in their work. If nothing happens this club will be a 100 per cent club.

The boys received their fourth report card which completes their work for this year. These boys are showing up fine as a stock judging team. They placed second last year and will make somebody work for first place this year. They are going to finish 100 per cent.

Stunts at County Fair.

The boys and girls of the county in club work are going to put on a parade representing each project carried on this year.

There are three baseball teams in the county which all stand the same at present. Each team having played two games and lost one. The two winning teams will be decided by two more games and they will play the finals at the county fair.

We intend to have one of the best judging contests ever this year, having five teams competing in this event. They will judge one class of dairy animals and one class of pigs.

The poultry club of Valley View are going to put on a judging contest within the club, making it an individual contest. Mr. Cain of Ontario is going to put up some kind of a prize.

There will possibly be a cooking demonstration put on by the girls of Jefferson under the local leadership of Mrs. Ida B. Leach.

The corn club boys are raising some mighty fine corn this year and will be here to challenge any one in the open class. The boys are working hard for state honors with their corn.

Boston man broke a robber's nose. Never stick your nose into other peoples business.

COUNTY STATISTICS
