COUNTY FAIR WILL BE BIGGEST EVER

MANY AWARDS TO BE MADE—REPORTS INDICATE RECORD ATTENDANCE

PROGRAM INCREASES DAILY

Racing And Wild West Shows—Monster Parade—Band Concerts, Dancing Every Night

The program of the Malheur county fair to be held at Ontario week after next is increasing in size almost daily. When the fair opens on September 10, a larger crowd is expected than has been attending for many years.

Reports indicating a record-breaking attendance are coming from all parts of Malheur county as well as from Payette, Washington, and Gem counties in Idaho.

Racing and Wild West Program

John Tons of Vale has been engaged by the fair committee to secure the wildest of wild horses and the best of good riders for the racing and rodeo program. Mr. Tons is scouring the hills and plains for outlaw horses and for riders who are able to stick it out on all comers. An unusually large amount will be offered in purses this year, in fact a total of approximately \$5000 will be offered during the three days of the fair. This, in addition to the fair premiums of \$2000 and the free prizes totaling in value \$500, will make a total offering for the three days of \$7,500. It is not expected that any of this money will be in the treasury when the fair closes, but that every cent will be called for. Auto and motorcycle races have been added to the sport program with attractive purses for these events.

Down-Town Attractions

In addition to the Bernardi Ex-

BIG BEND

Mrs. Wm. Shultz is away visiting friends and relatives and will be gone for several days.

The infant son of Mr. and Mrs. D. E. Walker who has been quite ill for some time past, is improving.

A. L. Lewiston is very poorly again, he is bed fast most of the time.

Geo. Russell sold E. Ekes one and one-half tons of wheat at the good price of \$1.95 per cwt.

The crops of Big Bend are fairly good considering the water shortage.

The government water is practically all gone, but the Riverside ditches have plenty of water yet by rotating.

Jack Duno and Bill Manilli of Notus, were Big Bend business visitors one day last week.

School is expected to start September 15th with the same teachers that were employed last year.

Mr. and Mrs. Marion and Mrs. Ed Wilson attended the meeting of Mrs. Mattie Crawford at Caldwell, Sunday and witnessed the baptism of about 200 converts.

Joseph King has installed a new concrete watering trough for stock on his place which is quite an improvement.

Mr. and Mrs. T. D. Scott attended the revival meeting in Arena valley held by the Nazarene people and report a good attendance. The meetings will continue through out the week.

position Shows, the down town attractions will include a monster parade at 11:30 o'clock on the opening day of the fair, band concerts, every evening at 7 o'clock, and dancing in a hall on Main Street. The American Legion is cooperating in a hall on Main Street. The American Legion is cooperating with the fair committee in putting on the dance and making it one of unusual attraction. One of the best orchestras available has been engaged, thus assuring the dancers added satisfaction.

PLANS UNDER WAY FOR RAILROAD CELEBRATION

EXCURSION TRAIN TO BEAR GUESTS TO BURNS ON SEPTEMBER 24

Committees Are in Action—Round-up Follows Celebration—Prominent Men To Be Present

The date for the celebration of the laying of the railroad from Crane to Burns has been set for September 24, the day immediately preceding the annual Burns Round-up. An excursion train has been secured for the occasion, and a large crowd from Harney county and neighboring counties is expected.

Chairmen of committees for the celebration have been appointed and have been given authority to choose their own committee-men. The finance committee reports good progress in the securing of funds to defray the necessary expenses of such an occasion.

It is planned to have autos meet the excursion train, which will arrive at one o'clock in the afternoon, and the guests will then be taken to headquarters where they will register and be assigned rooms. The formal program will be given on the court house lawn at three o'clock. It is expected that several prominent men from all over the northwest, including members of the Oregon and Idaho congressional delegation, Col. Greeley, head of the U. S. Forestry Department, prominent railroad men, representatives of the Portland Chamber of Commerce, Boise, Spokane and other places, also officials of the railroads will be on the program. At the conclusion of the speaking a big barbecue dinner will be served, cafeteria style, to everyone present.

Arrangements are being made for a large number of guests who will probably remain for the Round-up

OWYHEE

Mr. and Mrs. Wm. Schweizer and daughter, Anna Louise, returned last week from a three weeks' visit with relatives in Seattle. Mr. Schweizer reports that business is booming around Seattle and every one seems contented and doing well.

The social event of the week was a farewell party given Thursday evening in the Pullen home in honor of the Pullen family who are soon moving to Roswell to be near better school advantages for their children, also in honor of Nellie and Rada Elliot who left Monday for Las Animas, accompanied by their uncle Wm. Gruber, where they will make their home with relatives and attend high school.

The evening was enjoyably spent with music and games after which dainty refreshments of ice-cream and cake were served. Guests present were Mr. and Mrs. Robert Elliot and daughters, Nellie and Rada, Mr. and Mrs. Noble Pullen, Misses Mary Toombs, Evelyn DeBord, Myrtle Points, Audrey and Viva Caywood and Clarence Rippey, Kenneth McDonald, Gerald DeBord, Wm. RESERVED WATER USED TO DEVELOP DISTRICT

GOVERNMENT RESERVES ALL UNAPPROPRIATED WATER OF OWYHEE

Will Develop Owyhee Irrigation District—Approved By Federal Reclamation Service

Notice that the government had reserved all unappropriated water of the Owyhee river in Malheur county was received at the office of the state engineer today.

It was indicated by the state engineer that the water from this stream would be used by the government in developing the Owyhee irrigation district, one of three projects recently approved by the federal reclamation service. The other projects are the Baker and the Warm-springs.

The Owyhee project includes approximately 172,000 acres of land and was said to be one of the most feasible federal projects in the west.
