Order Your Wood for Winter NOW!

Don't Wait until the Limited Available Supply Is Exhausted

The Interstate Commerce Commission is urging everyone to lay in their winter fuel now, before the big crop shipments begin, in order to avoid a fuel shortage this winter.

In the late Summer and Fall of every year since we have been supplying wood to the people at economical prices, it has been impossible for us to fill all the orders received. The situation will be no different this year unless you order early.

WE CAN SUPPLY YOU WITH WOOD NOW

We have caught up with the heavy demand for wood and have now available a few more cars. These cars contain 16 cords, and the price delivered on cars at

NYSSA is
\$3.35 Per Cord

If you cannot use an entire car, go in with your neighbor and buy half a car each. All orders will be filled in the rotation received—first come, first served.

Place Your Order NOW

Don't wait until the supply is exhausted. Take no chances of being too late. Order your wood at once.
