New Milkman

The lure of the farm has induced Dwight Smith to give up his business of furnishing Nyssa citizens with their milk supply, which he has done with satisfaction to his patrons and profit to himself for the past three years. He has leased a farm in the vicinity and will engage in agricultural pursuits.
The business has been taken over, temporarily at least, by H. F. Brown, who will endeavor to maintain the service at its present high standard. Under the new management the milk will be furnished by Henry Sherwood's famous band of Jersey cows, which insure a superior quality of the lactical fluid. George Schweizer will act as deliveryman. The Saturday evening delivery will be Dwight's last round.

For Sale.

Two good Jersey cows, one milking now, the other will be fresh soon.

LOCAL NEWS IN BRIEF

Senator George E. Davis has sent a number of bills from the legislature to the Malheur County bank which any one interested can have by calling at the bank.

Mr. and Mrs. Robert Elliott arrived home Thursday from an extended visit with friends and relatives in Colorado.

W. L. Gibson shipped a carload of spuds this week.

John Reece has sold his band of sheep to a Wyoming man. We understand the selling price was \$12 per head.

The bank of Jordan Valley failed Tuesday and is now in the hands of the state banking authorities.

Mrs. Robt. Clark is a guest at the H. T. Francis home, having arrived Monday from Colorado. Since the death of her husband, Mrs. Clark has been living in Colorado and Arizona. This estimate being more agreeable to her health, Mrs. Clark will very probably make her home in the future somewhere in the Snake river valley.

Wm. Glenn was in from the Owyhee Thursday doing some shopping.

Cash paid for false teeth, dental gold, platinum and discarded jewelry. Hoke Smelting & Refining Co., Otsego, Michigan.

Warren Fenn returned Saturday from Gridley, Cal., where he has been visiting for the past couple of months.

Al Long of Nigger Rock spent the week in town renewing old acquaintances.

Mrs. Brady Fowler was in Payette Tuesday having dental work done.

Mrs. Frank Stubbs made her regular visit to Ontario Saturday, where she has a large class of budding musicians in process of development.

The infant child of Mr. and Mrs. Billy Nukida died last Saturday from an attack of pneumonia and was buried in the West Side cemetery Sunday. Rev. Mr. Smatz conducted the services. Miss Verna Thomson and Miss Edna Dennis contributed vocal selections appropriate to the occasion.

Born—On Sunday, the 25th inst., to Mr. and Mrs. O. D. Boyer, a son.

Brainards Broadcasting

The Journal is in receipt of the following communication from Prof. P. P. Brainard, formerly superintendent of Nyssa schools but now associate professor of education at the Kansas state agricultural college:

"Mrs. Brainard and I are broadcasting a program from station K. S. A. C., wave length 341, on Thursday evenings. On January 29 the time will be from 9 to 10 o'clock, central time, after the Victor artists have given their program. On February 5 the time will be 8 to 9 o'clock, central time, as the Victor artists do not broadcast on that night. We will continue to give our concerts at the same time on alternate Thursdays during during the spring."

Prof. Brainard always drew crowded houses in Nyssa at his concerts and no doubt his many friends here will "tune in" and enjoy his concerts over the radio.

Nine Conviction

District Attorney Blodgett has returned from Vale, where he has been almost continuously during the past month conducting the state's business at the regular session of the circuit court. His labors have been rewarded by the conviction of nine lawbreakers, whose sentences range from one to three years in the penitentiary. Two defendants were acquitted of the charges against them and one case was continued to the next term of court. A very successful beginning, we should say.

Contract Let

The contract for the construction of the Owyhee drainage ditch was let Saturday to the W. H. Puckett Co. of Boise. Work will be started immediately and pushed right along, as the contract calls for the completion of the drain by April 1st, so that the owners of water logged lands may get their property into profitable production at the earliest possible moment.

H. S. Honor Roll

The semester honor roll, which is made up of students whose semester

average in each subject is not less than "B," is as follows:

Seniors—Frances Klinkenberg, Bernice Martin

Juniors—Jeff Irwin.

Sophomores—Evelyn DeRord.

Freshmen—Viola Blogett, Margaret Crockett, Marion Klinkenberg, Herbert Hoyle, Ruth Shelton, David Sherwood, Agnes Swan, Virginia Thompson.

Farewell Party

A community farewell party for Mr. and Mrs. C. F. Eder was given in the lodge room on Wednesday evening. A large number of friends assembled to spend the evening with the departing family and to wish them continued happiness and prosperity in their new home.

The proceedings were opened by the Nyssa band, whose program of melodious tunes evoked much applause and many complimentary remarks on the band's musical progress.

The banquet table was presided over by J. P. Dunaway with characteristic wit and efficiency. Many of the guests also rose to the occasion with a few remarks of an entertaining nature.

Dancing featured the latter part of the evening, W. H. Crooker with his violin and Mrs. Stubbs at the piano furnishing the inspiration for the devotees of the light fantastic.

The Eders left next day for New Plymouth, where the family lived and where they will make their future home. Their going from Nyssa leaves a vacancy in our community life which will be difficult to fill. Our loss in New Plymouth's gain and our best wishes follow them.

A Correction

The Journal is in receipt of a letter from H. G. Thurston, field secretary of the Religious Liberty Association, calling attention to our statement that Mrs. Margaret Rowen was a member of the Adventist church. We have in a previous issue corrected this error but cheerfully give space to Mr. Thurston's statement. He says:

"I notice your editorial entitled 'Watchman, What of the Night' under recent date. Permit me to say that this Mrs. Margaret Rowen of Los Angeles, whom I have also met, is not a Seventh day Adventist, but was disfellowshipped some years ago because of her adherence to unscriptural doctrines, among which is the doctrine of time setting. I make this statement so you will clearly understand she is not one of this people."

County P. T. A. News

Officers of the County Council:
President—Mrs. M. M. Greeing, Nyssa.

Vice Pres.—Mrs. Will J. Roberts, Ontario.

Secretary—Mrs. Frank Fry, Nyssa.

Press Chairman—Catherine V. Conway, Ontario.

The meeting of the executive board of the County Council which was scheduled for January 19 was indefinitely postponed because the deep snow made it impossible for some members to attend. The meeting will be held at a later date, at which time plans will be perfected for the spring meeting of the County Council at Big Bend.

As soon as conditions make it possible the county president, Mrs. M. M. Greeing, plans to visit every P. T. A. in Malheur county and explain the part she hopes each will play in furthering the work of the county organization.

The last meeting of the Oregon Trail P. T. A., held Friday, January 19 was merely a business meeting.

The Owyhee circle had a very interesting January meeting, the program consisting of a general resume and discussion of the subjects studied during the year 1924. The president charged each member keep informed during the present month about what the legislature does for child welfare or education. Then at the next meeting the president will ask questions which will cause discussions upon these topics. The Owyhee circle is starting a membership drive. Their goal for next meeting is to have at least one member of each family in the community present. They hope to have a large delegation of paid up members at the spring County Council meeting. The Wade P. T. A. held an all day meeting January 12. A dinner w
