NOTICE OF HEARING ON PETITION TO FORM DRAINAGE DISTRICT

IN THE COUNTY COURT OF THE
STATE OF OREGON, FOR THE
COUNTY OF MALHEUR.

Notice is hereby given that hearing on the following petition will be held at the Court House in the City of Vale, County of Malheur, State of Oregon, on the 31st day of December, 1923, at the hour of 11:00 o'clock in the forenoon of said day, for the purpose of determining whether the prayer of said petition shall be granted.

All persons owning or claiming an interest in lands described in said petition are hereby notified to appear at said place and on said date and show cause, if any there be, why the prayer in said petition should not be granted.

H. S. SACKETT,

Clerk of the County Court of Malheur County, State of Oregon

IN THE COUNTY COURT OF THE
COUNTY OF MALHEUR, STATE
OF OREGON.

To the Honorable County Court of Said County and State.

The undersigned being more than 50 per cent of the acreage of the contiguous body of alkali, wet and overflow lands in Malheur County, State of Oregon, hereinafter described, do hereby petition your honorable body to cause to be organized a drainage district for the purpose of having such lands reclaimed and protected from the effects of water, for sanitary and

agricultural purposes and for the convenience and welfare of the public utility and benefit; and for the purpose of this petition we state the following matters as required by Chapter 40 of the General Laws for Oregon for the year 1915.

1. The name proposed for such drainage district is: Owyhee Drainage District.

2. The boundary lines of the proposed District are as follows:

Beginning at the northeast corner of Section 35, in Township 20 South, Range 46 east of the Willamette Meridian, in the County of Malheur, State of Oregon; running thence south to the north bank of the Owyhee river; thence in a southwesterly direction along the north bank of said Owyhee river to a point where said north bank of said river intersects the south boundary line of said Section 35; thence west along the south boundary line of said Section 35 to the southwest corner of said Section; thence north along the west boundary line of said Section 35 to the northwest corner of said Section; thence east along the north boundary line of said Section 35 to the northeast corner of said Section, which is the place of beginning.

3. The total acreage included in the said proposed District is 602.6 acres.

4. The names of the owners of the lands within said proposed District, as shown by the records of said Malheur County, State of Oregon; and the acreage owned by each of said owners is as follows:

NAMES	ACREAGE
John F. Reece	168.4
William McEwen and J. M. McEwen	120.
C. L. Fisher	23.5
S. M. Stewart	156.
Wm. Peutz	118.
Spaulding Mfg. Co.	9.5
Malheur County, Oregon	12.2

5. The proposed reclamation and protection of said lands is for sanitary and agricultural purposes; and such reclamation and protection will be conducive to the public health and welfare, and of public utility and benefit.

6. All the lands included in said proposed District are properly included therein, and will be beneficially affected by the operation of the proposed District.

7. The benefits of such proposed reclamation and protection will exceed the damage to be done; and the best interests of the land included and of the owners of such lands as a whole and the public at large, will be promoted by the formation and proposed operation of said District.

8. The formation of the drainage District, under the provisions of Chapter 340 of the General Laws of Oregon for 1915, under the provisions of which this petition is proposed, is a proper and advantageous method of accomplishing the reclamation and protection of the land within the proposed District.

9. The proposed plan for the reclamation and protection of the property and lands in the proposed District is by system of tile drains properly designed and located to carry off waste, seepage and drainage water.

The land included in the proposed drainage District is so situated that without ditches and tile drainage being constructed and laid, and the waste, seepage and drainage water drained off, the said lands will remain cold, sour and unprofitable for agricultural purposes.

10. The signers of this petition agree that they will pay any and all expenses incurred, and any tax or taxes that may be levied against their respective lands for the purpose of paying the expense of organizing, or attempting to organize the said proposed District, said expense to be taxed against the lands of the signers hereto in proportion to the number of acres owned by them and affected by the proposed drainage.

11. WHEREFORE, your petitioners pray: that the lands described herein, or such of them as may be found by the Court to be properly included within the proposed drainage District, either permanently or until further investigation and surveys may permit elimination, shall be declared organized into a drainage District, under provisions of Chapter 340 of the General Laws of Oregon for the year 1915, and any and all amendments thereto.

Signed,

S. M. Stewart
Wm. Peutz
C. L. Fisher
John F. Reece

STATE OF OREGON

Four Times a Year---a Christmas Gift

After all, the value of a Christmas Gift should be measured, not merely by the temporary joy it brings on Christmas day or for short time afterward, but by its real usefulness and lasting value to the recipient. Here is a gift that will be a happy reminder of your thoughtfulness four times a year---this gift is shares of

Idaho Power Company's 7% Preferred Stock

When you give one or more shares of Idaho Power Company's 7 per cent Preferred Stock, you are giving something that will earn money for the person to whom you give it, year after year. Four times a year, on February 1, May 1, August 1 and November 1, this stock pays dividends---7 per cent per year on each dollar invested.

A Thoughtful Gift for Your Wife, Son or Daughter

Any member of your family would value a share or more of Preferred Stock. Every time a dividend check comes in it is just like getting another Christmas present.

Your wife would like to receive the little income represented in these quarterly dividends---she likes to have a little fund of her own. For your children it would be the best possible training in the principles of finance---it would be a lesson in economy and thrift.

A Safe Investment in a Fast Growing Idaho Industry

The Idaho Power Company is firmly established. It is a going concern, manufacturing a product that contributes to the happiness, welfare and progress of every community it serves. This is not a concern seeking capital, with which to speculate in an enterprise whose success might be doubtful.

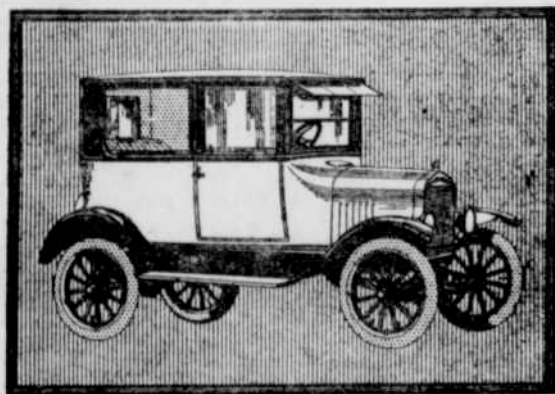

New capital is needed from time to time to broaden our service and expand our facilities for taking care of increasing demands of our customers.
