Fatal Accident

This community was shocked Tuesday to learn of the fatal accident to Elida May Davis, 3-year-old daughter of Mr. and Mrs. Glenn Davis. It seems that on Sunday the child found a copper cent which she attempted to swallow. The coin lodged in her throat. Efforts to dislodge it by physicians in Ontario were unsuccessful. Then at attempt to force it down the throat was made. This also failed. She was rushed to Boise Monday by Drs. James L. Stewart and J. Carl Hill and was given surgical treatment, but all efforts to save her life were in vain.

The funeral was held Wednesday afternoon at 2:30 o'clock from the Free Methodist church, Boise, Rev. J. M. Root officiating. Interment was made in Morris Hill cemetery. The sympathy of the entire community goes out to Mr. and Mrs. Davis in their sad bereavement.

Open Air Band Concert

The Nyssa band will give an open air concert next Wednesday evening, June 11, at 8 o'clock p. m. sharp. A band stand is being erected on the vacant lot next to Dr. Sarazin's office. It is expected to make open air concerts a regular weekly feature during the summer months. Let everybody come and show by their presence that they appreciate the efforts the boys are making to put Nyssa on the musical map. The band has made wonderful progress since its inception about a year ago, and will doubtless continue to grow steadily better as the players acquire more experience. Show your interest by being present Wednesday evening. You will not regret it. The music will be good.

Market Road

A number of citizens, including J. P. Dunaway, Ernest Wilson, E. M. Blodgett, Audrey Ward, Chas. Garrison and C. F. Eder, were in Vale Wednesday in the interest of the Jordan Valley Market road, the completion of which was being given consideration by the county court on that day.

A government appropriation of \$100,000 is available for the purpose, contingent upon certain conditions being met by the county court and by the neighboring Idaho counties in regard to connecting up with the present system of highways. No difficulty being anticipated in securing the necessary co-operation of the counties, it is confidently expected that the Jordan Valley Market Road will soon be an accomplished fact.

We would consider it a great favor if you will telephone, write or call for any information required regarding rates on fire protection, or any other lines that are mentioned in our regular ad. Unfortunately the undersigned cannot cover the whole district in person, therefore will greatly appreciate any business that may come to us. Thanking all for past favors. J. Boydell, Nyssa, Oregon.

Insure Your Grain

A spark, a cigarette or pipe might destroy the field. It is too dry to carry your own risk; let us assume it. Growing grain insurance costs no more to insure while in the field than it will if you delay until threshing time. It covers growing grain, or in shock, stacks, in sacks, in granary or in warehouse. From the date insured until December 31st the rate is very low and the protection great. Information furnished upon request. Office on the south side of Main street. J. Boydell, dealer in real estate, Nyssa, Oregon.

Bank Designated

Jefferson Myers, state treasurer of Oregon, has designated the Malheur County Bank of Nyssa a state depository. Under the commission issued this bank is eligible to receive funds of the state on deposit to be paid on the order of the state treasurer.
