Pioneer Woman Dies

Once more has the hand of death invaded the rapidly thinning ranks of the early settlers of this community. Mrs. Jacob Huffman, whose death occurred on April 7, came with her husband and family from Missouri to Owyhee 33 years ago and continuously resided there ever since.

At the time of her death Mrs. Huffman had attained the ripe old age of 82 years. Besides her sorrowing husband, she laves to mourn her loss two sons, E. R. and James Huffman, and one daughter, Mary E. Rust. Interment was made at the Owyhee cemetery April 10, Rev. Mr. Blom of Ontario officiating.

Fishing Trip

The opening of the fishing season was made the occasion for for a fishing trip to lake Lowell by a number of devotees of the gentle art of luring the finny beauties from their watery homes. The party included William Vogts and family, Ernest Tharp, Perry Lowe and wife, Mrs. John Lackey, Ira Cunningham and Archibald McIntyre and family. Saturday and Sunday were spent at the lake, during which time a goodly number of bass and perch were successfully transferred from the waters of the frying pans of the visitors.

Easter Service

Sunday, April 20, is Easter. We know that Easter is the time when we commemorate the resurrection of our Savior; so let us do it in a way that will be pleasing to him.

There will be church services at the Episcopal Parish Hall on Easter Sunday at 11 o'clock in the morning. The choir is arranging for special music. All are welcome.

Rev. Irvin Q. Wood.
